(b) Neither BridgeBio, its Subsidiaries, nor the Company (in each case, with respect to the In-Scope Programs, Acquired Subsidiaries, and Acquired Assets) is party to or bound by any collective bargaining agreement or other Contract with a labor union, labor organization, or other employee representative covering any In-Scope Program Employee, and no In-Scope Program Employee is represented by any labor union, labor organization, employee representative or group of employees with respect to their employment. To the Knowledge of BridgeBio, there have been no union organizing activities affecting In-Scope Program Employees since January 1, 2021. To the Knowledge of BridgeBio, there have been no allegations of sexual harassment or sexual misconduct against any director, officer, or executive at the level of Senior Vice President or above of BridgeBio, its Subsidiaries, or the Company (in each case, in their capacity as such, and with respect to the In-Scope Programs, Acquired Subsidiaries, and Acquired Assets), since January 1, 2021, that, if known to the public, would bring the In-Scope Programs, Acquired Subsidiaries, or Acquired Assets into material disrepute. To the Knowledge of BridgeBio, no In-Scope Program Employee with an annual base salary at or above \$250,000 intends to terminate his or her employment prior to the one (1) year anniversary of the Closing. To the Knowledge of BridgeBio, no In-Scope Program Employee is, in any material respect, in violation of any material restrictive covenant obligation (i) owed to BridgeBio or its Subsidiaries or (ii) owed to any third party with respect to such person's right to be employed or engaged by BridgeBio or its Subsidiaries or the Company or its Affiliates.

Section 4.19 In-Scope Contracts. Section 4.19 of the BridgeBio Disclosure Letter sets forth a list of each In-Scope Program Contract and Shared Contract (each such Contract required to be set forth on Section 4.19 of the BridgeBio Disclosure Letter, an "In-Scope Contract"). Each In-Scope Contract is valid, binding and enforceable on BridgeBio or its Subsidiaries or any of the Acquired Subsidiaries, as the case may be, and, to the Knowledge of BridgeBio, each other party thereto, and is in full force and effect. There is no violation of, or default under, any such In-Scope Contract by BridgeBio or its Subsidiaries or any of the Acquired Subsidiaries, as the case may be, and no event has occurred that, with the lapse of time or the giving of notice or both, would constitute a default thereunder by BridgeBio or its Subsidiaries or any of the Acquired Subsidiaries, as the case may be, or would permit or cause the termination thereof, in each case except as would not have a BridgeBio Material Adverse Effect. Neither BridgeBio or its Subsidiaries or any of the Acquired Subsidiaries have received written notice from any other party to an In-Scope Contract that such party intends to adversely modify, terminate, not renew or renegotiate in any material respect the terms of any such In-Scope Contract. Immediately upon consummation of the transactions contemplated hereby, each In-Scope Contract shall continue in full force and effect on substantially the same terms and conditions as of the date hereof and immediately prior to the Closing. BridgeBio has made available to the Investors true, correct and complete copies of each of the In-Scope Contracts.

Section 4.20 Affiliate Arrangements. Neither BridgeBio nor any Subsidiary of BridgeBio nor any of their respective Affiliates (other than the Acquired Subsidiaries) directly or indirectly owns, uses, exploits or has any right, title, or interest in or to any asset, property, or right, tangible or intangible, which is owned by the Acquired Subsidiaries or primarily related to the In-Scope Programs. Except as set forth on Section 4.20 of the BridgeBio Disclosure Letter, no officer, member of the board of directors (or similar governing body) or employee of BridgeBio or any of its Affiliates (including the Acquired Subsidiaries) is a party to any Contract (other than ordinary course employment arrangements) or transaction with the Acquired Subsidiaries or has any interest in any In-Scope Programs, Acquired Assets, Assumed Liabilities or any other material assets or property used by the Acquired Subsidiaries.

Section 4.21 Sanctions. None of the BridgeBio, its Subsidiaries or any of respective officers, directors, employees, agents, stockholders or partners is a Sanctioned Party.

Section 4.22 No Other Representations or Warranties.

(a) Except for the representations and warranties contained in this Article IV and in the Transaction Documents, none of BridgeBio, the Company, an Acquired Subsidiary or any other Person on their behalf has made, whether express or implied, at law or in equity, with respect to BridgeBio or its businesses, the Company, the Acquired Subsidiaries, the Owned Shares, the Acquired Assets, the probability of success of any In-Scope Program, the Assumed Liabilities, the Excluded Assets or the Excluded Liabilities or with respect to the accuracy or completeness of any statements or information (written or oral) provided or made available to any Investor by or on behalf of BridgeBio or the Company (including in any data room or presentation), and BridgeBio and the Company expressly disclaim any such other representations and warranties (including with respect to any budgets, forecasts, predictions, projections, estimates or other prospective information). Without limiting the foregoing, no express or implied representation or warranty has been made or is being made herein to any Investor and there are no express or implied conditions as to merchantability, suitability or fitness for a particular purpose, or quality, with respect to any of the Acquired Subsidiaries or the Acquired Assets, or as to the condition or workmanship thereof or the absence of any defects therein, whether latent or patent, all of which are being transferred “as is,” except for those representations and warranties expressly made by BridgeBio in this Article IV and in the Transaction Documents.

(b) Notwithstanding anything contained in this Agreement to the contrary, except for the representations and warranties contained in Article V and in the Transaction Documents, BridgeBio and the Company acknowledge and agree that none of the Investors or any other Person on behalf of any Investor has made, whether express or implied, at law or in equity, with respect to any Investor or their respective businesses or assets or with respect to the accuracy or completeness of any statements or information (written or oral) provided or made available to BridgeBio or the Company by or on behalf of any Investor (including in any data room or presentation), and BridgeBio and the Company expressly disclaim reliance upon any such other representations and warranties.

ARTICLE V
CERTAIN REPRESENTATIONS AND WARRANTIES OF INVESTORS

Each Investor hereby represents and warrants to BridgeBio as follows:

Section 5.1 Organization.

(a) Each Investor is an entity, duly organized or formed, as applicable, validly existing and in good standing (to the extent applicable) under the Laws of its jurisdiction of incorporation or formation, as applicable.

(b) Each Investor is duly qualified to do business and is in good standing (to the extent the applicable jurisdiction recognizes such concept) under the Laws of each jurisdiction in which the conduct of its business, or the character of the properties owned or leased by it, requires it to be so qualified, except where the failure to be so qualified or to be in good standing would not have an Investor Material Adverse Effect.

Section 5.2 Power and Authorization; Enforceability. Each Investor has the requisite corporate or similar power and authority to execute and deliver the Transaction Documents to which it is a party in connection with the transactions contemplated hereby and thereby, and to perform its obligations hereunder and thereunder. Each Investor has taken all actions required to be taken by or on behalf of such Investor to authorize and permit the execution and delivery by such Investor of this Agreement and each Transaction Document required to be executed and delivered by it pursuant hereto, the performance by such Investor of its obligations hereunder and thereunder, and the consummation by such Investor of the transactions contemplated hereby and thereby. This Agreement, and each Transaction Document required to be executed and delivered by such Investor pursuant hereto, has been duly executed and delivered by such Investor and, assuming the due authorization, execution and delivery by each of the other parties hereto or thereto, constitutes the legal, valid and binding obligations of such Investor, enforceable against such Investor in accordance with its terms, except as such enforceability may be limited by the Enforceability Exceptions.

Section 5.3 Consents and Approvals; No Conflicts. Neither the execution or delivery of this Agreement or any other Transaction Document by such Investor nor the consummation of the transactions contemplated hereby and thereby will, directly or indirectly:

(a) result in a breach or violation of, or default under, any provision of the Organizational Documents of such Investor;

(b) assuming the truth, correctness and completeness of the representations and warranties of BridgeBio contained herein, require any Governmental Filings and Approvals, other than Governmental Filings and Approvals that, if not obtained or made, would have an Investor Material Adverse Effect; or

(c) assuming the truth, correctness and completeness in all material respects of the representations and warranties of BridgeBio contained herein, (i) constitute or result in a violation of any Law or Governmental Order to which such Investor is subject or by which any of its properties or assets is bound; (ii) constitute or result in the violation or breach of any term, condition or provision of, constitute (with or without due notice or lapse of time or both) a default under, or give rise to any right of termination or cancellation, or cause or permit the acceleration of or other changes to any right or obligation or the loss of any benefit for, in each case, any party with respect to any Contract of such Investor; or (iii) result in the creation or imposition of an Encumbrance upon any property or assets of such Investor, except with respect to clauses (i), (ii) and (iii) as would not have an Investor Material Adverse Effect.

Section 5.4 Compliance with Laws. Since January 1, 2021, none of the Investors or any of its Affiliates that are or will be party to any Transaction Documents are in violation of any Laws or subject to or in violation of any Governmental Orders applicable to them or by which any of their respective material assets is bound or affected, except for violations that would not have an Investor Material Adverse Effect.

Section 5.5 Litigation. As of the date hereof, there is no Legal Proceeding pending or, to the Knowledge of Investors, threatened against such Investor or any of its Affiliates that, if adversely determined, would have an Investor Material Adverse Effect.

Section 5.6 Availability of Funds. Each Investor has at the Closing sufficient cash to pay all amounts required to be paid by such Investor at the Closing pursuant to the terms of this Agreement (including the Closing Date Cash Contribution).

Section 5.7 Qualified Client; Accredited Investor.

(a) Each Investor is a qualified client within the meaning of Rule 205-3 under the U.S. Investment Advisers Act of 1940, as amended (the “Advisers Act”).

(b) Each Investor is an accredited investor within the meaning of Rule 501(a) of Regulation D promulgated under the Securities Act of 1933, as amended (the “Securities Act”). Each Investor is not disqualified from reliance on Rule 506 under Regulation D for prior “bad actor” events as set forth in Rule 506(d)(1)(i)-(viii) of Regulation D.

(c) Each Investor acknowledges that the investment in the Company is intended to be exempt from registration by virtue of Section 4(a)(2) of the Securities Act.

Section 5.8 Investment Experience and Ability to Bear Risk; Suitability; Disclosure of Information.

(a) Each Investor (i) is knowledgeable and experienced with respect to the financial, tax and business aspects of the ownership of a Unit and of the business contemplated by the Company and is capable of evaluating the risks and merits of purchasing a Unit and, in making a decision to proceed with this investment, has not relied upon any representations, warranties or agreements, other than those set forth in Article IV and in the Transaction Documents and (ii) can bear the economic risk of an investment in the Company for an indefinite period of time, and can afford to suffer the complete loss thereof.

(b) Each Investor is aware (i) that the Company has no operating history; (ii) that the Units involve a substantial degree of risk of loss of its entire investment and that there is no assurance of any income from such Investor’s investment; (iii) that any tax benefits which may be available to such Investor may be lost through the adoption of new laws or regulations, to changes to existing laws and regulations and to changes in the interpretation of existing laws and regulations; and (iv) any disposition of Units may result in unfavorable tax consequences to such Investor. Each Investor is relying solely on (x) such Investor’s own conclusions or the advice of such Investor’s own counsel or investment representative, including with respect to tax aspects of any investment in the Company and (y) the representations and warranties of BridgeBio set forth in Article IV and in the Transaction Documents.

(c) Each Investor has evaluated the risks involved in investing in the Units and has determined that the Units are a suitable investment for such Investor. The aggregate amount of the investments such Investor has in, and such Investor's commitments to, all similar investments that are illiquid is reasonable in relation to such Investor's net worth, both before and after the subscription for and purchase of the Units pursuant to this Transaction Agreement.

(d) Each Investor has been given access to, and prior to the execution of this Transaction Agreement, each Investor was provided with an opportunity to ask questions of, and receive answers from, the Company concerning the terms and conditions of the offering of the Units, and to obtain any other information which such Investor and such Investor's investment representative and professional advisors requested with respect to the Company, the In-Scope Programs and such Investor's investment in the Company in order to evaluate such Investor's investment and verify the accuracy of all information furnished to such Investor regarding the Company and the In-Scope Programs. Each Investor acknowledges that all such questions, if asked, were answered satisfactorily and all information or documents provided were found to be satisfactory.

Section 5.9 Transfers and Transferability.

(a) Each Investor understands and acknowledges that the Units have not been registered under the Securities Act or any state securities laws and are being offered and sold in reliance upon exemptions provided in the Securities Act and state securities laws for transactions not involving any public offering and, therefore, cannot be resold or transferred unless they are subsequently registered under the Securities Act and such applicable state securities laws or unless an exemption from such registration is available. Each Investor understands and acknowledges that the Company does not have any obligation or intention to register the Units for sale under the Securities Act, any state securities laws, or of supplying the information which may be necessary to enable each Investor to sell Units and that each Investor has no right to require the registration of the Units under the Securities Act, any state securities laws or other applicable securities regulations, except as set forth in the Amended and Restated LLC Agreement. Each Investor understands and acknowledges that sales or transfers of Units are further restricted by the provisions of the Amended and Restated LLC Agreement.

(b) Each Investor understands and acknowledges that there is no public market for the Units and that any disposition of the Units may result in unfavorable tax consequences to such Investor.

(c) Each Investor understands and acknowledges that, because of the substantial restrictions on the transferability of the Units, it may not be possible for such Investor to liquidate such Investor's investment in the Company readily, even in the case of an emergency.

Section 5.10 Publicly Traded Company. (a) Each Investor has neither acquired nor will any such Investor transfer or assign any Unit such Investor purchases (or any interest therein) or cause any such Units (or any interest therein) to be marketed on or through an “established securities market” within the meaning of Section 7704(b)(1) of the Code, or to the Knowledge of Investors, a “secondary market” (or the substantial equivalent thereof) within the meaning of Section 7704(b)(2) of the Code, including an over-the-counter-market or an interdealer quotation system that regularly disseminates firm buy or sell quotations, and (b) each Investor either (i) is not, and will not become, a partnership, Subchapter S corporation, or grantor trust for U.S. federal income tax purposes, or (ii) is such an entity, but was not formed and is not used with a principal purpose of permitting the Company to satisfy the 100-partner limitation of Treasury Regulations Section 1.7704-1(h)(1)(ii). Each Investor agrees that if such Investor determines to transfer or assign any of such Investor’s Unit pursuant to the provisions hereof and of the Amended and Restated LLC Agreement, such Investor will cause such Investor’s proposed transferee(s) to agree to the transfer restrictions set forth herein and therein and to make the representations set forth in clauses (a) and (b) above.

Section 5.11 No Investment Company Issues. If an Investor is an individual, such Investor is a qualified purchaser within the meaning of the Investment Company Act of 1940, as amended (the “Investment Company Act”) (a “Qualified Purchaser”). If an Investor is an entity, (a) either (i) such Investor is a Qualified Purchaser within the meaning of the Investment Company Act or (ii) each of such Investor’s beneficial owners is a Qualified Purchaser and (b) either (i) all of such Investor’s outstanding securities (other than short-term paper) are beneficially owned by one Person, (ii) such Investor is not an investment company under the Investment Company Act or a “private investment company” that avoids registration and regulation under the Investment Company Act based on the exclusion provided by Section 3(c)(1) or Section 3(c)(7) of the Investment Company Act, or (iii) such Investor has delivered to the Company a representation and covenant as to certain matters under the Investment Company Act satisfactory to the Company.

Section 5.12 Certain ERISA Matters. With respect to the purchase of a Unit by each Investor, each Investor hereby represents and warrants that either (a) such Investor is not (and is not acting on behalf or using the assets of) (i) an “employee benefit plan” (within the meaning of Section 3(3) of the U.S. Employee Retirement Income Security Act of 1974, as amended (“ERISA”) subject to the fiduciary responsibility provisions of Title I of ERISA, (ii) a “plan” (within the meaning of Section 4975(e)(1) of the Code) subject to Section 4975 of the Code, (iii) an entity whose underlying assets include “plan assets” by reason of such a plan’s investment in the entity (including an insurance company general account) or (iv) a “governmental plan” (within the meaning of Section 3(32) of ERISA) or other employee benefit plan subject to any federal, state, local or non-U.S. law that is substantially similar to the fiduciary responsibility provisions of Title I of ERISA or the provisions of Section 4975 of the Code (“Similar Law”) or (b) (i) such Investor’s purchase of a Unit will not constitute or result in a prohibited transaction under Section 406 of ERISA, Section 4975 of the Code or any Similar Law for which an exemption is not applicable and otherwise complies with all applicable requirements of ERISA, Section 4975 of the Code and any applicable Similar Law, (ii) neither the Company nor any director, officer, employee, agent or affiliate thereof has acted as a “fiduciary” (within the meaning of Section 3(21) of ERISA, Section 4975(e)(3) of the Code or any Similar Law) in connection with such Investor’s purchase of a Unit and (iii) if such Investor is investing assets of an employee benefit plan subject to any Similar Law, such Investor’s purchase and holding of a Unit will not cause any assets of the Company to be treated as assets of such employee benefit plan for purposes of such Similar Law and will not otherwise subject the Company to any requirements under such Similar Law.

Section 5.13 No Intent to Distribute. Each Investor is acquiring the Units for such Investor's own account, as principal, for investment and not with a view to the resale or distribution of all or any part of such Units in violation of any federal or state securities Laws.

Section 5.14 Sanctions. None of the Investors or any of its officers, directors, employees, agents, stockholders or partners is a Sanctioned Party.

Section 5.15 Residence. Each Investor maintains such Investor's domicile or principal place of business at the address shown in Section 8.11 and such Investor is not merely transient or temporarily resident there.

Section 5.16 Certain Regulatory Matters. Each Investor hereby agrees and acknowledges that (i) no Person, including none of BridgeBio, the Company or any of their respective Affiliates, is providing under the terms hereof or otherwise as contemplated hereby any investment advisory, brokerage or similar services, (ii) no investment advisory, brokerage or other investment advisory or service relationship is provided for or contemplated hereby, whether discretionary or non-discretionary, for compensation or otherwise, (iii) none of BridgeBio, the Company or any of their respective Affiliates intends as of the date hereof to register or file under any federal, state or other laws pertaining to investment advisory activity, and (iv) no Investor is relying on, may rely on, or intends to rely on any prior or future investment information, advice, or other communication from any of BridgeBio, the Company or any of their respective Affiliates, including with respect to any decision to acquire a Unit.

Section 5.17 Brokers. No broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission in connection with the transactions contemplated by this Agreement based on arrangements made by such Investor and its Affiliates.

Section 5.18 No Other Representations or Warranties.

(a) Except for the representations and warranties contained in this Article V and in the Transaction Documents, none of the Investors or any other Person on behalf of any Investor has made, any representation or warranty, whether express or implied, at law or in equity, with respect to any Investor or their respective businesses or assets or with respect to the accuracy or completeness of any statements or information (written or oral) provided or made available to BridgeBio or the Company by or on behalf of any Investor (including in any data room or presentation), and each Investor expressly disclaims any such other representations and warranties (including with respect to any budgets, forecasts, predictions, projections, estimates or other prospective information).

(b) Notwithstanding anything contained in this Agreement to the contrary, except for the representations and warranties contained in Article IV and in the Transaction Documents, each Investor acknowledges and agrees that none of BridgeBio, the Company or any other Person on their behalf has made, with respect to BridgeBio or its businesses, the Company, the Acquired Subsidiaries, the Owned Shares, the Acquired Assets, the probability of success of any In-Scope Program, the Assumed Liabilities, the Excluded Assets or the Excluded Liabilities or with respect to the accuracy or completeness of any statements or information (written or oral) provided or made available to any Investor by or on behalf of BridgeBio or the Company (including in any data room or presentation), and each Investor expressly disclaims reliance upon any such other representations and warranties. Without limiting the generality of the foregoing, each Investor acknowledges and agrees that (i) no representations or warranties are made with respect to any budgets, forecasts, predictions, projections, estimates or other prospective information that may have been provided or made available any Investor (including in any data room or presentation) and (ii) there are no express or implied conditions as to merchantability, suitability or fitness for a particular purpose, or quality, with respect to any of the Acquired Subsidiaries or the Acquired Assets, or as to the condition or workmanship thereof or the absence of any defects therein, whether latent or patent, all of which are being transferred “as is,” except for those representations and warranties expressly made by BridgeBio in Article IV and in the Transaction Documents.

ARTICLE VI ADDITIONAL AGREEMENTS

Section 6.1 Further Assurances; Cooperation.

(a) Subject to the terms and conditions of this Agreement, following the Closing, each Party shall, and shall cause its Affiliates or Subsidiaries to, as promptly as practicable, execute and deliver, or shall cause to be executed and delivered, such documents and other papers and shall take, or shall cause to be taken, such further actions as may be reasonably necessary or required, or as the requesting Party may reasonably deem reasonably necessary or desirable, to carry out the provisions of this Agreement and give effect to the transactions contemplated by the Transaction Documents.

(b) Each Party shall, and shall cause its Subsidiaries to, use commercially reasonable efforts to cooperate to make and/or obtain any Consents, Governmental Filings and Approvals or Governmental Orders that may be required in connection with the transactions contemplated by the Transaction Documents.

Section 6.2 Insurance.

(a) Each Investor acknowledges and agrees that, upon the Closing, all insurance coverage provided under BridgeBio’s insurance policies or otherwise in relation to the Acquired Subsidiaries or the Acquired Assets pursuant to policies, risk funding programs or arrangements maintained by BridgeBio or by any Affiliate of BridgeBio (other than the Acquired Subsidiaries) (whether such policies are maintained in whole or in part with Third Party insurers or with BridgeBio or its Affiliates and including any captive policies or fronting arrangements) shall cease, and no further coverage shall be available under any such policies, programs or arrangements.

Section 6.3 Tax Treatment. The Parties agree to treat the Closing Date Cash Contributions, the Additional Cash Contributions and the contribution of the Acquired Subsidiaries (including the Acquired Assets) to the Company pursuant to this Agreement as transfers of property described in Section 721(a) of the Code and shall not take any position inconsistent with such treatment on any Tax Return or any audit, examination or other proceeding with respect to Taxes unless otherwise required pursuant to a “determination” within the meaning of Section 1313(a) of the Code.

Section 6.4 Transfer Taxes. All transfer, documentary, sales, use, registration and real property transfer or gains tax, stamp tax, stamp duty, excise tax, stock transfer tax and other similar Taxes with respect to the transactions effected pursuant to this Agreement (collectively, "Transfer Taxes") shall be borne (1) by BridgeBio in the case of any such Transfer Taxes incurred solely as a result of the Pre-Closing Restructuring, and (2) in the case of any other such Transfer Taxes, 50% by BridgeBio and 50% by the Company. All Tax Returns with respect to Transfer Taxes shall be filed by the party required to file the Tax Return under applicable Law, and, if applicable, BridgeBio and/or the Investors shall reimburse such party for the amount of any Transfer Taxes that are paid by it. BridgeBio, the Investors and the Company shall cooperate in timely making all filings, returns, reports and forms as necessary or appropriate to comply with provisions of all applicable Laws in connection with the payment of such Transfer Taxes and shall cooperate in good faith to minimize the amount of any such Transfer Taxes payable in connection herewith.

