Explanation of Responses:

1. The option was acquired in connection with an equity exchange program involving the issuance of equity awards under the Issuer's 2019 Stock Option and Incentive Plan in exchange for existing equity held by the Reporting Person in privately-held subsidiaries of the Issuer. The number of option shares and per share exercise price of the new option was determined based on the number of shares and per share exercise price of the subsidiary option at a certain exchange ratio.