Section 6.5 Tax Returns. BridgeBio shall include the income of the Acquired Subsidiaries and the Acquired Assets (including any deferred intercompany items described in Treasury Regulations section 1.1502-13 and any excess loss accounts taken into income under Treasury Regulations section 1.1502-19) for all Pre-Closing Tax Periods in the consolidated Tax Returns of BridgeBio for U.S. federal and applicable state income tax for all periods through the close of the Closing Date and shall pay any Taxes attributable to such income. The income of the Acquired Subsidiaries and Acquired Assets for the final Pre-Closing Tax Period shall be determined based on a closing of the books as of the close of the Closing Date.

Section 6.6 Intercompany Accounts and Arrangements. Except as otherwise contemplated by this Agreement and subject to Section 2.2, on or before the Closing Date, BridgeBio shall, and shall cause its Affiliates to, take such actions as are necessary to terminate, eliminate and release, as applicable, with no continuing Liability to BridgeBio, the Company, the Acquired Subsidiaries or any of their respective Affiliates, each and every arrangement, commitment, receivable, payable, claim, demand, right, loan and Contract solely between BridgeBio or one of its Subsidiaries (other than the Company or any of the Acquired Subsidiaries), on the one hand, and the Company or any Acquired Subsidiary, on the other hand, in each case, pursuant to the Intercompany Termination Agreement, and except for the Assumed Intercompany Receivables and Assumed Intercompany Payables which shall remain outstanding and shall be payable in accordance with their terms promptly after the Closing.

Section 6.7 Director and Officer Indemnification.

(a) For a period of six (6) years from and after the Closing, the Company shall and shall cause each Acquired Subsidiary to, to the fullest extent permitted by applicable Law, indemnify, defend and hold harmless, and provide advancement of reasonably documented out-of-pocket expenses to, each Person who is now, or has been at any time prior to the date hereof or who becomes prior to the Closing, an officer, manager or director of the Company or any Acquired Subsidiary (in such capacity, each, a "D&O Indemnified Party"), against or with respect to all Losses (including any costs of defense or investigation) that may be incurred by any such D&O Indemnified Party that is based in whole or in part on or arising in whole or in part out of the fact that such Person is or was an officer, manager or director of the Company or any Acquired Subsidiary and pertaining to any matter existing or occurring, or any acts or omissions occurring, at or prior to the Closing, whether asserted or claimed prior to, or at or after, the Closing (including matters, acts or omissions occurring in connection with the approval of this Agreement and the consummation of the transactions contemplated hereby), in each case, solely to the extent required by the Organizational Documents of the Company or the Acquired Subsidiaries as of the date hereof. Without limiting the foregoing, the Company shall and shall cause each Acquired Subsidiary, as applicable, to pay all reasonable and documented out-of-pocket expenses, including attorneys' fees, that may be incurred by any D&O Indemnified Party in enforcing the indemnity and other obligations of the Company or any Acquired Subsidiary set forth in or referred to in this Section 6.7, in each case, solely to the extent required by the Organizational Documents of the Company or the Acquired Subsidiaries as of the date hereof.

(b) Without limiting the foregoing, for a period of six (6) years after the Closing, the Company shall not (and shall not cause or permit any Acquired Subsidiary) amend or modify in any way adverse to the D&O Indemnified Parties, or to the beneficiaries thereof, the exculpation, indemnification, contribution and expense advancement or reimbursement provisions set forth in the Organizational Documents of the Company or the Acquired Subsidiaries with respect to acts or omissions occurring on or prior to the Closing.

(c) If the Company or any of the Acquired Subsidiaries or any of their respective successors or assigns proposes to (i) consolidate with or merge into any other Person and the Company or any such Acquired Subsidiary will not be the continuing or surviving entity in such consolidation or merger or (ii) transfer all or substantially all of its properties and assets to any Person, then, in each case, proper provision will be made prior to or concurrently with the consummation of such transaction so that the successors and assigns the Company or any such Acquired Subsidiary, as the case may be, will be able to satisfy the indemnification and other obligations set forth in this Section 6.7.

(d) Notwithstanding Section 8.4, the provisions of this Section 6.7 are intended to be for the benefit of, and shall be enforceable by, each D&O Indemnified Party, his or her heirs and his or her representatives and are in addition to, and not in substitution for, any other right to indemnification or contribution that any such Person may have by Contract or otherwise.

Section 6.8 Shared Contracts.

(a) BridgeBio and its Subsidiaries are party to certain Contracts as set forth in Section 6.8 of the BridgeBio Disclosure Letter that relate both to the Acquired Assets and the Excluded Assets (each, a “Shared Contract”). Prior to and after the Closing, until earlier of (i) the expiration or termination date of the applicable Shared Contract and (ii) twenty-four (24) months following the Closing Date, each of BridgeBio and the Company shall, and shall cause their respective Subsidiaries to, use their respective commercially reasonable efforts to obtain from, and to cooperate in obtaining from, and shall, and shall cause their respective Subsidiaries to enter into with, or issue notice to (as applicable), each Third Party to a Shared Contract (whether or not listed on Section 4.19 of the BridgeBio Disclosure Letter), either (A) a separate contract or agreement (a “New Contract”) or (B) a partial assignment (a “Partial Assignment”), in each case, in a form reasonably acceptable to BridgeBio and the Company that allocates the rights and obligations of BridgeBio and its Subsidiaries and the Company and the Acquired Subsidiaries, as applicable, under each such Shared Contract as between the Acquired Assets, on the one hand, and the Excluded Assets, on the other hand.

(b) Prior to such entry into such New Contract or Partial Assignment in accordance with Section 6.8(a), until earlier of (i) the expiration or termination date of the applicable Shared Contract and (ii) twenty-four (24) months following the Closing Date, each of BridgeBio and the Company shall, and shall cause their respective Subsidiaries to (A) cooperate in good faith and use their respective commercially reasonable efforts (with each party being responsible for its own out-of-pocket expenses) to enter into such New Contract or Partial Assignment in accordance with Section 6.8(a) as promptly as practicable after the Closing and (B) until the entry into such New Contract or Partial Assignment, enter into an arrangement under which the Company (and/or one of its Subsidiaries) or BridgeBio (and/or one of its Subsidiaries) will, in compliance with Law, obtain the economic benefits of, and assume the obligations and bear the economic burdens associated with, the Acquired Assets or the Excluded Assets, respectively, under any such Shared Contract (including by separating, dividing, modifying, replicating or novating such rights and obligations under and in respect of such Shared Contract).

Section 6.9 Misallocated Assets; Third-Party Claims.

(a) If at any time within twenty four (24) months after the Closing, if (i) any Excluded Asset or Excluded Liability is found to have been transferred to the Company or any of its Affiliates in error or otherwise than is provided under this Agreement, either directly or indirectly, the Company shall, or shall cause its Affiliates to, promptly notify BridgeBio and transfer or convey to BridgeBio or its designated Affiliate, and BridgeBio or its designated Affiliate shall accept, such Excluded Asset or Excluded Liability, as applicable, as soon as practicable, or (ii) any Acquired Asset or Assumed Liability is found to have been retained or incurred by BridgeBio or any of its Affiliates in error or otherwise than is provided under this Agreement, either directly or indirectly, BridgeBio shall, or shall cause its Affiliates to, promptly notify the Company and transfer and convey to the Company or its designated Affiliate, and the Company or its designated Affiliate shall accept, such Acquired Asset or Assumed Liability, as applicable, as soon as practicable, in each case, for no consideration therefor. Reasonable and documented out-of-pocket costs and expenses of the foregoing transfers and reimbursements shall be borne by the Company in the case of Excluded Assets and (ii) by BridgeBio in the case of Acquired Assets.

(b) If at any time within twenty-four (24) months after the Closing, if (i) the Company or any of its Affiliates receives a payment, invoice or material document from a Third Party that, pursuant to the terms of this Agreement or any other Transaction Document, should have been paid or transmitted to BridgeBio or any of its Affiliates, the Company agrees to, or to cause its applicable Affiliate to, promptly notify BridgeBio and hold in trust and promptly deliver such payment, invoice or material document to BridgeBio or its designated Affiliate; or (ii) BridgeBio or any of its Affiliates receives a payment, invoice or material document from a Third Party that, pursuant to the terms of this Agreement or any other Transaction Document, should have been paid or transmitted to the Company or any of its Affiliates, BridgeBio agrees to, or to cause its applicable Affiliate to, promptly notify the Company and hold in trust and promptly deliver such payment, invoice or material document to the Company.

(c) If at any time after the Closing, the Company or any of its Subsidiaries receives a claim, invoice or demand from a Third Party with respect to any amount that constitutes an Excluded Accounts Payable, the Company shall promptly notify BridgeBio, and BridgeBio shall promptly pay, or shall cause to be paid, such amount to such Third Party (and promptly confirm payment of the same to the Company), or if such amount has already been paid by the Company, BridgeBio shall promptly reimburse the Company for any such amount.

(d) If at any time after the Closing, BridgeBio or any of its Subsidiaries receives a claim, invoice or demand from a Third Party with respect to any amount that constitutes an Assumed Accounts Payable, BridgeBio shall promptly notify the Company, and the Company shall promptly pay, or shall cause to be paid, such amount to such Third Party (and promptly confirm payment of the same to BridgeBio), or if such amount has already been paid by the BridgeBio or any of its Subsidiaries, the Company shall promptly reimburse BridgeBio or the applicable Subsidiary for any such amount.

Section 6.10 Employee Matters.

(a) Prior to the end of the period contemplated by the Transition Services Agreement (such period, the “Transition Period”), the Company shall, or shall cause one of its Affiliates, to make an offer of employment to each In-Scope Program Employee, which offer of employment shall be effective as of the first day following the end of the Transition Period (the “Transfer Date”). Each In-Scope Program Employee who accepts such offer of employment and actually commences employment with the Company or any of its Affiliates as of the Transfer Date shall be a “Transferred Employee.” Notwithstanding anything to the contrary in this Section 6.10, if any In-Scope Program Employee is not actively at work and is receiving, or in a waiting or elimination period for, short-term or long-term disability benefits as of immediately prior to the Transfer Date pursuant to an Employee Plan (each, an “Inactive Employee”) such Inactive Employee will remain employed with BridgeBio or any of its Affiliates as of the Transfer Date. If such Inactive Employee, within six (6) months following the Transfer Date, is able to return to work, then immediately upon such return, BridgeBio shall so notify the Company, and the Company shall, or shall cause one of its Affiliates to, offer employment to such employee. With respect to each Inactive Employee who commences employment with the Company, references to the “Transfer Date” in this Agreement shall be deemed to refer to the date that such Inactive Employee commences employment with the Company.

(b) From and after the Closing Date, the Company shall honor, fulfill and fully satisfy any and all obligations for the year in which the Closing Date occurs for any cash bonus, commission or other incentive compensation Employee Plans in which any Transferred Employee participates immediately prior to such Transferred Employee’s Transfer Date (collectively, the “Bonus Plans”), whether the obligation with respect thereto arises before, after or as a result of the Closing Date, in accordance with the terms of such Bonus Plans (the aggregate amount of such payments, the “Closing Year Bonus Payments”). As soon as practicable following the payment of the Closing Year Bonus Payments to Transferred Employees (which shall be paid no later than March 15, 2025), the Company shall provide BridgeBio with a full statement of such payments made to Transferred Employees. Within sixty (60) days following receipt of such statement, BridgeBio will reimburse the Company an amount equal to seven-twelfths (7/12th) of (i) the Closing Year Bonus Payments plus (ii) the employer portion of Taxes payable in respect of the Closing Year Bonus Payments.

(c) Effective as of the Transfer Date, any unvested equity or equity-based incentive awards of BridgeBio held by Transferred Employees will be forfeited as a result of the transfer of such Transferred Employees' employment pursuant to this Agreement, and BridgeBio shall retain all Liabilities with respect to any equity or equity-based incentive awards of BridgeBio held by any In-Scope Program Employee (including any Transferred Employee). Following the Transfer Date, the Company shall be solely responsible for the payment of any incentive compensation to Transferred Employees.

(d) Except for Excluded Liabilities or as otherwise specifically set forth in this Section 6.10, the Company shall assume (i) all Liabilities with respect to the Company's or its Affiliate's employment or termination of the Transferred Employees on or after the Transfer Date, and (ii) all Liabilities otherwise set forth in the Transition Services Agreement (the "Assumed Employee Liabilities").

(e) Prior to the Transfer Date, BridgeBio shall, or shall cause its applicable Affiliate to, fully vest each In-Scope Program Employee in his or her account balances under each Employee Plan intended to be qualified under Section 401(a) of the Code, effective as of the Transfer Date, and make or cause to be made all employee and employer contributions to such Employee Plan on behalf of In-Scope Program Employees had the transactions contemplated by this Agreement not occurred (regardless of any service or end-of-year employment requirements) but prorated for the portion of the plan year prior to the Transfer Date.

(f) BridgeBio shall, or shall cause its Affiliates to, use their commercially reasonable efforts to ensure that any foreign national In-Scope Program Employee who requires a visa in order to work for BridgeBio or its Affiliates in his or her current position may continue to work in such position as a Transferred Employee on the Transfer Date. In the event such In-Scope Program Employee is not authorized to work for the Company as of the Transfer Date, such In-Scope Program Employee shall become a "Delayed Transfer Employee." From and after the Transfer Date and until the earlier of (i) the date each Delayed Transfer Employee becomes employed by the Company or (ii) a date to be mutually agreed by the Parties (such period, the "Delayed Transfer Employee Term"), BridgeBio and its Affiliates shall make the services of such Delayed Transfer Employee available to the Company until the applicable visa is obtained. During such Delayed Transfer Employee Term, Delayed Transfer Employees shall remain employees of BridgeBio or its applicable Affiliate, subject to any Delayed Transfer Employee's termination of employment due to termination for cause, resignation, death or disability. For and in consideration for such services from BridgeBio and its Affiliates to the Company, the Company shall pay and deliver to BridgeBio and its Affiliates a monthly payment equal to the total amount of compensation, employee benefit expenses, employment taxes, liability insurance costs and overhead expenses (in each case, to the extent reasonable and documented) actually incurred by BridgeBio and its Affiliates for each Delayed Transfer Employee providing services to the Company for the immediately preceding month; provided, however, such amounts may not exceed the total amount of compensation, employee benefit expenses employment taxes, liability insurance costs and overhead expenses actually incurred by BridgeBio and its Affiliates for each such Delayed Transfer Employee immediately prior to the Transfer Date.

(g) During the period prior to the Closing Date, BridgeBio shall, and shall cause its Affiliates to, use commercially reasonable efforts to make independent contractors who provide services to the In-Scope Programs and are directly engaged by BridgeBio or its Affiliates available to the Company or its Affiliates for the purpose of allowing the Company to interview each such contractor and determine the nature and extent of each such person's continuation with the Company and its applicable Affiliates, if any.

(h) Nothing contained in this Section 6.10, express or implied, (i) is intended to confer upon any In-Scope Program Employee or any other Person any right to continued employment or any particular term or condition of employment for any period, (ii) will prohibit or limit the ability of the Company or any of its respective Affiliates from amending, modifying or terminating any benefit or compensation plan, program, policy, Contract, agreement or arrangement at any time assumed, established, sponsored or maintained by any of them, or (iii) will constitute an amendment to or any other modification of any Acquired Subsidiary Plan or Employee Plan or other benefit or compensation plan, program, policy, Contract, agreement or arrangement. Further, this Section 6.10 will be binding upon and inure solely to the benefit of each of the Parties to this Agreement, and nothing in this Section 6.10, express or implied, is intended to confer upon any other Person any rights or remedies of any nature whatsoever (including any third-party beneficiary rights) under or by reason of this Section 6.10.

Section 6.11 Transitional Trademark License. Following the Closing, the Company and its Affiliates shall, as soon as practicable, but in no event later December 31, 2024, cease to make any use of or to permit any third party to make any use of any BridgeBio Marks. Any use by the Company of any of the BridgeBio Marks as permitted in this Section 6.11 is subject to their use of the BridgeBio Marks in a form and manner, and with standards of quality, of that in effect for the BridgeBio Marks as of the Closing Date; provided, that neither the Company nor any of its Affiliates shall use the BridgeBio Marks for sales or marketing purposes in any event. The Company and its Affiliates shall not use the BridgeBio Marks in a manner that may reflect negatively on such name and marks or on BridgeBio or its Affiliates. BridgeBio shall have the right to terminate the foregoing, effective immediately, if the Company and its Affiliates fail to comply with the foregoing terms and conditions or otherwise fail to comply with any reasonable direction of BridgeBio in relation to the use of the BridgeBio Marks. Notwithstanding the foregoing or anything to the contrary, nothing in this Agreement will prohibit the Company or any of its Subsidiaries from (x) retaining and using, solely for its internal business purposes, records and other historical or archived documents containing or referencing the BridgeBio Marks and (y) using the BridgeBio Marks in a descriptive or factually accurate manner where such use constitutes permitted non-trademark uses under applicable Law, including uses not in commerce, uses that would not cause confusion as to the origin or sponsorship of a good or service and uses in historical, tax and similar records.

(a) Effective as of the Closing, BridgeBio hereby grants, and shall cause its Subsidiaries to grant, to the Company and its Subsidiaries (a) a perpetual, irrevocable, non-exclusive, non-transferable (except pursuant to Section 6.12(c)), worldwide, sublicensable (in multiple tiers for use in connection with the conduct of any In-Scope Program or any other business of the Company or its Subsidiaries permitted by the Transaction Agreements but not for the independent use by Third Parties), fully paid up, royalty-free license under any Know-How owned by BridgeBio or its Subsidiaries as of the Closing to the extent both Controlled by BridgeBio or its Subsidiaries and used in any In-Scope Program as of the Closing, solely to the extent necessary or reasonably useful for the Company and its Subsidiaries to conduct any In-Scope Program or any other business of the Company or its Subsidiaries permitted by the Transaction Documents, including to make, have made, import, export, use, have used, sell, have sold, offer for sale and otherwise exploit any compound or product under any such program or in any such business and (b) a perpetual, irrevocable, non-exclusive, non-transferable (except pursuant to Section 6.12(c)), worldwide, sublicensable (in multiple tiers for use in connection with the conduct of any In-Scope Program but not for the independent use by Third Parties), fully paid up, royalty-free license under any Patents Controlled by BridgeBio or its Subsidiaries as of the Closing to the extent practiced in any In-Scope Program as of the Closing, solely to the extent necessary or reasonably useful for the Company and its Subsidiaries to conduct any In-Scope Program, including to make, have made, import, export, use, have used, sell, have sold, offer for sale and otherwise exploit any compound or product under any such In-Scope Program.

(b) Effective as of the Closing, the Company hereby grants, and shall cause its Subsidiaries to grant, to BridgeBio and its Subsidiaries a perpetual, irrevocable, non-exclusive, non-transferable (except pursuant to Section 6.12(c)), worldwide, sublicensable (in multiple tiers for use in connection with the conduct of the business of BridgeBio or any of its Subsidiaries but not for the independent use by Third Parties), fully paid up, royalty-free license under any Know-How owned by the Company or its Subsidiaries as of the Closing to the extent both Controlled by the Company or its Subsidiaries and used in the business of BridgeBio or its Subsidiaries as of the Closing, solely to the extent necessary or reasonably useful for BridgeBio and its Subsidiaries to conduct any business of BridgeBio or its Subsidiaries permitted under the Transaction Documents, including to make, have made, import, export, use, have used, sell, have sold, offer for sale and otherwise exploit any compound or product in any such business.

(c) The foregoing licenses are assignable, in whole or in part, in connection with the sale or transfer of the business or assets of BridgeBio, the Company or their respective Subsidiaries to which such license relates; provided that such licenses shall not be deemed to extend to any other businesses of any such buyer or transferee.

Section 6.13 Non-Solicitation. BridgeBio agrees that, for the period commencing on the Closing Date and expiring on the fifth (5th) anniversary of the Closing Date, neither it nor any of its controlled Affiliates shall directly or indirectly solicit for employment or any similar arrangement, hire, employ or engage (in any capacity) any In-Scope Program Employee (including any Transferred Employee) of the Acquired Subsidiaries; provided, however, that this Section 6.13 shall not prohibit general solicitations for employment through advertisements or other means not specifically directed toward employees of the Company or its Subsidiaries.

(a) BridgeBio agrees that for the period commencing on the Closing Date and expiring on the fifth (5th) anniversary of the Closing Date, neither it nor any of its controlled Affiliates shall directly or indirectly (including by way of licensing any Person) own any interest in, engage in, manage, operate, develop or otherwise pursue the following programs or indications: Erythropoietic Protoporphyrin (EPP), Alpha-1 antitrypsin deficiency (A1AT) and small molecule method for Tuberous Sclerosis Complex (TSC), and in each case, next generation applications of the foregoing (together, a “Company Competing Program”); provided that nothing in this Section 6.14(a) shall preclude BridgeBio and its controlled Affiliates from (i) owning up to a 5.00% passive interest in any Person engaged (in any manner) in a Company Competing Program and to the extent such investment does not give BridgeBio or such Affiliates the right to designate a member of the board of directors (or similar governing body) of such Person and (ii) BridgeBio’s ownership and involvement in the joint venture with the Company as contemplated by the Transaction Documents.

(b) The Company agrees that for the period commencing on the Closing Date and expiring on the fifth (5th) anniversary of the Closing Date, neither it nor any of its controlled Affiliates shall directly or indirectly own any interest in, engage in, manage, operate, develop or otherwise pursue the following programs or indications: Transthyretin Amyloidosis (ATTR), Autosomal Dominant Hypocalcemia Type 1 (ADH1), Achondroplasia and other skeletal dysplasias, Limb-Girdle Muscular Dystrophy Type 2I (LGMD2I), Congenital Adrenal Hyperplasia (CAH) and gene therapy method for Tuberous Sclerosis Complex (TSC), and in each case, next generation applications of the foregoing (together, a “BridgeBio Competing Program”); provided that nothing in this Section 6.14(b) shall preclude the Company and its controlled Affiliates from owning up to a 5.00% passive interest any Person engaged (in any manner) in a BridgeBio Competing Program and to the extent such investment does not give the Company or such Affiliates the right to designate a member of the board of directors (or similar governing body) of such Person.

(c) The Parties acknowledge that the restrictions set forth in Section 6.13 and this Section 6.14 are reasonable in scope and duration and in all other respects and are intended to comply with all applicable Laws. The Parties further acknowledge that the restrictions set forth in Section 6.13 and this Section 6.14 are necessary to protect the Investors’ significant investment in the Acquired Assets, including its goodwill, and that the Investors would not enter into this Agreement without the restrictions contained in Section 6.13 and this Section 6.14. It is the desire and intent of the Parties that the provisions of Section 6.13 and this Section 6.14 be enforced to the fullest extent permissible under applicable Law. Therefore, the Parties agree that money damages would not be a sufficient remedy for any threatened or actual breach of Section 6.13 and this Section 6.14, and that, in addition to all other remedies it may be entitled to, the non-breaching Party shall be entitled to seek specific performance, or injunctive or other equitable relief, as a remedy for any such breach. To the extent that any part of Section 6.13 and this Section 6.14, as applicable, may be invalid, illegal or unenforceable for any reason, it is intended that such part shall be deemed amended to the extent (and only to such extent) necessary in order that such provision be valid and enforceable, and the remainder of such sections shall not thereby be affected and shall be given full force and effect without regard to invalid portions and such amendment shall apply only with respect to the operation of the covenant in the particular jurisdiction in which such adjudication is made.

(a) Effective as of the Closing, BridgeBio, on behalf of itself and its Affiliates, and its and their respective individual, joint or mutual, past, present and future successors, assigns, representatives, administrators, executors, beneficiaries, agents, Affiliates, equityholders, Subsidiaries, officers, directors, employees, partners, members, managers, general or limited partners and advisors (collectively, the “BridgeBio Releasing Parties”), hereby unconditionally and irrevocably waives releases, remises and forever discharges any rights, claims and Losses of any type that it or any of the BridgeBio Releasing Parties has had, now has or might now or hereafter have against the Company and any Acquired Asset, and each of the Company’s individual, joint or mutual, past, present and future representatives, equityholders, Affiliates, Subsidiaries, officers, directors, employees, partners, members, managers, agents, general or limited partners, advisors, successors and assigns in respect of, relating to or arising in connection with any actions or failures to take actions on or prior to the Closing Date (including in connection with the ownership and operation of the Company and the Acquired Assets), except for (i) rights, claims and Losses arising from and after the date hereof under the terms of this Agreement or any Transaction Document or (ii) for Fraud. Each Party, for itself and the BridgeBio Releasing Parties, acknowledges that it is aware that it or such BridgeBio Releasing Party may hereafter discover facts different from or in addition to the facts which it or such BridgeBio Releasing Party now knows or believes to be true with respect to the subject matter of this Agreement, but that it or such BridgeBio Releasing Party intends that the general releases herein given shall be and remain in full force and effect, notwithstanding the discovery of any such different or additional facts, other than in the case of Fraud. The Parties acknowledge that this Section 6.15(a) is not an admission of liability or of the accuracy of any alleged fact or claim. The Parties expressly agree that this Section 6.15(a) shall not be construed as an admission in any proceeding as evidence of or an admission by any Party of any violation or wrongdoing.

(b) Effective as of the Closing, the Company, on behalf of itself and its Affiliates, and its and their respective individual, joint or mutual, past, present and future successors, assigns, representatives, administrators, executors, beneficiaries, agents, Affiliates, equityholders, Subsidiaries, officers, directors, employees, partners, members, managers, general or limited partners and advisors (collectively, the “Company Releasing Parties”), hereby unconditionally and irrevocably waives releases, remises and forever discharges any rights, claims and Losses of any type that it or any of the Company Releasing Parties has had, now has or might now or hereafter have against BridgeBio or any of its Subsidiaries, and each of their respective individual, joint or mutual, past, present and future representatives, equityholders, Affiliates, Subsidiaries, officers, directors, employees, partners, members, managers, agents, general or limited partners, advisors, successors and assigns in respect of, relating to or arising in connection with any actions or failures to take actions on or prior to the Closing Date (including in connection with the ownership and operation of the Company and the Acquired Assets), except for rights, claims and Losses (i) arising from and after the date hereof under the terms of this Agreement or any Transaction Document or (ii) for Fraud. Each Party, for itself and the Company Releasing Parties, acknowledges that it is aware that it or such Company Releasing Party may hereafter discover facts different from or in addition to the facts which it or such Company Releasing Party now knows or believes to be true with respect to the subject matter of this Agreement, but that it or such Company Releasing Party intends that the general releases herein given shall be and remain in full force and effect, notwithstanding the discovery of any such different or additional facts, other than in the case of Fraud. The Parties acknowledge that this Section 6.15(b) is not an admission of liability or of the accuracy of any alleged fact or claim. The Parties expressly agree that this Section 6.15(b) shall not be construed as an admission in any proceeding as evidence of or an admission by any Party of any violation or wrongdoing.

Section 6.16 Prepaid Expenses. The Company shall reimburse the prepaid expenses, up to a cap of \$1,200,000, comprising the “Total Assets” line item in the Financial Statements or that arise after the date of the Financial Statements but prior to the Closing and are of a type that would be reflected on a balance sheet of Portal or Sub21 in the Financial Statements had they existed at June 30, 2024 to BridgeBio at Closing.

ARTICLE VII SURVIVAL; INDEMNIFICATION

Section 7.1 Survival. None of the representations and warranties of the Parties in this Agreement or in any instrument delivered by the Parties pursuant to this Agreement shall survive the Closing, except in respect of claims for Fraud. The covenants, agreements and other obligations of the Parties set forth in this Agreement that contemplate performance following the Closing shall survive the Closing in full force and effect until fully performed in accordance with their terms. Each covenant in this Agreement that by its terms applies or is required to be performed in its entirety at or before the Closing shall survive until the occurrence of the Closing and shall thereupon terminate.

Section 7.2 Indemnification by BridgeBio. Subject to Section 7.4, from and after the Closing Date, BridgeBio shall indemnify, defend, hold harmless and reimburse the Company and its Affiliates and their respective directors, officers, employees, partners, members, managers, general or limited partners, representatives and advisors (the “Company Indemnified Parties”) against, and hold them harmless from, and pay and reimburse such parties for, any Losses to the extent such Losses arise from or in connection with any and all Excluded Liabilities.

Section 7.3 Indemnification by the Company. Subject to Section 7.4, from and after the Closing Date, the Company shall indemnify, defend, hold harmless and reimburse BridgeBio and its Affiliates and their respective directors, officers, employees, representatives and advisors (the “BridgeBio Indemnified Parties”) against, and hold them harmless from, and pay and reimburse such parties for, any Losses to the extent such Losses arise from or in connection with any and all Assumed Liabilities.

Section 7.4 Limitations on Indemnification. Each Person entitled to indemnification under this Article VII (an “Indemnified Party”) shall use commercially reasonable efforts to mitigate all Losses that are indemnifiable or recoverable hereunder or in connection herewith after becoming aware of any event that could reasonably be expected to give rise to such Losses (including by taking all reasonable actions to recover reasonably available proceeds under any Contract or insurance). The amount of any Losses for which either BridgeBio or the Company, as the case may be, is liable under this Article VII shall be reduced by (i) any amount actually received by the Indemnified Party pursuant to any indemnification by or indemnification agreement with any Third Party, (ii) the amount of any insurance proceeds actually paid to the Indemnified Party in respect of such Losses as an offset against such Losses (net of out-of-pocket expenses reasonably incurred in obtaining such recovery and the amount of any retrospective or other current increase in insurance premiums to the extent attributable to the payment of such cash recovery or the existence of such Losses), and (iii) any net Tax benefits actually realized by any applicable Acquired Subsidiary as a result of the events or circumstances giving rise to the incurrence, accrual or payment of the Losses that such Indemnified Party is to recover from the indemnifying Party, calculated on a “with and without” basis. If the amount to be netted hereunder from any payment required under Section 7.2 or Section 7.3 is determined after payment by the indemnifying Party (“Indemnifying Party”) of any amount otherwise required to be paid to an Indemnified Party pursuant to this Article VII, the Indemnified Party shall repay to the Indemnifying Party, promptly after such determination, any amount that the Indemnifying Party would not have had to pay pursuant to this Article VII had such determination been made at the time of such payment.

(a) Any Person seeking indemnification provided for under this Article VII in respect of, arising out of or involving a claim made by any Person (other than a Party hereto) against an Indemnified Party (a "Third-Party Claim"), shall promptly notify the Indemnifying Party in writing of the Third-Party Claim; provided that failure to give such notice shall not affect the right to indemnification provided hereunder except to the extent the Indemnifying Party shall have been actually and materially prejudiced as a result of such failure. Thereafter, the Indemnified Party shall deliver to the Indemnifying Party, as promptly as reasonably practicable following such Indemnified Party's receipt thereof, copies of all written notices and documents (including any court papers) received by such Indemnified Party relating to the Third-Party Claim.

(b) If a Third-Party Claim is made against an Indemnified Party, the Indemnifying Party shall be entitled at its election and its cost to assume the defense of such Third-Party Claim with counsel selected by the Indemnifying Party; provided that such counsel is reasonably acceptable to the Indemnified Party. If the Indemnifying Party assumes such defense, the Indemnified Party shall nonetheless have the right to employ counsel separate from the counsel employed by the Indemnifying Party; provided that the Indemnifying Party shall not be liable to such Indemnified Party for any fees of such separate counsel with respect to the defense of such Third-Party Claim, unless the employment and reimbursement of such separate counsel is authorized by the Indemnifying Party in writing. If the Indemnifying Party does not assume such defense, and for any period during which the Indemnifying Party has not assumed such defense, the Indemnifying Party shall be liable for the reasonable fees and expenses of one single counsel (in addition to reasonable fees and expenses of local counsel required in jurisdictions not central to the Third-Party Claim) employed (and reasonably acceptable to the Indemnifying Party) by such Indemnified Party (which reasonable fees and expenses shall be considered Losses for purposes of this Agreement). If the Indemnifying Party chooses to defend a Third-Party Claim or prosecute a claim in connection therewith, each Indemnified Party shall provide all cooperation as is reasonably requested by the Indemnifying Party in such defense or prosecution.

(c) Notwithstanding anything to the contrary in this Section 7.5, no Party may settle, compromise or discharge (and in doing so, make any reasonable admission of Liability with respect to) such Third-Party Claim without the prior written consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed.

(d) An Indemnifying Party shall not be entitled to assume or continue control of the defense of any Third-Party Claim if (i) the Third-Party Claim (A) relates to or arises in connection with any criminal Legal Proceeding, or (B) seeks an injunction or other equitable relief against any Indemnified Party, or (ii) the outcome of any judgment or settlement of such Third-Party Claim could reasonably be expected to materially and adversely affect the ability of the Indemnified Party to conduct its or its Affiliates' businesses.

(e) In the event an Indemnified Party has a claim against an Indemnifying Party under Section 7.2 or Section 7.3 that does not involve a Third-Party Claim, such Indemnified Party shall deliver notice of such claim to the Indemnifying Party (i) stating the amount of the Loss, if known, and method of computation thereof, (ii) giving reasonable supporting documentation relating to such Loss and (iii) containing a reference to the provisions of this Agreement in respect of which such right of indemnification is claimed to arise, promptly after becoming aware of the facts or circumstances giving rise to such claim; provided that failure to give such notice shall not affect the indemnification provided hereunder except to the extent the Indemnifying Party shall have been actually and materially prejudiced as a result of such failure. The Indemnified Party and the Indemnifying Party shall, for a period of not less than sixty (60) days following receipt by the Indemnifying Party of the notice of such claim, negotiate, in good faith, to resolve the claim, and such Indemnified Party shall not commence Proceedings with respect to such claim prior to the end of such period.

(f) All amounts owed by an Indemnifying Party under this Article VII shall be paid promptly (but in any event within five Business Days from the date of determination of such amounts owed) by the Indemnifying Person through wire transfer of immediately available funds to the account designated in writing by the Indemnified Party entitled to such payment.

Section 7.6 Exclusive Remedies. Other than (a) with respect to any right a Party may have to injunctive relief or specific performance, or (b) in the case of Fraud, the Parties acknowledge and agree that following the Closing the indemnification provisions of this Article VII shall be the sole and exclusive remedies of the Indemnified Parties pursuant to this Article VII for any claims for monetary relief by any Party; provided that, for the avoidance of doubt, this Section 7.6 shall not limit any rights or remedies of any Member or the Company under the LLC Agreement.

ARTICLE VIII MISCELLANEOUS

Section 8.1 Expenses. Except as otherwise expressly provided herein (including the reimbursement obligation in the following sentence) and in the Transaction Documents, all costs and expenses, including fees and disbursements of legal counsel, financial advisors, accountants, consultants and other representatives and costs and expenses relating to the preparation, negotiation and execution of this Agreement and the other Transaction Documents and the transfer of the Acquired Subsidiaries or the Acquired Assets, incurred in connection with this Agreement and the other Transaction Documents and the transactions contemplated hereby and thereby (the "Transaction Expenses") that is incurred by BridgeBio, the Company or the Acquired Subsidiaries shall be borne and paid by BridgeBio. Notwithstanding anything contained in this Agreement to the contrary, the Company shall pay, or cause to be paid, on the Closing Date (or as soon as practicable thereafter) to or on behalf of each Investor (or any of their respective Affiliates) and BridgeBio (or any of its Affiliates) their incurred (whether or not paid) reasonable and documented out-of-pocket Transaction Expenses to the respective account designated by each Investor and BridgeBio in writing (in each case, which account shall be designated at least one Business Day prior to the Closing Date); provided that such Transaction Expenses of BridgeBio shall exclude fees and expenses incurred by the Special Committee in connection with its engagement of Goldman Sachs & Co. LLC, Goodwin and RTF.

Section 8.2 Amendment; Waiver. No amendment, supplement or modification of this Agreement shall be effective unless each of BridgeBio and the Company has signed a written instrument expressly referencing this Agreement and the specific provisions hereof that are intended to be so amended, supplemented or modified, and consenting to such amendment, supplement or modification. Any purported amendment, supplement or modification that fails to comply with the foregoing shall be null and void ab initio. Any failure by any such Party to comply with any obligation, covenant, agreement or condition herein may be waived by the other such Parties only by a written instrument signed by such Parties granting such waiver, and such waiver shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure to comply with this Agreement. No failure or delay on the part of any Party in the exercise of any right, power or privilege hereunder shall impair such right, power or privilege or be construed to be a waiver of, or acquiescence in, any breach of any representation, warranty or covenant herein, nor shall any single or partial exercise of such right, power or privilege preclude other or further exercise thereof or any other right, power or privilege.

Section 8.3 Assignment; Successors and Assigns. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any Party (whether by merger, operation of law or otherwise) without the prior written consent of the other Parties and any purported assignment in violation of this Section 8.3 shall be void; provided that without the prior written consent of any Party hereto, each Investor and BridgeBio may assign any of its rights or obligations (in whole or in part) under this Agreement to one or more of its respective Affiliates without prior written consent of any other Party; provided that any assignment of obligations shall only release the assigning party from such obligations to the extent actually performed. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and permitted assignees.

Section 8.4 No Third-Party Beneficiaries. Except with respect to (a) D&O Indemnified Parties solely with respect to Section 6.7 and (b) BridgeBio Indemnified Parties and the Company Indemnified Parties solely with respect to Article VII, this Agreement is for the sole benefit of BridgeBio, the Company, the Investors and the Investors' Representatives and their successors and permitted assigns, and nothing in this Agreement or any other Transaction Document is intended to or shall confer upon any other Person any legal or equitable right, claim, benefit or remedy of any nature whatsoever whether under Law or otherwise.

Section 8.5 Governing Law; Venue; Waiver of Jury Trial.

(a) This Agreement, and all claims or causes of action (whether in contract or tort) that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement, shall be governed by and construed in accordance with the Laws of the State of Delaware, without giving effect to the principles of conflicts of law thereof.

(b) The Parties irrevocably submit to the jurisdiction of the Court of Chancery of the State of Delaware and any state appellate court therefrom within the State of Delaware (or, if the Court of Chancery of the State of Delaware declines to accept jurisdiction over a particular matter, any federal court within the State of Delaware (and any appellate court therefrom)) (collectively, the “Chosen Courts”) in any action or Legal Proceeding that arises in respect of the interpretation and enforcement of the provisions of this Agreement and the documents referred to in this Agreement or in respect of the transactions contemplated herein, and hereby waive, and agree not to assert, as a defense in any action, suit or Legal Proceeding for interpretation or enforcement hereof or any such document that it is not subject thereto or that such action, suit or Legal Proceeding may not be brought or is not maintainable in the Chosen Courts or that venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such Chosen Courts, and the Parties irrevocably agree that all claims with respect to such action, suit or Legal Proceeding shall be heard and determined exclusively by such Chosen Courts.

(c) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY BE BASED UPON, ARISE OUT OF OR RELATE TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREIN. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT: (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER; (II) SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THE FOREGOING WAIVER; (III) SUCH PARTY MAKES THE FOREGOING WAIVER VOLUNTARILY; AND (IV) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS IN THIS SECTION 8.5.

Section 8.6 Specific Performance. Each Party acknowledges and agrees that the other Parties will be irreparably damaged if this Agreement is not performed in accordance with its terms and that any breach of this Agreement and the non-consummation of the transactions contemplated by this Agreement would not be adequately compensated in all cases by monetary damages alone. Accordingly, in addition to any other right or remedy to which a Party may be entitled, at Law or in equity, the Parties expressly consent to the granting of an injunction, specific performance or other equitable relief to prevent breaches or threatened breaches of this Agreement and to enforce specifically this Agreement, without the need for proof of actual damages or any requirement under any Law to post a bond or other security as a prerequisite to obtaining equitable relief, in accordance with its terms and to require any other Party to consummate the Closing and perform its obligations hereunder.

Section 8.7 Severability. If any provision of this Agreement or the application of any provision hereof to any circumstances is held invalid, unenforceable, or otherwise illegal by a court of competent jurisdiction, the remainder of this Agreement and the application of such provision to other circumstances shall not be affected. Upon any such determination that any term or other provision is invalid, unenforceable, or otherwise illegal, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

Section 8.8 Counterparts; Electronic Delivery. This Agreement may be executed and delivered in two or more separate counterparts, each of which when executed and delivered shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. This Agreement, the agreements referred to herein, and each other agreement, consent or instrument entered into in connection herewith or therewith or contemplated hereby or thereby, and any amendments hereto or thereto, to the extent signed and delivered by means of a photographic, portable document format (.pdf), or similar reproduction of such signed writing using electronic mail shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person.

Section 8.9 Descriptive Headings; Interpretation. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a substantive part of this Agreement. Whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms. Any singular term in this Agreement shall be deemed to include the plural, and any plural term the singular. Where a word or phrase is defined herein, each of its other grammatical forms shall have a corresponding meaning. The use of the word “include,” “includes” and “including” in this Agreement shall be by way of example rather than by limitation. Reference to any agreement, document or instrument means such agreement, document or instrument as amended or otherwise modified from time to time in accordance with the terms thereof, and if applicable, hereof. The use of the words “or,” “either” and “any” shall not be exclusive. The word “extent” in the phrase “to the extent” shall convey the concept of degree, and such phrase shall not mean simply “if.” Except as otherwise indicated, all references in this Agreement to “Schedules,” “Sections” and “Exhibits” are intended to refer to Schedules, Sections and Exhibits to this Agreement. The terms “hereof,” “hereunder,” “herein” and words of similar import will refer to this Agreement as a whole and not to any particular provision of this Agreement. The use of the word “threatened” in this Agreement shall be deemed followed by “in writing.” All references to “dollars” or “\$” shall be to U.S. dollars. References to any provisions of Law shall be construed as references to such provisions as amended, expanded, consolidated or reissued, or as their applicability may be altered from time to time by other rules, and shall include any provision from which they originate (with or without modifications), regulations, instruments or other legal rules subordinate thereto. References to any period of days shall be deemed to be the relevant number of calendar days (unless Business Days are specified); provided that all references to terms or periods in this Agreement shall be counted excluding the date of the event that causes such term or period to begin and including the last day of the relevant term or period. All periods provided for in this Agreement ending on a day that is not a Business Day shall be automatically extended to the first subsequent Business Day. The phrases “provided,” “delivered,” “made available,” or “furnished” (or any phrase of similar import) means that the information referred to has been physically or electronically delivered to the Investors or its representatives (including the Investors’ Representatives and their representatives) at least one (1) Business Days prior to the date hereof (and available continuously until the execution of this Agreement), including information or documents that have been uploaded to the data room hosted by Donnelley Financial Solutions Venue in connection with the transactions contemplated hereby. This Agreement shall be construed as if drafted jointly by the Parties. The phrase “primarily related to” in respect of any program or business shall mean “primarily related to, primarily used or primarily held for use in” the conduct of such program or business. The phrase “ordinary course of business” means an action taken by or on behalf of a Person that is consistent (including with respect to frequency and magnitude) with the past practices of such Person and is taken in the ordinary course of the operations of such Person.

Section 8.10 Schedules. The BridgeBio Disclosure Letter and the exhibits, schedules and annexes to this Agreement shall be construed with, and as an integral part of, this Agreement. Each capitalized term used in any exhibit, schedule or annex or the BridgeBio Disclosure Letter but not otherwise defined therein shall be defined as set forth in this Agreement. The BridgeBio Disclosure Letter had been arranged in numbered and lettered sections and subsections corresponding to the applicable numbered and lettered sections and subsections contained in this Agreement. Each item disclosed in the BridgeBio Disclosure Letter shall constitute an exception to, or as applicable, disclosure for the purposes of, the representations and warranties (or covenants, as applicable) to which it makes reference and shall also be deemed to be constructively disclosed or set forth in any other section in the BridgeBio Disclosure Letter relating to other sections of this Agreement to the extent a cross-reference is expressly made to such other section in the BridgeBio Disclosure Letter or to the extent that the relevance of such item as an exception to, or as applicable, disclosure for the purposes of, another section of this Agreement is reasonably apparent from the face of such disclosure that such disclosure also qualifies or applies to, or is disclosed for the purposes of, such other section of this Agreement. The fact that any item of information is disclosed in the BridgeBio Disclosure Letter shall not be construed to mean that such information is required to be disclosed by this Agreement. Such information and the dollar thresholds set forth herein shall not be used as a basis for interpreting the terms “material” or other similar terms in this Agreement. The inclusion of any item in the BridgeBio Disclosure Letter shall not constitute an admission by BridgeBio that such item is or is not material. No disclosure in the BridgeBio Disclosure Letter relating to any possible breach or violation of any Contract, Law or Governmental Order shall be construed as an admission or indication that any such breach or violation exists or has actually occurred. The BridgeBio Disclosure Letter and the information contained therein are intended only to qualify or provide disclosure for the purposes of the applicable representations, warranties and covenants contained in this Agreement and shall not be deemed to expand in any way the scope or effect of any of such representations, warranties or covenants.

Section 8.11 Notices. All notices hereunder shall be in writing and shall be deemed to have been duly given or made (i) as of the date delivered if delivered personally, mailed by registered or certified mail (postage prepaid, return receipt requested) or sent by overnight courier (providing proof of delivery) or (ii) as of the date transmitted if sent by electronic transmission (with confirmation of transmission by the transmitting equipment) to the following electronic mail addresses, in each case, to the addresses below (or at such other contact information for a party hereto as shall be specified by like notice):

Section 8.12 Entire Agreement. The Transaction Documents (including the BridgeBio Disclosure Letter) collectively constitute the complete agreement among BridgeBio, the Company the Investors and the Investors' Representatives, and supersede all prior agreements and understandings, both written and oral, between the parties hereto with respect to the transactions contemplated by this Agreement, unless otherwise specifically provided in a written instrument executed by the Parties expressly referencing this Agreement and this Section 8.12.

Section 8.13 Public Announcements. Except as otherwise provided herein, (a) the Parties shall consult in advance with each other before issuing any press release or otherwise making any public disclosure or public statements with respect to this Agreement or the transactions contemplated hereunder; and (b) no such press release, public disclosure or public statement shall be made unless mutually agreed upon by the Parties or required by Law or applicable stock exchange regulation; provided that each Investor (to the extent such Investor is a financial sponsor) is permitted to report and disclose, on a confidential basis, the status of this Agreement and the transactions contemplated hereby to its direct or indirect limited partners or current or prospective investors in connection with ordinary course fundraising, reporting or informational activities.

(a) Each Investor irrevocably authorizes and appoints the Investors' Representatives as such Investor's representatives and attorneys-in-fact to act on behalf of such Investor with respect to this Agreement and any other Transaction Document (other than the Amended and Restated LLC Agreement) and to take any and all actions and make any decisions required or permitted to be taken by the Investors' Representatives pursuant to this Agreement or other Transaction Document (other than the Amended and Restated LLC Agreement), including the exercise of the power to:

- (i) give and receive notices and communications;
- (ii) execute and deliver all documents necessary or desirable to carry out the intent of this Agreement and the other Transaction Documents (other than the Amended and Restated LLC Agreement);
- (iii) make all elections or decisions contemplated by this Agreement and the other Transaction Documents (other than the Amended and Restated LLC Agreement);
- (iv) engage, employ, or appoint any agents or representatives (including attorneys, accountants, and consultants) to assist the Investors' Representatives in complying with their duties and obligations; and
- (v) take all actions necessary or appropriate in the good faith judgment of the Investors' Representatives for the accomplishment of the foregoing.

(b) BridgeBio and the Company shall be entitled to deal exclusively with Investors' Representatives on all matters relating to this Agreement and the other Transaction Documents (other than the Amended and Restated LLC Agreement) and shall be entitled to rely conclusively (without further evidence of any kind whatsoever) on any document executed or purported to be executed on behalf of any Investor by each of the Investors' Representatives, and on any other action taken or purported to be taken on behalf of any Investor by each of the Investors' Representatives, as being fully binding upon such Person. Notices or communications to or from the Investors' Representatives shall constitute notice to or from each of the Investors. Any decision or action by each of the Investors' Representatives hereunder shall constitute a decision or action of all the Investors and shall be final, binding and conclusive upon each such Person. No Investor shall have the right to object to, dissent from, protest or otherwise contest the same. The provisions of this Section 8.14, including the power of attorney granted hereby, are independent and severable, are irrevocable and coupled with an interest and shall not be terminated by any act of any one or more of the Investors, or by operation of Law, whether by death or other event. For the avoidance of doubt, any action taken by the Investors' Representatives in accordance with Section 8.14(a) hereof shall be taken jointly by each Investors' Representative and no Investors' Representative shall be entitled to act independent of the other Investors' Representative.

(c) Each Investors' Representative may resign at any time; provided, however, in no event shall any Investors' Representative resign without the Investors (by action of the Investors representing a majority in interest of the Closing Date Cash Contribution (the "Required Majority")) having first appointed a new Investors' Representative who shall assume such duties immediately upon the resignation of such Investors' Representative. If, for any reason, either Investors' Representative is unable to serve as an Investors' Representative, a new Investors' Representative shall be appointed by the Investors (by action of the Required Majority). Notice of such appointment shall be sent to BridgeBio.

(d) Each Investor (pro rata based on the portion of the Closing Date Cash Contribution) hereby severally, for itself only and not jointly and severally, agrees to indemnify and hold harmless each Investors' Representative against all fees, costs, expenses (including reasonable attorneys' fees), damages, liabilities, judgments, fines and amounts paid in settlement actually and reasonably incurred by such Investors' Representative by reason of the fact it is or was acting as an Investors' Representative pursuant to the terms of this Agreement.

(e) Notwithstanding anything herein to the contrary, other than in the case of Fraud, the Investors' Representatives shall not have any obligation or liability to any Investor relating to the performance of their duties under this Agreement or under any Transaction Document. The Investors' Representatives shall not have by reason of this Agreement a fiduciary relationship in respect of any Investor. The Investors' Representatives shall not be liable to any Investor for any action taken or omitted by them or any agent employed by them hereunder or under any other document entered into in connection herewith, except that the Investors' Representatives shall not be relieved of any liability imposed by applicable Law for willful misconduct or actual common law fraud with the intent to deceive under Delaware law as determined by a final, non-appealable order of a court of competent jurisdiction.

(f) For the avoidance of doubt, this Section 8.14 shall not impact any of the rights, privileges, preferences or obligations of any Investor under the Amended and Restated LLC Agreement.

Section 8.15 Privileges; Conflicts.

(a) Each of the Parties acknowledges that BridgeBio has retained Skadden, Arps, Slate, Meagher & Flom LLP ("Skadden") to act as counsel to BridgeBio in connection with the transactions contemplated hereby, that Skadden has not acted as counsel for any other Person in connection with the transactions contemplated hereby and that no other Person has the status of a client of Skadden for conflict of interest or any other purposes in connection with the transactions contemplated hereby and thereby. Each of the Parties further acknowledges that, after the Closing, Skadden may act as counsel to the Company or its Subsidiaries in connection with matters arising out of or related to this Agreement, the transactions contemplated hereby and the business activities of the Company and its Subsidiaries and that Skadden's prior representation of BridgeBio shall not be deemed to be a disabling conflict with respect to such representation. Each of the Parties hereby waives any conflict of interest resulting from the foregoing. The Parties further agree that, as to all communications, whether written or electronic, among Skadden, BridgeBio, the Special Committee, the Company or any of their respective Affiliates, and all of their files, attorney notes, drafts or other documents, that relate in any way to this Agreement or the transactions contemplated hereby that predate the Closing and that are protected by the attorney-client privilege, the expectation of client confidence or any other rights to any evidentiary privilege, such protections belong to BridgeBio and may be controlled by BridgeBio and shall not pass to or be claimed by the Company or any of its respective Affiliates or any of the Investors or the Investors' Representatives. The Parties shall take, and shall cause their respective Affiliates to take, all steps necessary to implement the intent of this Section 8.15(a). The Parties further agree that Skadden and their respective partners and employees are third-party beneficiaries of this Section 8.15(a).

(b) Each of the Parties acknowledges that the Special Committee has retained Goodwin Procter LLP (“Goodwin”) and Richards, Layton & Finger P.A. (“Richards”) to act as counsel to the Special Committee in connection with the transactions contemplated hereby, that neither Goodwin nor Richards has acted as counsel for any other Person in connection with the transactions contemplated hereby and that no other Person has the status of a client of Goodwin or Richards for conflict of interest or any other purposes in connection with the transactions contemplated hereby. Each of the Parties further acknowledges that, after the Closing, Goodwin and Richards may act as counsel to the Company or its Subsidiaries in connection with matters arising out of or related to this Agreement, the transactions contemplated hereby and the business activities of the Company and its Subsidiaries and that Goodwin’s and Richards’ prior representation of the Special Committee shall not be deemed to be a disabling conflict with respect to such representation. Each of the Parties hereby waives any conflict of interest resulting from the foregoing. The Parties further agree that, as to all communications, whether written or electronic, among Goodwin, Richards, the Special Committee, BridgeBio, the Company or any of their respective Affiliates, and all of their files, attorney notes, drafts or other documents, that relate in any way to this Agreement or the transactions contemplated hereby that predate the Closing and that are protected by the attorney-client privilege, the expectation of client confidence or any other rights to any evidentiary privilege, such protections belong to BridgeBio and may be controlled by BridgeBio and shall not pass to or be claimed by the Company or any of its respective Affiliates or any of the Investors. The Parties shall take, and shall cause their respective Affiliates to take, all steps necessary to implement the intent of this Section 8.15(b). The Parties further agree that Goodwin and Richards and their respective partners and employees are third-party beneficiaries of this Section 8.15(b).

Section 8.16 Non-Recourse. All claims, obligations, liabilities, or causes of action (whether in contract or in tort, in law or in equity, or granted by statute) that may be based upon, in respect of, arise under, out or by reason of, be connected with, or relate in any manner to this Agreement, or the negotiation, execution, or performance of this Agreement (including any representation or warranty made in, in connection with, or as an inducement to, this Agreement), may be made only against (and such representations and warranties are those solely of) the Parties and then only with respect to the express obligations set forth herein and pursuant to the terms hereof. No Person who is not a Party, including any current, former or future director, officer, employee, incorporator, member, partner, manager, shareholder, Affiliate, agent, attorney, representative or assignee of, and any financial advisor or lender to, any Party, or any current, former or future director, officer, employee, incorporator, member, partner, manager, shareholder, Affiliate, agent, attorney, representative or assignee of, and any financial advisor or lender to, any of the foregoing (collectively, the “Nonparty Affiliates”), shall have any liability (whether in contract or in tort, in law or in equity, or granted by statute) for any claims, causes of action, obligations, or liabilities arising under, out of, in connection with, or related in any manner to this Agreement or based on, in respect of, or by reason of this Agreement or its negotiation, execution, performance, or breach, and, to the maximum extent permitted by Laws, each Party hereby waives and releases all such liabilities, claims, causes of action, and obligations against any such Nonparty Affiliates. Without limiting the foregoing, to the maximum extent permitted by Law, each Party hereby waives and releases any and all rights, claims, demands, or causes of action that may otherwise be available at law or in equity, or granted by statute, to avoid or disregard the entity form of a Party or otherwise impose liability of a Party on any Nonparty Affiliate, whether granted by statute or based on theories of equity, agency, control, instrumentality, alter ego, domination, sham, single business enterprise, piercing the veil, unfairness, undercapitalization, or otherwise. The provisions of this Section 8.16 are intended to be for the benefit of, and shall be enforceable by, each Nonparty Affiliate and each such Person’s heirs, representatives, successors or assigns, it being expressly agreed that such Persons shall be third party beneficiaries of this Section 8.16. Nothing in this Section 8.16 shall limit claims against (or liability of) any Person in respect of Fraud.

It is the intent of the parties hereto that each manager of the Company (each a “Director”) shall be deemed to be a “manager” of the Company (as defined in Section 18-101(12) of the Act) for all purposes under the Act. The Board shall consist of the number of Directors from time to time as may then be designated in accordance with Section 4.1(b) below. (d) *Removal.* A Director may only be removed from the Board by (i) the applicable Person entitled to appoint such Director pursuant to Section 4.1(b), with or without cause, or (ii) if there is no appointment right or if such applicable Person is no longer entitled to appoint such Director pursuant to Section 4.1(b) as a result of an Investor Member Sell-Down Event, then by approval of all of the other Directors on the Board.

(e) *Vacancies.* If at any time a vacancy is created on the Board by reason of the death, removal or resignation of any Director, a designee shall be appointed to fill such vacancy or vacancies by (i) the Person entitled to appoint such Director pursuant to Section 4.1(b) or (ii) if there is no appointment right or if such Person is no longer entitled to appoint such Director pursuant to Section 4.1(b) as a result of an Investor Member Sell-Down Event, then by approval of all of the Directors on the Board.

The Observers shall be provided copies of all documents as and when given to the Directors and shall be invited to attend any meeting of the Directors (and the Company shall provide the Observers with written notice of any such meeting as and when notice is given to the Directors), except that any such Observer may be excluded from the portion of any meeting of the Board and shall not be entitled to receive any materials or minutes of such meeting or relating to any written consent of the Board, in each case, to the extent necessary to maintain the attorney-client privileged status of such discussion or materials, as reasonably determined by the other members of the Board in good faith. No Observer shall have the right to vote on any matter that comes before the Board. Any Observer may be removed or replaced by the Member that has the right to appoint such observer, for any reason or no reason.

(h) *Confidentiality Agreement.* Each Director and Observer shall be required to enter into a customary confidentiality agreement with the Company.

If a quorum is not present at any meeting of the Board, the Directors present at such meeting may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present. If a Director is not present at two (2) consecutive meetings for which notice was duly given in accordance with the terms hereof, then the presence of such Director shall no longer be required to constitute quorum in the subsequent meeting following such two (2) consecutive adjourned meetings.

(c) *Notice; Waiver of Notice.* The Board shall meet at such times as may be necessary for the Company's business on at least forty-eight (48) hours' prior written notice from any Director to each Director including the time and place of such meeting, unless the person calling the meeting determines that shorter notice is necessary or appropriate to discuss matters requiring prompt action. Notice of any Board meeting may be waived by any Director either before or after such meeting.

(d) *Required Vote.* Each Director shall be entitled to one vote. All actions of the Board shall require the affirmative vote of a majority of the Directors at a duly called meeting at which a quorum is present. Any reference in this Agreement to the affirmative vote of a majority of the Directors shall be deemed to mean a majority of the votes cast by all Directors.

(e) *Meetings.* Meetings of the Board (including, any committees thereof) may be conducted in person or by conference telephone, videoconference facilities, or other communications equipment by means of which all the persons participating in the meeting can hear and communicate with each other at the same time. Each Director shall be entitled to participate in any meeting of the Board (whether or not conducted in person) by telephone.

(f) *Action by Written Consent.* Subject to Section 4.10, any action required or permitted to be taken at any meeting of the Board may be taken without a meeting if all Directors consent thereto in writing (including by use of electronic portable document format (.pdf), DocuSign or other equivalent alternatives).

(g) *Reimbursement.* The Company or one of its Subsidiaries shall reimburse each Director and Observer for the reasonable and documented out-of-pocket travel and accommodation costs incurred by such Director or Observer to attend meetings of the Board or a committee thereof or the board of directors (or similar governing body) of a Subsidiary of the Company.

(a) *General*.

(i) The officers of the Company shall initially include an Executive Chair and President and may include a CEO and CFO and other officers the Board may from time to time appoint. 4.8 No Fiduciary Duties.

(a) Except as otherwise expressly provided herein or in any written agreement entered into by such Person and the Company and to the maximum extent permitted by the Act, no present or former Director nor any such Director's Affiliates, employees, agents or representatives shall be liable to the Company or to any Member for any act or omission performed or omitted by such Person in its capacity as a Director; provided that, except as otherwise provided herein, such limitation of liability shall not apply to the extent the act or omission was attributable to such Person's fraud or bad faith as determined by a final judgment, order or decree of an arbitrator or a court of competent jurisdiction (which is not appealable or with respect to which the time for appeal therefrom has expired and no appeal has been perfected). Each Director shall be entitled to rely upon the advice of legal counsel, independent public accountants and other experts, including financial advisors, and any act of or failure to act by such Director in good faith reliance on such advice shall in no event subject such Person or any of such Person's Affiliates, employees, agents or representatives to liability to the Company or any Member.

(b) To the fullest extent permitted by the Act, and notwithstanding any other provision of this Agreement or in any agreement contemplated herein or applicable provisions of Law or equity, no Covered Person shall have any duties at law or in equity (including any fiduciary duties) to the Company or any Member or Director, or any other Person arising out of, relating to, or in connection with the Company, the conduct of the Company's business and affairs, or any action or omission taken or omitted to be taken, or consent or approval given or withheld, in each case, in such Person's capacity as a Covered Person, whether pursuant to this Agreement or otherwise; provided that the foregoing shall not eliminate the implied contractual covenant of good faith and fair dealing, to the extent applicable. To the fullest extent permitted by Law, each Member hereby acknowledges, agrees and consents to the foregoing waiver of duties (including fiduciary duties) and agrees not to make or threaten to make, and shall cause its controlled Affiliates not to make or threaten to make any claim or bring any action, suit or other proceeding or take any similar action, in each case alleging that any Covered Person shall have breached any such duty (including any fiduciary duty). Notwithstanding any provision to the contrary in this Section 4.8, nothing herein will limit any duties of any officer or employee of the Company or any of its Subsidiaries.

(c) Notwithstanding any other provision of this Agreement or any applicable provision of Law or in equity, whenever the Board or any Covered Person takes any action (or omits to take any action), or is permitted or required to make any decision or determination with respect to the Company or its business and affairs, whether pursuant to the terms of this Agreement or otherwise, then, to the fullest extent permitted by Law, the Board and each Covered Person shall be entitled to take such action (or omit to take such action), or to make such decision or determination, in its sole and absolute discretion, and shall be entitled to consider only such interests and factors as it desires, including its own interests, and shall have no duty or obligation (fiduciary or otherwise) to give any consideration to any interest of or factors affecting the Company, any of the Members, any of their respective Affiliates or any other Person, and shall not be subject to any other or different standards that may otherwise apply under applicable Law or in equity. For all purposes of this Agreement, each Covered Person (acting in its capacity as such) and the Board, acting on behalf of the Company or in connection with the Company's business and affairs, shall be conclusively presumed to be acting in good faith if such Person (or, in the case of the Board, a majority of the Directors participating in the decision) subjectively believe(s) that the action taken (or omitted to be taken), the consent or approval given or withheld, or the decision or determination made or not made, is in or is not opposed to the best interests of the Company.

4.9 Corporate Opportunities.

(a) None of the Members or any of their respective Permitted Transferees or any of the Directors (unless also an officer of the Company or any of its Subsidiaries (including members of the Investment Committee), then only in such capacity as an officer), nor any of their Affiliates, other equityholders or Representatives (the "Applicable Persons") shall have any duty to communicate or present an investment or business opportunity or prospective economic advantage to the Company in which the Company may otherwise have an interest or expectancy (a "Corporate Opportunity"). No Applicable Person shall be deemed to have breached any fiduciary or other duty or obligation to the Company by reason of the fact that any such Applicable Person pursues or acquires a Corporate Opportunity for itself, its Affiliates or its Permitted Transferees, directs, sells, assigns or transfers such Corporate Opportunity to another Person or does not communicate information regarding such Corporate Opportunity to the Company.

(b) The Company and each Member acknowledges that the Applicable Persons may be engaged in the business of investing in private and public companies in a wide range of industries, including the industry segment in which the Company and its Subsidiaries operate (the "Company Industry Segment"). Accordingly, the Company, its Subsidiaries, and the Members each acknowledge and agree that, without limiting Section 14.3 or any confidentiality agreement entered into between the Company or its Subsidiaries and any other Person, the Applicable Persons shall:

(i) have no duty to the Company or any other Member to refrain from participating as a director, investor or otherwise with respect to any company or other Person that is engaged in the Company Industry Segment or is otherwise competitive with the Company or any of its Subsidiaries, unless as otherwise set forth in any restrictive covenant agreement between the Company (or any of its Subsidiaries) and such Applicable Person; and

(ii) in connection with making investment decisions, to the fullest extent permitted by Law, have no obligation of confidentiality or other duty to the Company or any Members to refrain from using any general information, such as market trend and market data, which comes into the Applicable Persons' possession, whether as a director, investor or otherwise (the "Information Waiver"); provided that the Information Waiver shall not apply, and therefore such Member shall be subject to such obligations and duties of confidentiality as would otherwise apply to such Member under applicable Law, if the information at issue (A) constitutes nonpublic, confidential or proprietary information concerning the Company, any of its Subsidiaries or the business of the Company or its Subsidiaries or (B) to the extent covered by a contractual obligation of confidentiality to which the Company is a party. Notwithstanding anything in this Section 4.9(b)(ii) to the contrary, nothing herein shall be construed as a waiver of any Member's obligation of confidentiality with respect to the disclosure of confidential information of the Company or any of its Subsidiaries.

(c) Notwithstanding any other provision of this Agreement, any officer of the Company or any of its Subsidiaries (including members of the Investment Committee) who is also a director or officer of BBIO or its Subsidiaries (including members of BBIO's investment committee) (each, a "Specified Person") shall not have any duty to communicate or present a Corporate Opportunity to the Company.

(d) Notwithstanding Section 4.9(c), until the fifth (5th) anniversary of the Closing, each Specified Person shall (i)(A) present to BBIO and its investment committee any corporate opportunities with respect to the BBIO Indications (to the exclusion of the Company) (the "BBIO Indication Opportunities") and (B) present to the Company and its Investment Committee any business opportunities with respect to the Company Indications (to the exclusion of BBIO) (the "Company Indication Opportunities") and (ii) with respect to business opportunities that are neither BBIO Indication Opportunities nor Company Indication Opportunities (such business opportunities, "Whitespace Opportunities"), present first to the Board of Directors of BBIO, provided that any such Whitespace Opportunity (i) developed by a full-time employee of the Company without relying on BBIO or any of BBIO's intellectual property or confidential information or (ii) related to (A) GNAS – Fibrous dysplasia, (B) PMM2 – Congenital glycosylation disorder type Ia, (C) ADPKD – Autosomal dominant polycystic kidney diseases or (D) PRSS1 Inhibitor Pancreatitis, in each case, shall be excluded from the definition of "Whitespace Opportunities" and shall be presented first to the Company (the foregoing clause (d), the "Specified Corporate Opportunities Allocation"). The Specified Corporate Opportunities Allocation shall expire on the fifth (5th) anniversary of the Closing.

(e) Pursuant to the Transaction Agreement, during the five-year period following the Closing, the Board of Directors of BBIO shall have thirty (30) days from being presented a Whitespace Opportunity from a Specified Person to determine whether to pursue such Whitespace Opportunity, in its sole discretion (including to the exclusion of the Company), and if the Board of Directors of BBIO determines not to pursue such Whitespace Opportunity, or does not affirmatively determine to have BBIO pursue such Whitespace Opportunity within such thirty (30) day period, then the Board will be presented with and have the ability to pursue such Whitespace Opportunity.

(f) Any Person purchasing or otherwise acquiring any interest in any Units shall be deemed to have notice of and to have consented to the provisions of this Section 4.9.

4.10 Certain Member Approval Rights.

(a) Notwithstanding any other provision of this Agreement to the contrary (but without limiting the rights set forth in Section 4.3(b)(i) of this Agreement), without the prior written consent of each of Viking, Patient Square and BridgeBio for so long as such Member, together with such Member's Affiliates and Permitted Transferees, holds a Voting Unit Percentage of at least ten percent (10%), the Company shall not, and shall not permit any of its Subsidiaries to, and the Board shall not approve the Company or a Subsidiary, or any officer thereof, directly or indirectly, by amendment, merger, recapitalization, sale, consolidation or otherwise, to:

(iv) amend, modify, terminate or repeal the Certificate of Formation, this Agreement, or any of the other organizational documents of the Company or any of its Subsidiaries, in each case, in a manner that would (A) have a disproportionate and adverse effect on such Member, as compared to the other Members holding the same class of Units, as a collective, or (B) adversely alter any of the rights, privileges, preferences or obligations of such Member under this Agreement; provided, further, subject to compliance with Section 5.1(e) and Section 5.4, the authorization and issuance of additional Units at the direction of the Board and the amendment of this Agreement and Schedule A to reflect the terms of such additional Units, even if the issuance of such additional Units would have a dilutive effect on one or more classes of Units shall not, in and of itself, require approval under this Section 4.10(a)(iv);

(vi) create or make changes to composition or size of any committees of the Board;

(ix) approve any merger or other business combination or consolidation with any other Person or the sale, disposal, transfer or licensing of any material assets or businesses of the Company or its Subsidiaries, in each case, except in accordance with the sale rights described in Section 8.10 or in connection with a liquidation following a Suspension Period pursuant to Section 3.7(c);

(x) approve any sale, disposition, out-license or other monetization event of any material In-Scope Program, except in accordance with the sale rights described in Section 8.10 or in connection with a liquidation following a Suspension Period pursuant to Section 3.7(c);

(xi) appoint, terminate or replace the CEO;

(xii) enter into, amend or terminate any joint venture or partnership; or

(xiii) other than a Qualified IPO pursuant to Article IX, approve any initial bona fide underwritten public offering and sale of equity interests of any Subsidiary of the Company pursuant to an effective registration statement filed under the Securities Act of 1933, as amended, pursuant to which securities are to be listed on a national securities exchange or other public listing on an accredited exchange, whether by way of direct listing, merger with a special purpose acquisition vehicle or similar transaction.

The provisions of this Section 4.10 shall terminate upon the consummation of a Qualified IPO.

4.11 Reversion Rights. Subject to Section 4.3 and Section 4.10, in the event of a final decision by the Board to fully shut down and discontinue an In-Scope Program and not transfer it to a third-party for consideration determined in good faith by the Board to be reasonable or save it for a later date, as determined by the Board in good faith, BBIO will have the right to re-acquire such In-Scope Program (the “Reversion Rights”). The terms of such re-acquisition shall be subject to the mutual agreement of the Board and BBIO, and BBIO will be required to invest in such programs upon reversion to the extent determined by the Board of Directors of BBIO (in its sole discretion) at the time of the re-acquisition. In the event that the Board and BBIO, each acting reasonably and in good faith, are unable to reach mutual agreement on the terms of such re-acquisition within thirty (30) days, the Reversion Rights shall cease to apply to such In-Scope Program.

4.12 Insurance. As determined by the Board, the Company may maintain one or more key-person insurance policies for certain employees of the Company and/or its Subsidiaries with the Company as beneficiary of such policy. Such policy shall contain terms and conditions (including the amount of coverage and other similar matters) satisfactory to the Board. The Members shall cooperate reasonably with the Company, and shall use reasonable efforts to cause employees proposed to be or otherwise subject to any such key-person insurance policies to cooperate with the Company, in order for the Company to establish any such key-person insurance policies, including by submitting to reasonably required examinations and tests and by preparing, signing and delivering such applications, statements of health, and other documents as may be reasonably required. In addition, the Company shall purchase and at all times maintain customary directors’ and officers’ liability insurance to cover its and its Subsidiaries’ directors and officers in amounts satisfactory to the Board.

ARTICLE V CAPITAL STRUCTURE AND CONTRIBUTIONS

5.1 Capital Structure.

(a) *General*. Subject to the terms of this Agreement, the Company is authorized to issue equity interests in the Company designated as “Units”, which shall constitute limited liability company interests under the Act and shall include initially Class A Units and Class B Units (whether any such Units are issued on or after the date hereof). Subject to Section 5.4, the Board shall have the authority to cause the Company to issue such number of Units of any class, series or tranche as may be determined by the Board from time to time. The Company is authorized to issue options or warrants to purchase Units, restricted Units, Unit appreciation rights, phantom Units, and other securities convertible, exchangeable or exercisable for Units on such terms as may be determined by the Board from time to time. If the Board authorizes any subdivision, split, combination or reclassification of Units or any other similar action, if necessary or appropriate, the Board shall, acting in good faith, appropriately adjust the economic provisions of this Agreement to reflect such action, including by amending the distribution provisions of Section 6.4 and associated definitions. Other than as set forth in this Agreement or in the instruments governing the terms of any Units issued pursuant to this Section 5.1(a), each Unit shall be identical in all respects with each other Unit.

(b) *Class A Units.* The Class A Units shall have such rights to allocations and Distributions as may be authorized and set forth under this Agreement. The relative rights, powers, preferences, duties, liabilities and obligations of holders of the Class A Units shall be as set forth herein. Each holder of Class A Units shall be entitled to vote, in person or by proxy, on a *pro rata* basis in accordance with the Voting Unit Percentage for each Member as of the applicable date and time on all matters upon which Members have the right to vote as set forth in this Agreement and provided under the Act.

(c) *Class B Units.* The Company may provide for the issuance and terms of Class B Units as and when corresponding Management Holdco Class B Units are issued by Management Holdco representing, in the aggregate, up to twenty percent (20%), on a fully diluted basis (including after giving effect to the issuance of the total number of Class B Units) (the "Class B Limit"), of the sum of (A) the Class A Units of the Company outstanding as of the Closing and (B) the number of Class A Units issuable as a result of all Additional Capital Contributions being made in accordance with Section 5.1(e)(i) (such sum, the "Committed Equity Amount") to provide equity incentive compensation to selected Directors, officers, employees and other service providers of the Company and its Affiliates (including its Subsidiaries); provided, that ten percent (10%) of such Class B Units shall remain uncommitted and unallocated following the initial allocation of Class B Unit grants so that they may be granted following the Closing to Directors, officers, employees and other service providers of the Company; provided, further, that the maximum amount of Class B Units that can be Vested Class B Units at any given time shall be equal to the product of (1) the Class B Limit and (2) a fraction, the numerator of which is the sum of (x) the number of Class A Units of the Company outstanding as of the Closing and (y) the number of Class A Units issued as a result of Additional Capital Contributions that have been made as of such time, and the denominator of which is the Committed Equity Amount. It is the intention of the parties to this Agreement that each Class B Unit and each corresponding Management Holdco Class B Unit constitutes a Profits Interest. The Company shall have the authority to issue such number of Class B Units and corresponding Management Holdco Class B Units (subject to the Class B Limit) as the Company shall from time to time determine with such terms, conditions, rights and obligations, including forfeiture and repurchase, as may be determined by the Company as set forth herein, in the Management Holdco Operating Agreement and in the related Applicable Class B Unit Agreements pursuant to which any Management Holdco Class B Unit may be awarded; provided that each such Class B Unit and corresponding Management Holdco Class B Unit shall vest in equal annual installments over a four-year period from the date of grant. Members shall not have any voting rights with respect to their Class B Units. Subject to compliance with Section 13.1(a) of this Agreement, the Company shall be permitted to take all actions, including amending this Agreement, to the extent necessary or appropriate, to cause the Class B Units to be treated as Profits Interests for all U.S. federal income tax purposes and valued based on liquidation value or similar principles. Each Member shall respect any allocations of income to be made to any such Member even if such Class B Units are subject to risk of forfeiture. The Company and all Members will (A) treat such Class B Units as outstanding for tax purposes, (B) treat any holder of Class B Units as a Member of the Company for tax purposes with respect to such Class B Units and (C) file all tax returns and reports consistently with the foregoing.

(d) Section 83(b) Election. Notwithstanding any provision of this Agreement to the contrary, each Member shall execute and deliver a valid and timely election under Section 83(b) of the Code with respect to their Class B Units to both the Internal Revenue Service and the Company within thirty (30) days of the date of receipt of any Class B Units.

(i) Each Investor shall (A) if the Company has less than \$53,000,000 in cash on its balance sheet as of January 1, 2025, promptly following January 1, 2025 but in no event later than January 15, 2025, make an additional cash contribution of its *pro rata* portion of the amount equal to (x) \$53,000,000 *minus* (y) the amount of cash on the Company's balance sheet as of January 1, 2025 (the "Mandatory Cash Contributions") and (B) make additional cash contributions at such times as determined by the Board with at least ten (10) days' notice to such Investor ("Board Determined Cash Contributions") and together with the Mandatory Cash Contributions, the "Additional Cash Contributions", in each case, up to the aggregate amount of the total committed funding set forth opposite of such Investor's name on Schedule B (inclusive of the cash contribution made at the Closing and the Mandatory Cash Contribution) (the "Total Funding Commitments"), in each case, in exchange for additional newly issued Class A Units based on a per Class A Unit price of \$1.00 (the "Price Per Unit"); provided, that any additional Board Determined Cash Contribution shall be allocated pro rata among the Investors as of any date of determination according to a percentage determined by dividing (A) the number of Class A Units held by such Investor as of such date by (B) the aggregate number of Class A Units held by all of the Investors as of such date (assuming for this purpose that all Investors have timely funded all prior Additional Cash Contributions); provided, further, to the extent any portion of the Total Funding Commitments from each Investor remains uncalled by the Board as of immediately prior to the fifth (5th) anniversary of the Closing, then the funding obligation with respect to such remaining portion of the Total Funding Commitments from each Investor shall expire on the fifth (5th) anniversary of the Closing and no Investor shall have any further obligations in respect thereof.

(ii) Subject to the express provisions of this Agreement, including Section 5.1(e)(i) and Section 5.4, the Company is authorized to issue Units to any Person at such prices per Unit as may be determined by the Board to be the fair market value and in exchange for contributions of cash or property, the provision of services or other consideration (collectively, "Unit Consideration"), as may be determined in good faith by the Board. Subject to the express provisions of this Agreement, including Section 5.2 and Section 5.4, the number of Units held by each Member shall not be affected by any (A) issuance by the Company of Units to other Members or (B) change in the Capital Account of such Member. If necessary or appropriate in the Board's discretion (in accordance with this Agreement), the Board shall, acting in good faith, appropriately adjust the economic provisions of this Agreement to reflect the issuance of additional Units pursuant to this Section 5.1(e) that are of a new class not previously reflected in this Agreement, including by amending the distribution provisions of Section 6.4 and associated definitions.

(f) *Certificates; Legend.* In the sole discretion of the Board, the issued and outstanding Units may be represented by certificates. In addition to any other legend required with respect to a particular class, group or series of Units or pursuant to any other agreement among Members and the Company, each such certificate, if applicable, shall bear the following legend:

“THE UNITS REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO, AND MAY NOT BE SOLD, ASSIGNED, TRANSFERRED, GRANTED A PARTICIPATION IN OR REFERENCE UNDER A DERIVATIVES CONTRACT OR ANY OTHER ARRANGEMENT, PLEDGED, MORTGAGED, ENCUMBERED OR OTHERWISE DISPOSED OF (“TRANSFERRED”) WITHOUT COMPLYING WITH, THE PROVISIONS OF THE AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT, BY AND AMONG THE MEMBERS OF BRIDGEBIOX PHARMA, LLC (THE “COMPANY”), AS IT MAY BE AMENDED FROM TIME TO TIME, A COPY OF WHICH IS ON FILE WITH THE COMPANY. IN ADDITION TO THE RESTRICTIONS ON TRANSFER SET FORTH IN SUCH AGREEMENT, NO TRANSFER OF THE UNITS REPRESENTED BY THIS CERTIFICATE MAY BE MADE EXCEPT (A) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AND THE RULES AND REGULATIONS IN EFFECT THEREUNDER, AND ALL APPLICABLE STATE SECURITIES LAWS OR (B) IF SUCH TRANSFER IS PURSUANT TO AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE ACT. THE HOLDER OF THIS CERTIFICATE, BY ACCEPTANCE OF THIS CERTIFICATE, AGREES TO BE BOUND BY ALL OF THE PROVISIONS OF THE AFORESAID AGREEMENT.”

5.2 Defaulting Investor; Dilution.

(a) In the event that an Investor does not make, in whole or in part, any portion of its Additional Cash Contributions when due (such Investor, the “Defaulting Member”, and such amount, the “Defaulted Cash Contribution Amount”) on or before the date that such contribution is required to be made, such Defaulting Member shall have thirty (30) days from the day such contribution amount was originally due to cure such Defaulted Cash Contribution Amount (such period, the “Cure Period”).

(b) If the Defaulting Member fails to satisfy the Defaulted Cash Contribution Amount within the Cure Period then:

(i) interest shall accrue on the Defaulted Cash Contribution Amount at an annual rate equal to the Prime Rate from the due date until the date on which the Defaulted Cash Contribution Amount, together with accrued but unpaid interest thereon, is paid in full by the Defaulting Member to the Company; and

(ii) the Defaulting Member’s Preemptive Rights, voting rights and rights to participate in the management of the business of the Company (including to act as or appoint a Director, participation in any committee of the Board and other decisions relating to the Company or any of its Subsidiaries) shall be suspended and the Defaulting Member’s Units shall be deemed not to be outstanding for purposes of any voting or approval rights; provided that the Defaulting Member shall have the right to restore its governance rights by paying the Defaulted Cash Contribution Amount, together with accrued but unpaid interest thereon, to the Company on or prior to the date that is sixty (60) days after the end of the Cure Period.

(c) If Defaulting Member fails to satisfy the Defaulted Cash Contribution Amount, together with accrued but unpaid interest thereon, on or prior to the date that is sixty (60) days after the end of the Cure Period, then the Company shall reduce the number of Class A Units held by the Defaulting Member by the number equal to the product of (y) quotient of (A) Defaulted Cash Contribution Amount (together with accrued but unpaid interest thereon) *divided by* (B) the Price Per Unit, *multiplied by* (z) two (2); provided that the number Class A Units held by a Defaulting Member shall not be less than zero (0). Without limiting the foregoing, the Members agree that this Section 5.2 shall not be deemed to limit any other rights or remedies of the Company or any of its Affiliates under this Agreement.

5.3 Unit Schedule. The number and type of Units issued to Members shall be listed on Schedule A hereto, which shall be amended from time to time as required to reflect issuances of Units to Additional Members, Transfers of Units to Substitute Members, acquisition of additional Units by Members, repurchase of Units and to reflect the cessation or withdrawal of Members.

5.4 Preemptive Rights.

(a) *General.* If prior to a Qualified IPO, the Company or any of its Subsidiaries issues any (i) equity securities, (ii) debt securities or (iii) any securities exercisable for, or convertible or exchangeable into equity or debt securities of the Company or any of its Subsidiaries (all items referred to in clauses (i), (ii) and (iii) are collectively referred to as “Additional Securities”), each Member holding Class A Units (the “Applicable Holders”) shall have the right to purchase, upon the same terms and conditions (the “Preemptive Right”), up to its Preemptive Portion of such Additional Securities. Nothing in this Section 5.4 shall apply to any Excluded Issuance. Such Preemptive Right will be offered to each Applicable Holder by written notice (a “Participation Notice”) given by the Company to the Applicable Holders at least fifteen (15) days prior to the proposed issuance date specifying therein the amount of the Additional Securities being offered, the purchase price and other material terms and conditions of such offer (such offer, the “Offer”). Each Applicable Holder shall have a period of ten (10) days from and after the date of the Participation Notice within which to irrevocably accept such Offer in whole or in part (the “Preemptive Right Period”). If an Applicable Holder fails to give written notice to the Company within the Preemptive Right Period, such Applicable Holder shall be deemed to have declined such Offer. If any Applicable Holder or Applicable Holders fail to accept the Offer with respect to any Additional Securities in whole within the Preemptive Right Period (any such Additional Securities that were not accepted by such Applicable Holder or Applicable Holders, “Non-Exercised Securities”), then, promptly following the Preemptive Right Period, the Company will provide written notice (an “Undersubscription Notice”) to each Applicable Holder that did accept the Offer in whole with respect to the Additional Securities it was entitled to acquire in the Offer (each a “Fully-Exercising Applicable Holder”) and each such Fully-Exercising Applicable Holder will have a period of five (5) days following the date of the delivery of the Undersubscription Notice to irrevocably elect to purchase (in addition to the Additional Securities accepted pursuant to the Offer) up to a number of Non-Exercised Securities equal to the product of (A) the total number of Non-Exercised Securities *multiplied by* (B) a fraction, the numerator of which is such Fully-Exercising Applicable Holder’s Preemptive Portion and the denominator of which is the aggregate Preemptive Portions of all Fully-Exercising Applicable Holders. A Fully-Exercising Applicable Holder will be deemed to have declined such offer to purchase Non-Exercised Securities if it fails to give written notice to the Company of its acceptance of such offer within such five (5) day period. The procedures described in the two immediately preceding sentences shall be repeated, iteratively (with only those Applicable Holders who fully exercise their rights to acquire Non-Exercised Securities pursuant to the most recent Undersubscription Notice having the right to participate in any subsequent offer of remaining Non-Exercised Securities), until either all Additional Securities have been subscribed for, or no such Fully-Exercising Applicable Holders elect to purchase any remaining Non-Exercised Securities. All Non-Exercised Securities that any Fully-Exercising Applicable Holder so elects to acquire shall be deemed to be added to the Offer accepted by such Fully-Exercising Applicable Holder. Notwithstanding the foregoing, if the Company or any of its Subsidiaries offers Additional Securities and the Company is not able to comply with, or it would be commercially impracticable to comply with, the time period above prior to the closing of the issuance, with respect to such Additional Securities, the Company or such Subsidiary shall comply with its obligations to the Applicable Holders under this Section 5.4 as promptly as reasonably practicable following the closing of such issuance (in accordance with Section 5.4(e)).

(b) *Closing.* The closing with respect to any Additional Securities to be purchased by an Applicable Holder shall be held within thirty (30) days of the date of such Applicable Holder's election to purchase or on such other date as the Company and such Applicable Holder shall agree; provided, however, that the Company may, in its discretion, hold one closing with respect to the purchase of all Additional Securities on a date determined by the Company to be not less than fifteen (15) and not more than sixty (60) days after the last Applicable Holder or accepts or declines (or the applicable offer period expires with respect to) any Offer in connection with the same offering of Additional Securities.

(c) *Offer and Sale.* If any Additional Securities are not subscribed for pursuant to accepted Offers under Section 5.4(a), any of such Additional Securities not purchased pursuant to such Offer may be offered for sale and sold by the Company to any other Person as determined by the Board for a period of one hundred twenty (120) days from the last day of Preemptive Right Period, but only for an amount no lower than the price per Additional Security set forth in the initial Offer (and on other terms that are not materially more favorable to such other Person from those offered to the Applicable Holders) to the Applicable Holders made in accordance with this Section 5.4.

(d) *Securities Law Considerations.* In the event that the issuance of Additional Securities to an Applicable Holder would require under applicable Law the registration or qualification of such securities or of any Person as a broker or dealer or agent with respect to such securities where such registration or qualification is not otherwise required for such issuance, such Applicable Holder shall not have the right to participate in the issuance. Without limiting the generality of the foregoing, it is understood and agreed that neither the Applicable Holders nor the Company shall be under any obligation to effect a registration of such securities under the Securities Act or similar state statutes except as otherwise specifically provided herein.

(e) *Other Preemptive Rights Holder.* Notwithstanding anything to the contrary contained herein, in the event the Board determines in good faith that exigent circumstances exist with respect to complying with the mechanics of Section 5.4(a), 5.4(b) and 5.4(c), the Company may, in order to expedite the issuance of the Additional Securities subject to this Section 5.4 (the "Preemptive Securities"), issue all or a portion of such Additional Securities to one or more Persons (each an "Initial Subscribing Holder"), without complying with the provisions of this Section 5.4; provided that the Company agrees to offer to sell an additional amount of such Additional Securities to each Applicable Holder who is not an Initial Subscribing Holder (each such holder, an "Other Preemptive Rights Holder") in an amount and manner which provides such Other Preemptive Rights Holder with rights substantially similar to the rights outlined in Section 5.4(a), 5.4(b) and 5.4(c). Such Additional Securities shall be offered to the Other Preemptive Rights Holders in a manner such that such Other Preemptive Rights Holders shall be in substantially the same position as they would have been in if the preemptive rights process in Section 5.4(a) had been effected. The Company shall offer to sell such Additional Securities to each Other Preemptive Rights Holder within ten (10) days after the closing of the purchase or issuance of the Preemptive Securities by or to the Initial Subscribing Holder.

(f) *Further Assurances.* Each Applicable Holder shall take or cause to be taken all such reasonable actions as may be necessary or reasonably desirable in order to consummate expeditiously each issuance pursuant to this Section 5.4, including executing, acknowledging and delivering consents, assignments, waivers and other documents or instruments; filing applications, reports, returns, filings and other documents or instruments with Governmental Authorities, and otherwise reasonably cooperating with the Company and any prospective purchaser.

5.5 No Withdrawal of Capital Contributions. Except upon a dissolution and liquidation of the Company effected in accordance with Article X and XI, no Member shall have the right to withdraw its Capital Contributions from the Company.

5.6 No Other Capital Contributions. Except pursuant to Section 5.1(e)(i), no Member shall be obligated to make any cash or non-cash contribution to the Company's capital. Except with the approval of the Board and subject to compliance with Section 4.10 and Section 5.4, and except as pursuant to Section 5.1(e)(i), no Member shall be permitted to make any cash or non-cash contribution to the Company's capital.

5.7 Capital Accounts.

(a) The Company shall establish and maintain a separate capital account (each a "Capital Account") for each Member in accordance with Regulations Section 1.704-1(b)(2)(iv) and this Section 5.7(a) shall be interpreted and applied in a manner consistent with such regulations. No Member shall have any obligation to restore any portion of any deficit balance in such Member's Capital Account, whether upon liquidation of its interest in the Company, liquidation of the Company or otherwise. From and after the date of this Agreement, each Member's Capital Account shall be credited with (i) the amount of any money contributed by such Member to the capital of the Company, (ii) the Fair Market Value of any property contributed (or deemed contributed, whether by the terms of this Agreement or upon a determination by the Board) by such Member, as determined by the Board and the contributing Member at arm's length at the time of contribution (net of liabilities assumed by the Company or subject to which the Company takes such property), (iii) such Member's share of Net Profits (or items of income or gain) and (iv) the amount of any Company liabilities that are considered assumed by such Member or which are secured by any property distributed to such Member. Each Member's Capital Account shall be decreased by (x) the amount of any money actually distributed (or deemed distributed, including pursuant to Section 6.4), (y) the Fair Market Value of any property distributed to such Member at the time of distribution and (z) such Member's share of Net Loss (or items of loss, expense or deduction).

(b) If any Units or other interest in the Company (or portion thereof) is transferred in accordance with the terms of this Agreement, the transferee shall succeed to the Capital Account of the transferor to the extent such Capital Account is attributable to Transferred Units or other interest in the Company (or portion thereof).

ARTICLE VI ALLOCATIONS AND DISTRIBUTIONS

6.1 Allocations.

(a) *Allocations to Capital Accounts.* After giving effect to the allocations set forth in Section 6.1(b), the Net Profit and Net Loss of the Company, including each item of income, gain, loss, credit and deduction, for each Fiscal Year or other applicable period, shall be allocated among the Members in a manner such that the Capital Account of each Member, immediately after giving effect to such allocation, is, as nearly as possible, equal (proportionately) to (1) the amount of the distributions that would be made to such Member during such Fiscal Year or other applicable period if: (i) the Company were dissolved and terminated; (ii) its affairs were wound up and each Company asset was sold for cash equal to its Book Value (except that any Company asset that is sold in such Fiscal Year shall be treated as if sold for an amount of cash equal to the sum of (A) the amount of any net cash proceeds actually received by the Company in connection with such disposition and (B) the Book Value of any property actually received by the Company in connection with such disposition); (iii) all Company liabilities were satisfied (limited with respect to each nonrecourse liability to the Book Value of the assets securing such liability); (iv) all Unvested Class B Units became Vested Class B Units; and (v) the net assets of the Company were distributed in accordance with Section 11.1 to the Members immediately after giving effect to such allocation minus (2) such Member's share of Company Minimum Gain and Member Minimum Gain, computed immediately prior to the hypothetical sale of assets, and the amount any such Member is treated as obligated to contribute to the Company, computed immediately after the hypothetical sale of assets.

(b) The following special allocations shall be made in the following order prior to any allocations under Section 6.1(a):

(i) *Company Minimum Gain Chargeback.* Except as otherwise provided in Regulations Section 1.704-2(f), notwithstanding the provisions of Section 4.1, if there is a net decrease in Company Minimum Gain during any Fiscal Year, each Member shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Company Minimum Gain, determined in accordance with Regulations Section 1.704-2(g). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Regulations Sections 1.704-2(f)(6) and 1.704-2(j)(2). This Section 6.1(b)(i) is intended to comply with the partnership minimum gain chargeback requirement in Regulations Section 1.704-2(f) and shall be interpreted and applied consistently therewith.

(ii) *Member Minimum Gain Chargeback.* Except as otherwise provided in Regulations Section 1.704-2(i)(4), notwithstanding any other provision of this Article VI, if there is a net decrease in Member Minimum Gain attributable to a Member Nonrecourse Debt during any Fiscal Year, any Member with a share of that Member Minimum Gain attributable to such a Member Nonrecourse Debt (as determined under Regulations Section 1.704-2(i)(5)) as of the beginning of the year shall be allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member's share of the net decrease in Member Minimum Gain, determined in accordance with Regulations Section 1.704-2(i)(4). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Regulations Sections 1.704-2(f)(6) and 1.704-2(j)(2). This Section 6.1(b)(ii) is intended to comply with the partner minimum gain chargeback requirements in the Regulations and shall be interpreted and applied consistently therewith.

(iii) *Qualified Income Offset.* In the event any Member unexpectedly receives any adjustments, allocations, or distributions described in Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5) or (6), items of Company income and gain shall be specially allocated to such Member in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit as quickly as possible; provided, however, that an allocation pursuant to this Section 6.1(b)(iii) shall be made only if and to the extent that such Member would have an Adjusted Capital Account Deficit after all other allocations provided in this Article VI have been tentatively made as if this Section 6.1(b)(iii) were not in this Agreement. This Section 6.1(b)(iii) is intended to comply with the qualified income offset provision in Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted and applied consistently therewith.

(iv) *Gross Income Allocation.* In the event any Member has a deficit Capital Account at the end of any Fiscal Year that is in excess of the amount that such Member is deemed to be obligated to restore pursuant to the penultimate sentences of Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5), each such Member shall be specially allocated items of Company income and gain in an amount and manner sufficient to eliminate such deficit as quickly as possible; provided, however, that an allocation pursuant to this Section 6.1(b)(iv) shall be made only if and to the extent that such Member would have a deficit Capital Account in excess of such sum after all other allocations provided in this Article VI have been tentatively made as if Section 6.1(b)(iii) and this Section 6.1(b)(iv) were not in this Agreement.

(v) *Nonrecourse Deductions.* Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Members in proportion to their ownership of Class A Units and each Member's share of excess Nonrecourse Debt shall be allocated in the same manner.

(vi) *Member Nonrecourse Deductions.* Member Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Member who bears the economic risk of loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Regulations Section 1.752-3. If more than one Member bears the economic risk of loss for a Member Nonrecourse Debt, any Member Nonrecourse Deductions attributable to that Member Nonrecourse Debt shall be allocated among the Members according to the ratio in which they bear the economic risk of loss.

(vii) *Limitation on Allocation of Net Loss.* To the extent that any allocation of Net Loss (or items of loss or deduction) would cause or increase an Adjusted Capital Account Deficit as to any Member, such allocation of Net Loss (or items of loss or deduction) shall be reallocated to the holders of Class A Units in accordance with their respective Percentage Interests as determined by the Company, subject to the limitations of this Section 6.1(b)(vii).

(viii) *Code Section 754 Adjustments.* To the extent an adjustment to the adjusted tax basis of any Company asset pursuant to Code Sections 734(b) or 743(b) is required following an election pursuant to Section 7.3(a), pursuant to Regulations Sections 1.704-1(b)(2)(iv)(m)(2) or (4), to be taken into account in determining Capital Accounts as a result of a distribution to a Member in complete liquidation of its interest in the Company, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis), and such gain or loss shall be specially allocated to the Members in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such Sections of Regulations.

(c) *Construction.* If the Board determines that it is necessary or appropriate to modify the manner in which the balances of the Capital Accounts are computed or the items of Net Profits and Net Losses are determined in order to comply with the requirements of Section 704(b) of the Code and the Regulations promulgated thereunder, the Board may make such modification.

6.2 Tax Allocations.

(a) Items of Company income, gain, loss and deduction shall be allocated, for United States federal, state, and local income tax purposes, among the Members in the same manner as the items of income, gain, loss and deduction were allocated pursuant to the other sections of this Article VI; provided, however, that notwithstanding any other provision of this Agreement, the Company shall cause income, gain, loss and deductions (including any depreciation and/or cost recovery deductions) attributable to property contributed by a Member or revalued by the Company to be allocated among the Members for income tax purposes in accordance with Code Section 704(c) and Regulations promulgated thereunder using the traditional allocation method described in Treasury Regulations Section 1.704-3(b). Subject to the preceding sentence, the Board shall make such allocations for tax purposes, including allocations required under Code Section 704(c) and Regulations promulgated thereunder, as it determines in its reasonable discretion to be appropriate to ensure allocations are made in accordance with a Member's interest in the Company.

(b) Allocations pursuant to this Section 6.2 are solely for purposes of United States federal, state, and local tax purposes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of items of income, gain, loss and deduction.

(c) The Members are aware of the tax consequences of the allocations made by this Section 6.2 and agree to be bound by the provisions of this Section 6.2 in reporting their shares of items of Company income, gain, loss and deduction.

(d) In the event there is any change of a Member's interest in the Company during any Fiscal Year, Net Profit and Net Loss of the Company and other items of income, gain, loss and deduction of the Company attributable to such Member's interest for such Fiscal Year shall be determined using the interim closing of the books method.

6.3 No Right to Distributions. No Member shall have the right to demand or receive Distributions of any amount, except as expressly provided in this Article VI.

6.4 Distributions. Subject to Section 4.10 and Section 6.6, the Company shall make distributions to the Members at the discretion of the Board or promptly following the receipt of proceeds from a Liquidity Event in which the Company receives proceeds of such Liquidity Event (and upon the occurrence of a Liquidity Event, all amounts received by the Company from such Liquidity Event reduced by existing liabilities and expenses of the Company and a reasonable reserve established by the Board for future liabilities and expenses), such amount to be distributed or paid in the following order and priority:

(a) first, to the Class A Holders in proportion to their Unreturned Capital in respect of such Class A Units, until such time as they have received cumulative Distributions under this Section 6.4(a) equal to all of their Capital Contributions, and no Distribution shall be made pursuant to paragraphs (b), (c) or (d) below until the aggregate Unreturned Capital of all Class A Units is equal to zero;

(b) second, to the Class A Holders in proportion to their unpaid Priority Returns until such time as they have received cumulative Distributions under this Section 6.4(b) equal to their Priority Return, and no Distribution shall be made pursuant to paragraphs (c) or (d) below until the full amount of all Priority Returns have been distributed to all Class A Holders;

(c) third, except as provided below in Section 6.5, to Management Holdco in respect of its Class B Units until such time as it has received in respect of such Class B Units an amount equal to (i) the Class B Percentage multiplied by (ii) the sum of (1) all Distributions to the Class A Holders pursuant to Section 6.4(b) and (2) all Distributions pursuant to this Section 6.4(c); and

(d) thereafter, except as provided below in Section 6.5, to the Members *pro rata* in accordance with their respective Percentage Interests.

In connection with any Liquidity Event pursuant to which all or some of the Units are sold or transferred directly to one or more purchasers, any proceeds payable to the Persons that were Members as of immediately prior to the consummation of such Liquidity Event shall be allocated and paid to the Members in accordance with the order and priority set forth in this Section 6.4.

(a) Notwithstanding anything to the contrary set forth in this Agreement, each holder of Class B Units shall be entitled to participate in Distributions pursuant to Section 6.4 only after cumulative Distributions to Class A Units and Class B Units with a lower Distribution Hurdle pursuant to this Agreement exceed the Distribution Hurdle applicable to such Class B Unit (each Class B Unit that has become entitled to participate in Distributions in accordance with this Section 6.5(a), a “Participating Class B Unit”).

(b) Notwithstanding anything to the contrary set forth in this Agreement, a Member holding an Unvested Class B Unit shall only be entitled to receive a Distribution in respect of such Unvested Class B Unit in an amount equal to the Tax Distributions (if any) made with respect to such Unvested Class B Unit, in accordance with Section 6.6. The amount of any Distributions that, but for the preceding sentence, would be made in respect of Unvested Class B Units pursuant to Section 6.4 shall instead be made to the Members holding Class A Units and Vested Class B Units that are Participating Class B Units in accordance with their respective Percentage Interests. Following the vesting of any Unvested Class B Unit (such that it becomes a Vested Class B Unit), the Management Holdco Class B Holder holding such Vested Class B Unit shall thereafter be entitled to receive a “catch up distribution” from any funds being distributed under Section 6.4, at the time such funds are distributed and before any other amounts are distributed pursuant to Section 6.4, of the amount such Management Holdco Class B Holder would have received if such Vested Class B Units were vested on their date of grant.

(c) The Members acknowledge that Class B Units that are not Participating Class B Units may become Participating Class B Units as a result of distributions to Class A Holders under Section 6.4(b). Such Class B Units shall only be entitled to receive distributions under Section 6.4(c) with respect to the distributions to the Class A Holders under Section 6.4(b) after such time as such Class B Units became Participating Class B Units. In addition, no distributions will be made under Section 6.4(c) with respect to any Unvested Class B Units which became Vested Class B Units as a result of distributions under Section 6.4(c). Any distributions not distributable to Class B Units pursuant to this Section 6.5(c) shall not otherwise be distributed with respect to Class B Units under Section 6.4(c).

6.6 Tax Distributions. Notwithstanding any other provision herein to the contrary, so long as the Company is treated as a partnership for federal income tax purposes, the Company shall, subject to having cash available after taking into account reserves as reasonably determined in the good-faith discretion of the Board and subject to Section 6.8, make quarterly advance cash distributions to each Member in an amount equal to the Member’s Quarterly Estimated Tax Amount for such quarter (“Tax Distributions”), and the Board shall use reasonable best efforts to cause such Tax Distributions to be made at least five (5) days before estimated U.S. federal income tax payments for individuals are due. If, on the date of a quarterly estimated distribution, the cash available to the Company (as determined in the good-faith discretion of the Board) is not sufficient to distribute to each Member the full amount of such Member’s Tax Distribution that would otherwise be required under this Section 6.6, then (A) distributions shall be made by the Company to the Members pursuant to this Section 6.6 to the extent of the cash so available in proportion to the amounts that would have been distributed to each Member pursuant to this Section 6.6 if there had been a sufficient amount of cash available to the Company to make such Tax Distribution in full, (B) the Company shall make future distributions as soon as reasonably practicable following the date on which there exists an amount of cash available to the Company after taking into account reserves as determined in the good-faith discretion of the Board sufficient to pay the remaining portion of such Member’s required Tax Distribution and (C) the Company shall not, until the remaining portion of each such Member’s required Tax Distribution is so distributed, make a Distribution other than pursuant to this sentence. The Company shall make commercially reasonable efforts to ensure that any financing documents allow for full Tax Distributions. Each Tax Distribution made to a Member pursuant to this Section 6.6 shall be treated as an advance against, and thus reduce, the amount of the next succeeding Distribution or Distributions which would otherwise have been paid to such Member pursuant to Section 6.4 or Section 11.1, if applicable.

6.7 Withholding. The Company at all times shall be entitled to make payments with respect to each Member in amounts required to discharge any obligation of the Company to withhold or make payments to any U.S. federal, state, local or foreign taxing authority with respect to any distribution or allocation of income or gain or otherwise with respect to such Member and to withhold (or deduct) the same from distributions to such Member. Any funds withheld from a distribution or paid in respect of a Member (including related tax credits or benefits to which such Member may be entitled as a result of any payment by the Company to any taxing authority and the portion of any imputed underpayment (as determined under Code Section 6225) attributable to such Member) by reason of this Section 6.7 shall be treated as actually distributed to such Member for all purposes of this Agreement. If the Company makes any payment to a taxing authority in respect of a Member (including the portion of any imputed underpayment (as determined under Code Section 6225) attributable to such Member) that is not withheld from actual distributions to the Member, then the Member shall indemnify and reimburse the Company for the amount of such payment (including any interest, penalties and related expenses), on demand. The amount of a Member's indemnification and reimbursement obligations under this Section 6.7, to the extent not paid, shall bear interest at a rate of the Prime Rate as of such due date, and shall be deducted from the distributions to such Member; any amounts so deducted shall constitute a repayment of such Member's obligation hereunder. Each Member's indemnification and reimbursement obligations under this Section 6.7 shall survive a transfer by such Member of its interest in the Company, a withdrawal by such Member and a winding up or dissolution of the Company. Each Member agrees to furnish the Company with any representations, forms, documentation and other information reasonably requested by the Company to assist it in determining the extent of, and in fulfilling, any withholding obligations it may have. Each Member agrees to indemnify and hold harmless the Company and the other Members from and against any liability with respect to taxes, interest, penalties and related expenses that may be asserted by reason of the failure to deduct and withhold tax on amounts distributable or allocable to such Member. Any amount payable as indemnity hereunder by a Member will be paid promptly to the Company or such other Member, as applicable, and if not so paid, the Company will be entitled to retain or otherwise offset any distributions due to such Member for all such amounts. Any income taxes, penalties and interest payable by the Company (including any entity-level tax incurred by the Company and creditable against an individual's personal tax liability, including, but not limited to, state taxes described in Internal Revenue Service Notice 2020-75) shall be treated as specifically attributable to the Members and shall be allocated among the Members such that the burden of (or any diminution in distributable proceeds resulting from) any such taxes, penalties or interest is borne by those Members to whom such amounts are specifically attributable (whether as a result of their status, actions, inactions or otherwise), in each case as reasonably determined by the Board, which shall take into account for this purpose any special tax treatment or status of a Member or its indirect owners.

6.8 Restrictions on Distributions. Notwithstanding anything to the contrary provided herein, no Distribution or Tax Distribution shall be made if, and for so long as, such Distribution or Tax Distribution would violate (x) any Law then applicable to the Company or (y) any contractual covenant or agreement between the Company or any of its Subsidiaries and any third-party lender or other *bona fide* third-party source of financing.

6.9 Determinations by the Board. Notwithstanding anything to the contrary in this Agreement (other than Section 6.2), in the event the Board determines that it would be prudent to modify the manner in which the Capital Accounts and the allocation of net income or loss (including items thereof, and other tax items) are computed in order to effectuate the intended economic sharing arrangement of the Members or to comply with Section 704 and the Regulations thereunder, the Board may make such modification; provided that, to the extent such a modification has a material disproportionate economic impact on an Investor, the Board shall provide reasonable advance written notice to such impacted Investor of the intended modification (together with any written analysis and information available substantiating such modification) and provide such Investor with a reasonable opportunity to comment on such modification.

ARTICLE VII ACCOUNTS

7.1 Books. The Board shall cause to be maintained complete and accurate books of account of the Company's affairs at the Company's principal place of business. Such books shall be kept on such method of accounting as the Board shall select. For purposes of the Company's financial statements, the Company's assets and liabilities and statements of operations and cash flows shall be prepared in conformity with GAAP. The Company's accounting period shall be as determined by the Board. The books of account of the Company shall be closed after the close of each Fiscal Year.

7.2 Information Rights.

(a) For so long as a Member owns any Class A Units, the Company shall afford such Member and its Representatives access during normal business hours to (i) the Company's and its Subsidiaries' properties, (ii) the corporate, financial and similar records, reports and documents of the Company and its Subsidiaries, including all books and records and (iii) any officers and senior employees of the Company or its Subsidiaries and provide such Member and its Representatives the opportunity to discuss the affairs, finances and accounts of the Company with such officers and senior employees, in each case, (y) for the proper business purposes related to the Company and its Subsidiaries or in order to comply with applicable Law and (z) in such manner as to not interfere with the normal business operations of the Company and its Subsidiaries.

(b) For so long as a Member owns any Class A Units, the Company shall deliver or cause to be delivered to such Member:

(i) within one hundred and twenty (120) days after the end of each Fiscal Year (or such longer period of time as is approved by the Board), an audited consolidated balance sheet of the Company and its Subsidiaries as of the end of such Fiscal Year and the related consolidated income statement, consolidated statement of Members' equity and consolidated statement of cash flows including all footnotes thereto for such Fiscal Year prepared in accordance with GAAP, consistently applied; and

(ii) within sixty (60) days after the end of each quarterly accounting period, an unaudited consolidated balance sheet of the Company and its Subsidiaries as of the end of such quarterly accounting period and an unaudited related consolidated income statement, consolidated statement of Members' equity and consolidated statement of cash flows for such quarterly accounting period prepared in accordance with GAAP (excluding footnotes and normal year-end adjustments), consistently applied.

(c) Each applicable Member shall (i) bear all expenses incurred in any examination requested by such Member and (ii) obtain written confidentiality agreements in customary form from any agent, employee or certified public accountant auditing or examining the books of account of the Company or its Subsidiaries pursuant to this Section 7.2.

(d) Notwithstanding anything to the contrary in this Section 7.2, the Company shall not be obligated to provide any Member with access to any information to the extent the Board reasonably believes that disclosure would violate applicable Law, or impair attorney-client or other legal privilege; provided that, the Company and the requesting Member shall cooperate in good faith to permit disclosure of such information in a manner that does not result in such a violation, breach or impairment.

7.3 Tax Matters.

(a) The Company shall arrange for the preparation of all income and other Tax Returns of the Company and shall cause the same to be filed in a timely manner. For each Fiscal Year for which the Company is treated as a partnership for U.S. federal income tax purposes, the Company shall use reasonable best efforts to furnish to each Member, an IRS Schedule K-1 (or any successor form and any corresponding form and schedule required to be issued under state or local income tax law) with respect to such Member no later than March 15 following each tax year (other than the first tax year of the Company) and shall furnish such IRS Schedule K-1 (or any successor form and any corresponding form and schedule required to be issued under state or local income tax law) to such Member no later than March 31 following each tax year; provided, that with respect to any Fiscal Year in which the Company disposes of an interest in any of its Subsidiaries, the Company shall make commercially reasonable efforts to furnish an IRS Schedule K-1 (or any successor form and any corresponding form and schedule required to be issued under state or local income tax law) with respect to each Member no later than March 31 following each tax year and otherwise shall do so as soon thereafter as is reasonably practicable. In addition, the Company shall use reasonable best efforts to provide, to the extent reasonably available, such other information as a Member may reasonably request for purposes of complying with tax reporting requirements applicable to such Member. Except as otherwise provided in Section 4.10 and Section 9.2(c), at the discretion of the Board, the Company shall be entitled to make any tax elections allowed under the Code or the tax laws of any state or other jurisdiction having taxing jurisdiction over the Company and monitor any governmental tax authority in any audit that such authority may conduct of the Company's books and records or other documents. The Company shall, if requested by a Member, elect, in accordance with Code Section 754, to adjust basis in the event any interest of the Company is transferred in accordance with this Agreement or any Company property is distributed to any Member.

(b) At the request of the Company, each Member shall, to the extent it is reasonably able to, provide the Company with such information, representations, waivers, certificates, duly completed forms and other documentation as is reasonably necessary for the Company or its Affiliates to comply with any withholding, reporting or other tax obligation; provided that, notwithstanding anything to the contrary in this Agreement, no Member shall be required to provide information with respect to any direct or indirect owner of such Member, except to the extent that such information is reasonably available to the applicable Member, is not subject to any non-disclosure restrictions imposed by contractual obligations or policies of the applicable Member, and such information is necessary for the Company and/or its Subsidiaries to comply with any applicable tax filing obligations (including determining whether any Subsidiary of the Company has had an “ownership change” within the meaning of Section 382 of the Code and the Treasury Regulations issued thereunder).

(c) The Members intend that the Company shall be treated as a partnership for federal, state and local income and franchise tax purposes, and the Company shall not elect, and the Board shall not permit the Company to elect, to be treated as an association taxable as a corporation for federal, state or local income tax purposes under Regulations Section 301.7701-3 or under any corresponding provision of state or local law. Each Member and the Company shall file all Tax Returns consistent with such treatment. This characterization, solely for such tax purposes, does not create or imply a general partnership among the Members for any other purpose.

(d) BridgeBio shall act as the “partnership representative” as defined in Section 6223 of the Code (or corresponding provisions of state or local law) (the “Partnership Representative”) in connection with any tax audit or other tax proceeding, and shall appoint an individual to act as a “designated individual” on behalf, and subject to the direction and control of, the Partnership Representative in accordance with Treasury Regulation 301.6223-1. The Partnership Representative shall have the power and authority to perform in such capacity those duties as may be required to be performed by the “partnership representative” under the Code (and in any similar capacity under state or local Law), and to expend Company funds for reasonable out-of-pocket professional services and costs associated therewith. The Partnership Representative shall advise and consult with the Board from time to time regarding the status of tax-related elections, investigations, proceedings and negotiations with Governmental Authorities.

(e) If the Company becomes the subject of any audit, assessment or other examination relating to taxes by any tax authority or any judicial or administrative proceedings relating to taxes (a “Tax Audit”), each Member agrees to cooperate with the Board and the Partnership Representative and to do or refrain from doing any or all things reasonably required by them to conduct such Tax Audit (including to implement any modifications to any imputed underpayment or similar amount under Section 6225(c) of the Code, any elections under Sections 6221 or 6226 of the Code and any administrative adjustment request under Section 6227 of the Code)). The Partnership Representative shall provide each Member with any information reasonably requested by such Member with respect to such Tax Audit; provided that the Partnership Representative shall not settle any such Tax Audit without a Member’s prior written consent if such Member would be materially, disproportionately and adversely impacted by such settlement of such Tax Audit (as reasonably determined by the Board).

(f) Notwithstanding other provisions of this Agreement to the contrary, if any “partnership adjustment” (as defined in the Code) is determined with respect to the Company and the Partnership Representative has not caused the Company to elect pursuant to Section 6226 of the Code to have such adjustment passed through to the Members for the year to which the adjustment relates, then any “imputed underpayment” (as determined in accordance with Section 6225 of the Code) or “partnership adjustment” that does not give rise to an “imputed underpayment” shall be apportioned among the Members of the Company for the taxable year in which the adjustment is finalized in such manner as may be necessary (as determined by the Partnership Representative in good faith after consulting with the Company’s accountants, tax return preparers or other advisers, taking into account any differences in the amount of taxes attributable to each Member because of such Member’s status, nationality or other characteristics) so that, to the maximum extent possible, the tax and economic consequences of the partnership adjustment or imputed underpayment are borne by the Members in the same manner as they would have been borne had the adjustment or imputed underpayment been properly reflected on the Company’s tax returns for the year(s) to which the adjustment relates. In furtherance of the foregoing, in the event the Company is liable for any “imputed underpayment” which is apportioned to a Member under the foregoing rules for the applicable year, such Member shall promptly reimburse the Company for such amount and such reimbursement shall not be considered a Capital Contribution to the Company by such Member. The Partnership Representative shall use commercially reasonable efforts to provide to such Member information allowing such Member to file an amended federal income tax return or to follow an alternative procedure to filing an amended federal income tax return, as described in Section 6225(c)(2)(B) of the Code.

(g) The Company shall use reasonable best efforts to cause the Company (i) not to engage in any activity that would cause a Member (or any direct or indirect beneficial owner thereof, as applicable) that is not a United States person within the meaning of Code Section 7701(a)(30) (A) to recognize, solely as a result of its status as a Member (or any direct or indirect owner thereof, as applicable) of the Company, income that is “effectively connected with the conduct of a trade or business within the United States” within the meaning of Code Section 864(c) of the Code, or (B) to be treated as engaged in a “trade or business within the United States” within the meaning of Section 864(b) of the Code, (ii) not to engage in any activity that would cause a Member (or any direct or indirect beneficial owner thereof, as applicable) to be treated as engaged in commercial activities or recognize income that is treated as derived from the conduct of any commercial activity, in each case within the meaning of Section 892 of the Code and (iii) not to engage in any conduct that would cause a Member (or any direct or indirect beneficial owner thereof, as applicable), shall be deemed to have “unrelated business taxable income” as defined in Section 512 of the Code (including pursuant to the application of Section 514 of the Code). The Company shall provide the Members with timely written notice if the Company reasonably believes the Company may be treated as engaged in any activity described in the immediately preceding sentence. The Members acknowledge and agree that the actions and activities of the Company contemplated as of the date of this Agreement are not inconsistent with the foregoing limitations on the activities of the Company.

(h) At the reasonable written request of any Member, the Company shall use commercially reasonable efforts to promptly provide such Member with any certificate reasonably necessary to mitigate any tax withholding obligations pursuant to a Transfer, including pursuant to Section 1445 or Section 1446 of the Code.

7.4 Fiscal Year. The fiscal year of the Company (the “Fiscal Year”) for financial statement and federal income tax purposes shall end on December 31 of each calendar year, except as otherwise may be required under Code Section 706 and the Regulations thereunder.

7.5 Initial Budget. The Company’s budget from the date hereof through the end of calendar year 2025 is set forth on Schedule C (the “Initial Budget”).

ARTICLE VIII TRANSFER OF UNITS IN THE COMPANY

8.1 Prohibition.

(a) *Class A Units*. Without the prior written consent or approval of a majority of the entire Board, prior to the earlier of (i) five (5) years following the Closing or (ii) a Qualified IPO (the “Lock-Up Period”), each Member and any Assignee or Permitted Transferee shall not, directly or indirectly, Transfer any Class A Units or any right or interest therein, other than Transfers (A) of such Class A Units to a Tag-Along Purchaser pursuant to Section 8.9, (B) of Drag-Along Units to a Drag-Along Purchaser pursuant to Section 8.10, or (C) of such Class A Units to a Permitted Transferee of such Member (or such Assignee or Permitted Transferee) in accordance with this Section 8.1.

(b) Any attempted Transfer of Units by any Member, other than in strict accordance with this Article VIII, shall be null and void *ab initio* and the purported transferee shall have no rights as a Member or Assignee hereunder, and the Company shall not record such Transfer on its books or treat any purported transferee of such Units as the owner of such units for any purpose. No Member shall avoid the provisions of this Agreement by making one or more Transfers to one or more Permitted Transferees and then disposing of all or any portion of such party’s interest in any such Permitted Transferee, and any Transfer or attempted Transfer in violation of this covenant shall be null and void *ab initio*.

(c) If any Member wishes to Transfer Units to a Permitted Transferee, such Member shall give written notice to the Company of their intention to make such a Transfer not less than ten (10) days prior to effecting such Transfer, which notice shall state the name and address of each Permitted Transferee to whom such Transfer is proposed, the relationship of such Permitted Transferee to such Member and the number of Units proposed to be Transferred to such Permitted Transferee. In connection with any such Transfer, the Permitted Transferee must, prior to any such Transfer, have agreed in writing to be bound by the provisions of this Agreement and have executed and delivered a joinder agreement substantially in the form set forth on Exhibit A (a “Joinder Agreement”) and such other documents that may be reasonably requested by the Company. Except as otherwise determined by the Board, it shall be a condition precedent for admittance (and continued admittance) of any natural Person as a party to this Agreement that the spouse of such natural Person execute and deliver to the Company a Spousal Consent, substantially in the form set forth on Exhibit B (a “Spousal Consent”).

(d) *Class B Units*. Without the prior written consent or approval of a majority of the entire Board, during the Lock-Up Period, each Member and any Assignee or Permitted Transferee shall not, directly or indirectly, Transfer any Class B Units or any right or interest therein, other than Transfers (i) of Drag-Along Units to a Drag-Along Purchaser pursuant to Section 8.10 or (ii) of such Class B Units to a Permitted Transferee of such Member (or such Assignee or Permitted Transferee) in accordance with this Section 8.1. Management Holdco shall not cause or permit any Transfer of any Class B Units or Corresponding Management Holdco Units, except for Transfers of Class B Units or Corresponding Management Holdco Units to the extent permitted by the terms of this Agreement, of the Management Holdco Operating Agreement (to the extent consistent with the terms of this of this Agreement) or the Applicable Class B Unit Agreement, including pursuant to a forfeiture, cancellation or repurchase provision of the Applicable Class B Unit Agreement.

(e) *Permitted Transfer*. Any Transfer permitted under this Section 8.1 is referred to herein as a “Permitted Transfer”.

(f) *Qualified IPO*. This Section 8.1 shall terminate upon the consummation of a Qualified IPO; provided that, any subsequent lock-up period, if applicable, will be determined in accordance with Section 9.3(b).

8.2 Conditions to Permitted Transfers.

(a) Without limiting the restrictions on Transfers and other terms of Section 8.1, a Member shall be entitled to make a Permitted Transfer only upon satisfaction of each of the following conditions, unless waived by the Board:

(i) such Transfer does not require the registration or qualification of such Units pursuant to any applicable federal or state securities Laws;

(ii) such Transfer does not result in a violation of applicable Laws;

(iii) such Transfer would not cause the Company to become, with respect to any employee benefit plan subject to Title I of ERISA, a “party-in-interest” (as defined in ERISA Section 3(14)) or a “disqualified person” (as defined in Code Section 4975(c));

(iv) such Transfer would not, in the opinion of legal counsel to the Company, cause any portion of the assets of the Company to constitute assets of any employee benefit plan pursuant to Department of Labor Regulations Section 2510.2-101;

(v) such Transfer is in compliance with, and does not cause the Company to lose, its status as a partnership for federal, and, where applicable, state and local, income tax purposes;

- (vi) such Transfer is not made to any Person who lacks the legal right, power or capacity to own Units;
- (vii) such Transfer does not create a material risk that the Company would become a “publicly traded partnership” that would be subject to tax as a corporation for U.S. federal income tax purposes;
- (viii) such Transfer does not cause the Company to become a reporting company under the Exchange Act; and
- (ix) such Transfer does not subject the Company to regulation under the Investment Company Act of 1940 or the Investment Advisers Act of 1940.

(b) Notwithstanding anything in Section 8.2(a) to the contrary, none of the conditions set forth in Section 8.2(a) shall apply to the following types of Transfers by Members: (i) any Transfer of Units or other securities of the Company to a Company Offeror that is formed for the purpose of engaging in a Qualified IPO or that otherwise acts as the issuer in a Qualified IPO, (ii) any Transfer in a Qualified IPO of Units or other securities of any Company Offeror that is formed for the purpose of engaging in a Qualified IPO or that otherwise acts as the issuer in a Qualified IPO, (iii) any Transfer of Units in connection with a Conversion Transaction, (iv) any Transfer of Units pursuant to Section 8.8, (v) any Transfer of Class A Units to a Tag-Along Purchaser pursuant to Section 8.9, (vi) any Transfer of Units to a Drag-Along Purchaser pursuant to Section 8.10 or (vii) any Transfer of Class B Units pursuant to a forfeiture, cancellation or repurchase provision of the Applicable Class B Unit Agreement.

8.3 Effect of Transfers.

(a) Upon any Transfer effected in compliance with this Article VIII (other than Permitted Transfers to a Permitted Transferee), the Assignee of the Transferred Units shall be entitled to receive the Distributions and allocations of income, gain, loss, deduction, credit or similar items to which the transferring Member would be entitled with respect to such Units, but shall not be entitled to exercise any of the other rights of a Member with respect to the transferring Member’s Units, including the right to vote, unless and until such Assignee is admitted to the Company as a Substitute Member pursuant to Section 8.5.

(b) Upon any Permitted Transfer to a Permitted Transferee, the Assignee of the Transferred Units shall be entitled to all rights of the transferor with respect to the Transferred Units and shall become a Substitute Member hereunder subject to such Permitted Transferee’s compliance with Section 8.1(c), Section 8.2 and Section 8.5.

8.4 Admission of Additional Members. A Person shall become an Additional Member pursuant to the terms of this Agreement only if and when each of the following conditions is satisfied:

- (a) the Board approves such Person’s admission;
- (b) the Board determines the nature and amount of the Unit Consideration to be paid by such Person to the Company (if any);

(c) the Company has received such Person's Unit Consideration payable to the Company (if any); and

(d) the Company receives written instruments, including a Joinder Agreement and, to the extent applicable, a Spousal Consent, that are in substantially the forms attached as Exhibits hereto.

8.5 Admission of Assignees as Substitute Members. Except as otherwise provided in Section 8.3(b), an Assignee of all or any portion of the Units of a Member shall become a Substitute Member of the Company only if and when each of the following conditions is satisfied:

(a) such Assignee is (i) a Permitted Transferee, (ii) the acquiror in an Unrelated Party Transfer effected in accordance with Section 8.7 or (iii) the Board approves such Assignee's admission; and

(b) the Company receives a Joinder Agreement and, to the extent applicable, a Spousal Consent, that are in substantially the forms attached as Exhibits hereto.

8.6 Withdrawal of Members upon Transfer.

(a) If a Member has Transferred all of its Units in one or more Permitted Transfers or otherwise in compliance with this Agreement, then such Member shall withdraw from the Company on the date upon which each Assignee of such Units has been admitted as a Substitute Member in accordance with Section 8.3(b) or Section 8.5, and such Member shall no longer be entitled to exercise any rights or powers of a Member under this Agreement; provided (i) that no cessation of any Person as a Member shall (A) relieve a Person that is not a natural person from their obligation hereunder to reacquire any Units from a Permitted Transferee that ceases to qualify as such hereunder (and if such Person ceases to hold Units due to transfers to one or more Permitted Transferees such Person shall also continue to be subject to the Transfer restrictions in this Article VIII) or (B) affect the obligation of such Member to fund such Member's Additional Cash Contributions (if applicable); and (ii) all rights of such Person in Article XII shall survive any termination of such Person's membership in the Company.

(b) No Member shall have the right to withdraw from the Company other than pursuant to Section 8.6(a).

8.7 Right of First Offer.

(a) Prior to a Qualified IPO or Change of Control (and subject to the expiration of the Lock-Up Period, if applicable), if a Member holding Class A Units or any of its Assignees or Permitted Transferees (the "Transferring Member") proposes to Transfer, directly or indirectly, any Class A Units or any right or interest therein (the "Offered Units") to any Person other than the Company or a Permitted Transferee of the Transferring Member (an "Unrelated Party Transfer"), then the Transferring Member shall deliver to the other Members holding Class A Units (each a "Non-Transferring Member") a written notice (a "ROFO Sale Notice") setting forth the number of Offered Units proposed to be Transferred and the other material terms and conditions of the proposed Transfer that would reasonably be expected to have a material impact on the value of the Transfer (collectively, the "ROFO Terms").

(b) The Non-Transferring Members shall have a right of first offer with respect to any proposed Unrelated Party Transfer by a Transferring Member; provided that each Non-Transferring Member shall have the right to purchase such Non-Transferring Member's ROFO Portion of the Offered Units. A Non-Transferring Member's "ROFO Portion" is an amount obtained by multiplying (i) the number of Offered Units by (ii) a fraction, the numerator of which is the number of Class A Units then held by such Non-Transferring Member and the denominator of which is the number of Class A Units then issued and outstanding. Each time the Transferring Member proposes to Transfer any Offered Units in an Unrelated Party Transfer, the Transferring Member shall first make an offering of the Offered Units to the Non-Transferring Members in accordance with this Section 8.7. Each Non-Transferring Member may exercise its right of first offer within sixty (60) days following their receipt of a ROFO Sale Notice (such period, the "ROFO Election Period") by delivering to the Transferring Member a written offer to purchase its ROFO Portion of the Offered Units (the "ROFO Offer"), which ROFO Offer sets forth the proposed purchase price and all other material terms and conditions pursuant to which such Non-Transferring Member is willing to purchase the Offered Units. Any ROFO Offer shall be binding and irrevocable for the duration of the applicable ROFO Acceptance Period.

(c) If any Non-Transferring Member delivers a ROFO Offer pursuant to and in accordance with Section 8.7(b) within the ROFO Election Period, then the Transferring Member may (but shall have no obligation to) accept or reject, for any or no reason, such ROFO Offer during the thirty (30) day period after receipt by the Transferring Member of a ROFO Offer from such Non-Transferring Member (the "ROFO Acceptance Period"); provided that, if the Transferring Member does not accept, or fails to respond to, any ROFO Offer within the ROFO Acceptance Period, then it shall be deemed to have rejected such ROFO Offer. If the Transferring Member accepts any ROFO Offer, the Transferring Member shall notify the applicable Non-Transferring Members of such acceptance in a written notice (a "ROFO Acceptance Notice"). Following the delivery of a ROFO Acceptance Notice, the Transferring Member and the applicable Non-Transferring Members shall negotiate in good faith to complete the sale, purchase and Transfer of (and payment for) the relevant Offered Units at the same price and on the same other terms and conditions of Transfer as set forth in the applicable ROFO Offer within ninety (90) days after the delivery of the ROFO Acceptance Notice.

(d) If any Non-Transferring Member declines or does not exercise its right of first offer pursuant to Section 8.7(b), the remaining Non-Transferring Members shall have the right to purchase such Class A Units that could have been purchased by such declining Non-Transferring Member; provided that if the remaining Non-Transferring Members have oversubscribed for such Class A Units, then such Class A Units will be allocated on a pro rata basis as between such remaining Non-Transferring Members based on their respective Class A Units holdings). The notice issuances and corresponding timing requirements contemplated by Sections 8.7(a)-(c) shall apply to this Section 8.7(d) *mutatis mutandis*, except that the referenced 30-day periods shall be replaced with 10-day periods.

(e) If, following the occurrence of all procedures in Sections 8.7(a)-(d) (such time, the "ROFO End Period"), any portion of the Offered Units was not offered for purchase by any of the Non-Transferring Members, then the Transferring Member shall be free to effect an Unrelated Party Transfer with respect to such unsubscribed Offered Units so long as such Transfer (i) shall be at a price per Class A Unit that is same as or greater than the price per Class A Unit set forth in the ROFO Offer, (ii) shall otherwise be made upon terms no less favorable in the aggregate to the Transferring Member than those set forth in the ROFO Offer, and (iii) shall comply with the provisions of Section 8.2; provided that, if a definitive written agreement evidencing such Unrelated Party Transfer is not executed within one hundred twenty (120) days following the ROFO End Period, then the Transferring Member may not consummate such sale without again complying with the procedures set forth in this Section 8.7.

(a) *Call Right.* With respect to any Management Holder, during any six (6) month period commencing on the date of effectiveness of Termination of such Management Holder (the last day of such period, the “Call Notice Deadline”), the Company shall have the right, but not the obligation, to purchase from Management Holdco, and Management Holdco shall have the obligation to sell to the Company, all or any portion of the Vested Class B Units or any other Units held by Management Holdco, up to the amount of Corresponding Management Holdco Units held by the applicable Management Holder (all of the Vested Class B Units and any other Units held by Management Holdco which may be purchased by the Company pursuant to this sentence, the “Called Units”). The purchase price (the “Call Price”) for any Called Units repurchased in accordance with this Section 8.8(a) shall be equal to the Fair Market Value of such Called Units on the date the Call Notice is delivered; provided, however, that in the event that the Termination of the Management Holder is for Cause, the Call Price for any Called Units repurchased in accordance with this Section 8.8 shall be equal to the lesser of (A) the cost paid by the Management Holder to directly or indirectly acquire such Called Units (which, for purposes of Vested Class B Units, shall be deemed to be \$0) less any Distributions previously made with respect to such Called Units and (B) the Fair Market Value (after giving effect to any Losses arising from any conduct constituting Cause) of such Called Units on the date the Call Notice is delivered (the “Call Right”). Management Holdco shall, concurrently with any purchase of Called Units hereunder, repurchase the equivalent number and type of such Units from the Management Holder pursuant to the terms of the Management Holdco Operating Agreement. The Company and Management Holdco shall reasonably cooperate to consider alternative structures for implementing the exercise of any Call Right in a manner that would minimize any taxes imposed on the Members with respect to the purchase of Called Units and the funding of such purchase; provided, that no such alternative structure shall be implemented without the consent of BridgeBio if such structure could reasonably be expected to have a disproportionate and adverse effect on BridgeBio or any of its Affiliates. Exercise of the Call Right shall not be deemed to limit any other rights or remedies of the Company or any of its Affiliates relating to any conduct constituting Cause.

(b) *Call Notice.* The Company may exercise its Call Right by delivery of a written notice to Management Holdco and the applicable Management Holder of the Company’s election to exercise its Call Right on or prior to the Call Notice Deadline and setting forth the categories and number of Called Units it will purchase (the “Call Notice”).

(c) *Closing.* The closing of any purchase and sale of Called Units shall take place within ninety (90) days following the delivery of the Call Notice at the principal office of the Company or at such other time and location as the parties to such repurchase may mutually determine (the “Management Repurchase Closing”); provided that, if applicable, the deadline for payment by the Company pursuant to this Section 8.8 may be extended as required from time to time by the Company’s and its Subsidiaries’ debt financing arrangements or for regulatory reasons. At the Management Repurchase Closing, Management Holdco and the applicable Management Holder shall be required to make customary representations and warranties to the Company, including as to Management Holdco and such Management Holder’s authority to sell, the enforceability of agreements against such Person, that the Called Units shall be free and clear of any Liens (other than pursuant to U.S. federal and state (and other jurisdiction) securities laws), that it is the sole beneficial and record owner of such Called Units. At the Management Repurchase Closing, the Company shall deliver payment in full in immediately available funds for the Called Units purchased by it. Purchases of any Called Units shall be settled in cash. At the Management Repurchase Closing, all of the parties to the transaction shall execute such additional documents as are otherwise necessary or appropriate.

(d) *Other.* Notwithstanding anything set forth in this Section 8.8 to the contrary, the Company shall not purchase any Called Units pursuant to the Call Right until the date that is six (6) months and one (1) day following the date of the issuance or vesting of such Called Units, whichever is later, and in the event that any Called Units subject to the Call Right were issued or vested within the six (6) months immediately preceding the Call Notice Deadline, then the Call Notice Deadline shall become the date that is thirty (30) Business Days following the expiration of such six (6) month period.

8.9 Tag-Along Rights.

(a) *General.* Subject to Section 8.10 and the other terms of this Agreement, if at any time prior to the consummation of a Qualified IPO or a Change of Control, any Member proposes to Transfer, directly or indirectly, in one or more related transactions, Class A Units then held by such Member (“Tag-Along Seller”) representing in excess of one percent (1%) of the Class A Units then issued and outstanding] (the “Offered Tag Units”) (a “Tag-Along Sale”), to a Person other than one of such Member’s Permitted Transferees (the “Tag-Along Purchaser(s)”), then each other Member holding Class A Units (each a “Tag-Along Rightholder”) shall have the right (the “Tag-Along Right”), upon the terms and conditions set forth in this Section 8.9 and Section 8.11, to sell to such Tag-Along Purchaser such Tag-Along Rightholder’s Tag-Along Portion of its Class A Units in such Tag-Along Sale. A Tag-Along Rightholder’s “Tag-Along Portion” is an amount obtained by multiplying (i) the number of Offered Tag Units in a Tag-Along Sale by (ii) a fraction, the numerator of which is the number of Class A Units then held by such Tag-Along Rightholder and the denominator of which is the number of Class A Units then issued and outstanding.

(b) *Procedure.* The Tag-Along Seller shall give written notice (the “Sale Notice”) to each Tag-Along Rightholder of any Tag-Along Sale giving rise to the rights pursuant to this Section 8.9 at least twenty (20) Business Days prior to the proposed consummation of such sale, setting forth the material terms of the proposed Tag-Along Sale, including in reasonable detail (to the extent known or available) (A) the number of Offered Tag Units proposed to be sold by the Tag-Along Seller, (B) the maximum number of Class A Units that may be sold by such Tag-Along Rightholder, (C) the identity of the proposed Tag-Along Purchaser, (D) the proposed amount and form of consideration and other material terms and conditions offered by such Tag-Along Purchaser, (E) the proposed date and time of the closing of the Tag-Along Sale, (F) a copy of the form of Transfer agreement proposed to be executed in connection with the Tag-Along Sale and (G) a representation that such Tag-Along Purchaser has been informed of the rights provided for in this Section 8.9. The rights provided by this Section 8.9 must be exercised by any Tag-Along Rightholder within fifteen (15) Business Days following receipt of the Sale Notice (the “Tag-Along Period”), by delivery of an irrevocable written notice (the “Tag-Along Election Notice”) to the Tag-Along Seller indicating such Tag-Along Rightholder’s (each a “Tagging Member”) election to exercise its rights, in whole or in part, pursuant to this Section 8.9 and specifying the number of Class A Units to be sold by such Tagging Member in the Tag-Along Sale or indicating that the Tagging Member wants to sell all of the Tagging Member’s Class A Units that it is permitted to sell (calculated in accordance with Section 8.9(a)). Any Tag-Along Rightholder may waive its rights under this Section 8.9 with respect to any Tag-Along Sale prior to the expiration of such fifteen (15) Business Day period by giving written notice to the Tag-Along Seller, with a copy to the Company. Each Tag-Along Rightholder who does not timely deliver a Tag-Along Election Notice shall be deemed to have waived its right to participate in such Tag-Along Sale.

(c) *Reduction of Class A Units Transferred.* The Tag-Along Seller shall attempt to obtain the inclusion in the proposed Tag-Along Sale of the entire number of Class A Units which each of the Tagging Members shall have requested to be included in the Tag-Along Sale (as evidenced, in the case of the Tag-Along Seller, by the Sale Notice and, in the case of each Tagging Member, by such Tagging Member's Tag-Along Election Notice). In the event that the Tag-Along Seller shall be unable to obtain the inclusion of such entire number of Class A Units in the proposed Tag-Along Sale, the number of Class A Units to be sold in the proposed Tag-Along Sale shall be allocated among the Tag-Along Seller and the Tagging Members in proportion, as nearly as practicable, to the respective number of shares of Class A Units specified for Transfer in accordance with this Section 8.9 by the Tag-Along Seller and each Tagging Member (as evidenced, in the case of the Tag-Along Seller, by the Sale Notice and, in the case of each Tagging Member, by such Tagging Member's Tag-Along Election Notice).

(d) *Terms and Consideration.* In connection with any Tag-Along Sale, subject to Section 8.11, each Tagging Member shall receive the same per unit consideration (including in respect of the amount and form of consideration) for any of its Class A Units that are actually included in the Tag-Along Sale pursuant to this Section 8.9. Each Tagging Member shall otherwise be entitled to participate in such Tag-Along Sale on terms and conditions no less favorable in any material respect than those that apply to the Tag-Along Seller. The consideration to be paid in respect of the Class A Units owned by a Tagging Member that are actually included in such Tag-Along Sale in accordance with this Section 8.9 shall be an amount equal to the aggregate amount that would be distributed to such Tagging Member pursuant to Section 6.4 in respect of such Class A Units in a hypothetical liquidation of the Company, which aggregate liquidation value of the Company shall be based on the aggregate purchase price to be paid in respect of the Class A Units proposed to be sold by the Tag-Along Rightholders in the Tag-Along Sale.

(e) *Consummation of Tag-Along Sale.* The Tag-Along Seller shall have sixty (60) days following the expiration of the Tag-Along Period in which to consummate the Tag-Along Sale, on terms not more favorable to the Tag-Along Seller than those set forth in the Sale Notice (which such 60-day period may be extended for a reasonable time, not to exceed ninety (90) days to the extent reasonably necessary to obtain required approvals or consents from any Governmental Authority). If at the end of such period the Tag-Along Seller has not completed the Tag-Along Sale, the Tag-Along Seller may not then effect a Transfer that is subject to this Section 8.9 without again fully complying with the provisions of this Section 8.9.

(f) *Scope.* The provisions of this Section 8.9 shall not apply to (i) Transfers to a Permitted Transferee of any Member or any director, officer or employee of the Company or any of its Subsidiaries, (ii) any Transfer of Units upon exchange of such Units pursuant to a Conversion Transaction, (iii) any Transfer of Drag-Along Units to a Drag-Along Purchaser pursuant to Section 8.10 or (iv) any Transfer in connection with a Qualified IPO. The provisions of this Section 8.9 are in addition to, and not in limitation of, any other restrictions on Transfers of Units contained in this Agreement.

8.10 Drag-Along Rights.

(a) *General.* Prior to a Qualified IPO or a Change of Control, (x) a Member or Members representing at least a majority of the issued and outstanding Voting Units (which majority must include each of (i) Viking, so long as the Investor Member Sell-Down Event in respect of Viking has not occurred, (ii) Patient Square, so long as the Investor Member Sell-Down Event in respect of Patient Square has not occurred, (iii) BridgeBio, so long as the Investor Member Sell-Down Event in respect of BridgeBio has not occurred and (iv) NK, so long as the Investor Member Sell-Down Event in respect of NK has not occurred), (y) following the fifth (5th) anniversary of the Closing, subject to the Minimum Return Condition being satisfied, a Member or Members representing at least a majority of the issued and outstanding Voting Units or (z) following the seventh (7th) anniversary of the Closing, each of (A) Viking, so long as the Investor Member Sell-Down Event in respect of Viking has not occurred or (B) Patient Square, so long as the Investor Member Sell-Down Event in respect of Patient Square has not occurred (such Persons in prongs (x), (y) and (z), as applicable, the “Drag-Along Sellers”), shall have the right, by delivery of a written notice to the Company to require that the Company pursue and cause a sale of the Company (or one or more of its assets, divisions or Subsidiaries) (a “Drag-Along Sale”), and the Drag-Along Sellers may require each other equityholder of the Company (each a “Dragged Member”) to Transfer its Drag-Along Portion of such equityholder’s Units to the prospective purchaser (the “Drag-Along Purchaser”). “Minimum Return Condition” shall mean that each Investor has received or will receive its respective Priority Return upon the consummation of the sale of the Company (or one or more of its assets, divisions or Subsidiaries); provided that such Minimum Return Condition may be waived or reduced with written approval from both Viking and Patient Square.

(b) *Drag-Along Notice.* Drag-Along Sellers shall send written notice (the “Drag-Along Notice”) of the exercise of their rights pursuant to this Section 8.10 to each Dragged Member at least thirty (30) days prior to the consummation of the Drag-Along Sale. The Drag-Along Notice shall set forth the material terms and conditions of the Drag-Along Sale, including (to the extent available) (i) the form and amount of consideration to be paid for the Units, (ii) the identity of the Drag-Along Purchaser, (iii) the proposed date and time of the closing of the Drag-Along Sale and (iv) a copy of the form of definitive agreement proposed to be executed in connection with the Drag-Along Sale. If the Drag-Along Sellers consummate the Drag-Along Sale to which reference is made in the Drag-Along Notice, each Dragged Member shall be bound and obligated to Transfer the applicable Drag-Along Portion of its Units (the “Drag-Along Units”) in such Drag-Along Sale subject to the terms and conditions set forth in this Section 8.10 and Section 8.11. Any Drag-Along Notice may be rescinded by the Drag-Along Sellers at any time prior to consummation of the Drag-Along Sale by Drag-Along Sellers delivering written notice thereof to each Dragged Member.

(c) *Cooperation.* Without limiting Section 8.11(a), in connection with any Drag-Along Sale that is effected in accordance with the terms and conditions set forth in this Section 8.10 and Section 8.11, each Dragged Member hereby agrees: (i) to vote or cause to be voted (whether at a meeting or by written consent in lieu thereof, at the option of the Drag-Along Sellers) all equity securities that the Dragged Member holds or with respect to which the Dragged Member has the power to direct the voting and which the Dragged Member is entitled to vote on such proposed Drag-Along Sale in favor of such proposed Drag-Along Sale; (ii) if the Drag-Along Sale is structured as a merger, consolidation or similar business combination, to waive (and hereby does waive) all appraisal rights, dissenters rights and similar rights (if any) in connection therewith; and (iii) not to make any claim or take any action reasonably likely to hinder, impede, delay or have an adverse effect on such Drag-Along Sale.

(d) *Facilitation.* Notwithstanding anything contained in this Section 8.10 to the contrary, the Board shall control the day-to-day management of any Drag-Along Sale and shall (i) pursue such Drag-Along Sale in good faith and use reasonable best efforts to effect such Drag-Along Sale on reasonably acceptable terms and conditions consistent with the Drag-Along Notice; and (ii) consult in good faith with the Drag-Along Sellers with respect to the following matters in connection with such Drag-Along Sale: (A) the number, nature and identity of any potential bidders approached, (B) the selection of any investment banking firm or any other advisors and the terms of engagement with such third parties, (C) drafts of any information memorandums, management presentations, purchase agreements, contracts or other material documents developed or produced in connection with the sale process and (D) the final terms of any such Drag-Along Sale and corresponding documentation.

(e) *Terms and Consideration.* Subject to Section 8.11, in connection with any Drag-Along Sale, (i) the Transfer of each Dragged Member's Units shall be on terms and conditions which are not economically less favorable to the Dragged Members in any non-*de minimis* respect than those applicable to the Drag-Along Sellers and (ii) the Dragged Members shall receive (A) the same per unit consideration as the Drag-Along Sellers with respect to such Dragged Members' Class A Units and (B) the same form or combination of forms of consideration as the consideration proposed to be paid to the Drag-Along Sellers; provided that each Dragged Member will receive in such Drag-Along Sale in respect of its Units the aggregate amount that would be distributed to such Dragged Member in respect of such Units in a hypothetical liquidation of the Company pursuant to Section 6.4, which aggregate liquidation value of the Company shall be based upon the aggregate purchase price to be paid in the Drag-Along Sale. If the Drag-Along Sellers are given an option as to the form and amount of consideration to be received, to the extent reasonably possible the same option will be given to the Dragged Members. When used in this Section 8.10, the phrase "same per unit consideration" shall not include any employment, consulting, change of control or any other consideration payable to the Dragged Members who are Management Holders pursuant to any other arrangements, whether in connection with such Drag-Along Sale or otherwise, and the phrase "same form of consideration" shall not apply to any Units in connection with a "rollover" in such Drag-Along Sale. Each Member acknowledges and agrees that depending upon the aggregate consideration to be distributed in connection with the Drag-Along Sale, certain classes or series of Units may receive less consideration per Unit than other classes or series of Units, and certain classes or series may receive no consideration in the Drag-Along Sale.

(f) *Class B Units*. Notwithstanding anything to the contrary herein, in the event of a Drag-Along Sale, the Board may (i) cancel and redeem any Class B Unit or (ii) cause any Class B Unit to be converted into or exchanged for Class A Units or other securities, in each case, at a value equal to the value that would have been distributed to such Class B Unit in such Drag-Along Sale in respect of such Class B Unit in a hypothetical liquidation of the Company pursuant to Section 6.4, which aggregate liquidation value of the Company shall be based upon the aggregate purchase price to be paid in the Drag-Along Sale.

8.11 Certain Terms and Conditions Applicable to Drag-Along Sales and Tag-Along Sales. The following provisions shall apply to any proposed Transfer of Units or other transaction to which Section 8.9 or Section 8.10 applies (each an “Article 8 Transaction”), except to the extent any provision of this Section 8.11 by its terms only applies to a specified subset of such Sections:

(a) *Efforts*. Each Dragged Member or Tagging Member (each an “Article 8 Seller”), whether in such Person’s capacity as a Member, equityholder, officer, director or employee of the Company, shall, to the maximum extent permitted by Law, take all actions customary, necessary or desirable in order to consummate expeditiously any Article 8 Transaction and any related transactions, including executing, acknowledging and delivering any applicable equity purchase agreement, merger agreement, consents, assignments, waivers, releases, letters of transmittal, and other documents or instruments necessary (including a release of claims, furnishing information and copies of documents, filing applications, reports, returns, filings and other documents or instruments with governmental authorities) and otherwise reasonably cooperate with any Drag-Along Seller, Tag-Along Seller, Tag-Along Purchaser or Drag-Along Purchaser, in each case, subject to the applicable terms of Section 8.9 and Section 8.10. Without limiting the generality of the foregoing:

(i) each Article 8 Seller shall, on a several and not joint basis (in accordance with its *pro rata* portion (determined based on the respective proceeds payable to each Article 8 Seller in connection with such Article 8 Transaction in accordance with Section 6.4) (the “Pro Rata Share”)): (A) make customary individual fundamental representations and warranties as to (1) such Article 8 Seller’s own organization, (2) such Article 8 Seller’s power, authority, capacity and legal right to enter into and consummate the transactions contemplated by any applicable agreement to which such Article 8 Seller becomes party, (3) the unencumbered title to such Article 8 Seller’s Units (other than encumbrances arising under this Agreement or pursuant to U.S. federal and state (and any other applicable jurisdiction) securities laws, (4) the absence of any conflict with respect to such Article 8 Seller’s Units or the Transfer thereof to the extent such conflict limits its ability to enter into and consummate the transactions contemplated by any applicable agreement to which such Article 8 Seller becomes a party and (5) the binding effect and enforceability of any applicable agreement to which such Article 8 Seller becomes a party; and (B) provide customary indemnification with respect to a breach thereof (taking into account the limitations set forth in Section 8.11(a)(v)) other than with respect to preceding prongs (2) and (3));

(ii) subject to Section 8.11(a)(v), each Article 8 Seller shall, on a several and not joint basis (in accordance with its Pro Rata Share), be liable (whether by transaction expenses, purchase price adjustment, escrows, indemnity payments or other similar items) in respect of representations, warranties, covenants and agreements made in respect of the Company and its Subsidiaries;

(iii) none of the Article 8 Sellers shall be required to agree to (A) any non-compete, non-solicitation, non-disparagement or other similar restrictive covenants (other than confidentiality obligations that are no more restrictive than the confidentiality obligations applicable to the Tag-Along Seller or the Drag-Along Sellers (as applicable) or (B) any restrictive covenants that bind any portfolio company of any Fund Investor;

(iv) none of the Article 8 Sellers shall be liable for any individual representation, warranty, covenant or other agreements made by any other Article 8 Seller or the Tag-Along Seller or the Drag-Along Sellers, as applicable; and

(v) the aggregate liability of each Article 8 Seller shall in no event exceed the proceeds received (taking into account any amounts in escrow) by such Article 8 Seller in connection with such Article 8 Transaction. Further, no Article 8 Seller will be required to bear more than its Pro Rata Share of any escrows, holdbacks, adjustments or indemnification obligations.

(b) *No Liability.* All determinations as to whether to complete any Article 8 Transaction be at the sole discretion of the Tag-Along Seller or the Drag-Along Sellers (as applicable), and the Tag-Along Seller and the Drag-Along Sellers and their respective Affiliates shall not have any liability arising from, relating to or in connection with the pursuit, consummation, postponement, abandonment or terms and conditions of any proposed Article 8 Transaction (except to the extent the Tag-Along Seller and the Drag-Along Sellers (as applicable) fails to comply with the provisions of Section 8.9, Section 8.10 or this Section 8.11) or any other transaction pursuant to Article VIII or Article IX.

(c) *Closing.* Subject to compliance with this Agreement and applicable law, the closing of an Article 8 Transaction shall take place at such time and place as the Tag-Along Seller or the Drag-Along Sellers, as applicable, shall specify by written notice to each Article 8 Seller. At the closing of such Article 8 Transaction, each Article 8 Seller shall (if applicable) deliver the certificates evidencing the Units to be Transferred by such Article 8 Seller, duly endorsed, or with unit (or equivalent) powers duly endorsed for transfer with signature guaranteed, free and clear of any Liens (other than pursuant to U.S. federal and state (and other jurisdiction) securities laws).

(d) *Expenses.* In connection with the negotiation or consummation of any Article 8 Transaction, the Tag-Along Seller or the Drag-Along Sellers, as applicable, and each Article 8 Seller shall bear (i) all costs and expenses incurred by such Person on an individual basis for such Person's sole benefit and (ii) its respective Pro Rata Share of the costs and expenses incurred by such Person, to the extent such costs and expenses are incurred for the benefit of all participating Members (including the costs and expenses incurred in respect of collective documentation and advice for such Article 8 Transaction), are reasonable and documented and are not otherwise paid by the Company or the acquiring party, in each case in connection with such Article 8 Transaction, whether or not such Article 8 Transaction is consummated.

(e) *Expiration.* Section 8.9, Section 8.10, and this Section 8.11 (other than any unsatisfied or ongoing obligations pursuant to this Section 8.11 in connection with any Article 8 Transaction) shall expire upon the consummation of a Qualified IPO.

8.12 *Effect of Notices.* Notwithstanding any provision hereof to the contrary, the giving to the holders of Units of any Drag-Along Notice or any Sale Notice shall not obligate the Drag-Along Sellers or Tag-Along Seller, respectively, to consummate or effect any transaction referred to therein.

8.13 *After-Acquired Securities.* All of the provisions of this Agreement shall apply to all of the Units now owned or which may be issued or Transferred hereafter to a Member or other equity holder of the Company in consequence of any additional issuance, purchase, exchange or reclassification of any of such Units, corporate reorganization, or any other form of recapitalization, consolidation, merger, share split or share dividend, or which are acquired by a Member or other equity holder of the Company in any other manner.

8.14 *Management Holdco Purchase Rights.* If Management Holdco is required pursuant to this Agreement, the Management Holdco Operating Agreement or an agreement approved by the Board and the manager or other managing body of Management Holdco, or the Board and the manager or other managing body of Management Holdco otherwise elect or agree, to repurchase membership interests of Management Holdco (the "Indirect Management Purchase Units") held by a member of Management Holdco (an "Indirect Management Member" and any such repurchase, an "Indirect Management Repurchase"), then the Company shall repurchase from Management Holdco all of the Units held by Management Holdco that are attributable to the Indirect Management Purchase Units (the "Corresponding Direct Management Units") at a price per Corresponding Direct Management Unit equal to the per unit price paid for each Indirect Management Purchase Unit or such other price provided pursuant to Section 5.4. The repurchase described in this Section 8.14 may be effected by causing the Indirect Management Purchase Units being repurchased to be exchanged for Corresponding Direct Management Units followed by a repurchase of such interests by the Company. For clarity, any Indirect Management Repurchase or other transaction contemplated by this Section 8.14 shall be subject to the prior approval of the Board.

**ARTICLE IX
QUALIFIED IPO;
REGISTRATION RIGHTS**

9.1 Qualified IPO Mechanics.

(a) *Conversion Transaction.* In connection with the consummation of a Qualified IPO, the Board may: (i) reorganize the Company into a corporation incorporated under the Laws of the State of Delaware or such other jurisdiction in such manner as the Board deems appropriate, efficient and in the best interests of the Company (and the Board shall use commercially reasonable efforts to effectuate such reorganization in a manner that is tax efficient for both the Company and its Members and the owners of such Members), subject to the requirements of this Section 9.1, including by way of conversion, merger, recapitalization, exchange or asset and liability transfer, in each case, giving effect to the same economic and voting rights contained in this Agreement after taking into consideration the structure of the Company and the Company's Subsidiaries and their respective classes of securities (the transactions described in this clause (i) being referred to herein as a "Conversion Transaction"); (ii) cause the exchange of Units for shares of common stock or other equity securities of a holding company formed to hold all or substantially all of the assets of the Company's Subsidiaries or any other Company Offeror that will be the issuer in such Qualified IPO; (iii) cause the treatment of the Class B Units in connection with such Qualified IPO as determined by the Company to be in accordance with the terms of the Applicable Class B Unit Agreements; or (iv) take any such other action as the Board may determine in good faith to create an appropriate vehicle to effectuate a Qualified IPO.

(b) *Effect of Conversion Transaction.* Prior to or upon consummation of a Qualified IPO involving a Conversion Transaction, this Agreement shall be replaced by a stockholders agreement (or agreements) executed by the Company Offeror and the Members containing terms and conditions substantially similar to those set forth herein, except that all references to the Class A Units and the Class B Units, respectively, in this Agreement shall be deemed to refer to the corresponding class, series or tranche of equity securities, as applicable, into which such Class A Units, and Class B Units were converted or exchanged in such Conversion Transaction, respectively, and all references to the Company herein shall be deemed to refer to the Company's successor. The certificate of incorporation and bylaws of the Company Offeror shall be in such form as is approved by the Board; provided that they do not conflict with or vary the terms and conditions of the replacement agreement (or agreements) described in the preceding sentence, and provided, further, that the certificate of incorporation of the Company Offeror shall contain a corporate opportunity provision substantially similar to the one contained in Section 4.9(a)-(c) and provisions reflecting the Company Offeror's election to not be governed by Section 203 of the Delaware General Corporation Law (or similar provision, if the Company Offeror is incorporated in a jurisdiction other than Delaware). The terms of any such stockholders agreement (or agreements) to be entered into among the Company Offeror and the Members in connection with a Conversion Transaction shall, to the extent practicable and permitted by applicable Law, rule, regulation or historical standard, and except as otherwise provided herein, replicate the provisions of this Agreement with respect to (i) the Board designation rights set forth in Article IV (except to the extent that any of the rights granted therein would be inconsistent with the requirements of any securities exchange on which the Company Offeror's securities will be traded or quoted after the Qualified IPO, in which case the rights granted herein shall be replicated to the greatest extent practicable consistent with the requirements of such exchange), (ii) the exculpation and indemnification provisions set forth in Article XII and (iii) the amendment provisions set forth in Article XIII, in each case, with appropriate modification to reflect the corporate structure of the Company Offeror.

(c) *Cooperation of Members.* In connection with and in order to facilitate a Qualified IPO and any related Conversion Transaction, each Member shall take all such action as is reasonably necessary (including making any applicable tax elections or the voting of all equity interests in the Company Offeror owned by such person) in order to effect amendments to the Company Offeror's organizational documents as are customary for a company which is to engage in an initial public offering of its equity securities and which are reasonably requested by the managing underwriters in order to expedite or facilitate the disposition of the equity securities of the Company Offeror in connection with such offering and any Conversion Transaction; provided, however, that no Member holding a certain type or class of Units shall be required to take any actions not required from the other Members holding the same type or class of Units. Each Member hereby (i) consents to any such Conversion Transaction or exchange of Units involving a Company Offeror and (ii) agrees to execute, acknowledge and deliver any further agreements, documents or instruments requested by the Company (or any successor thereto) reasonably necessary or customary in connection with this Section 9.1.

(d) *Qualified IPO of Company Offeror.* If the Qualified IPO is structured as an offering of the securities of a Company Offeror other than the Company, then this Agreement shall remain in place, substantially on the terms set forth herein, except that: (i) this Agreement shall be amended to (A) provide for (I) the exchange of Class A Units for shares of common stock of the Company Offeror; provided that such exchange shall be effected in a manner consistent with Section 9.2 and (II) the treatment of Class B Units in connection with such Qualified IPO as determined by the Company in accordance with the terms of the Applicable Class B Unit Agreements, (B) adjust the provisions of this Agreement relating to Distributions and allocations to the extent necessary to permit the exchange of Class A Units and treatment of Class B Units contemplated by clause (A) immediately above, and (C) make such other changes as the Board determines to be reasonable and prudent to facilitate such Qualified IPO of such Company Offeror's securities without adversely affecting the relative rights of any Member hereunder in a manner disproportionate (recognizing the priorities and preferences of the Units held by any Member relative to the Units held by any similarly situated Member as of the date hereof as set forth in Section 6.4) as compared to the relative rights of other Members similarly situated; and (ii) the Company shall enter into arrangements with such Company Offeror, in such form as the Board shall deem appropriate, providing for the exercise by the Company of registration rights no less favorable than the registration rights described in Section 9.3 with respect to the common stock or other equity securities of such Company Offeror to be received by the Members upon exchange of Class A Units of the Company; provided that no Member shall have any registration rights hereunder or pursuant to the registration rights described in Section 9.3 or otherwise with respect to Class B Units. Upon any exchange of Class A Units (and Class B Units, if applicable) for shares of capital stock of such Company Offeror, such Units shall no longer be subject to the terms of this Agreement and shall instead become subject to the terms of the certificate of incorporation and bylaws of such Company Offeror. Notwithstanding the consummation of a Qualified IPO effected by a Company Offeror (other than the Company), the rights to Distributions and allocations set forth in Article VI, in a Qualified IPO structured as an "UP-C", the exculpation and indemnification rights and obligations of the Company and the Members set forth in Article XII and the amendment provisions set forth in Article XIII shall each survive such Qualified IPO and continue to apply to the Units under this Agreement.

(e) *Fractional Units.* Fractional shares of common stock of a Company Offeror issuable pursuant to a Conversion Transaction or upon exchange of Units for shares of a Company Offeror shall be rounded, cashed out or aggregated and sold in connection with such Qualified IPO in an equitable manner, as determined by the Board.

(f) *Qualified IPO Request.* Following the (i) fifth (5th) anniversary of the Closing, a Member or Members representing at least a majority of the issued and outstanding Voting Units and (ii) seventh (7th) anniversary of the Closing, each of (A) Viking, so long as the Investor Member Sell-Down Event in respect of Viking has not occurred and (B) Patient Square, so long as the Investor Member Sell-Down Event in respect of Patient Square has not occurred, shall, in each case, have the right, by delivery of a written notice to the Company to require that the Company pursue in a diligent and commercially reasonable manner and consummate a Qualified IPO.

9.2 Treatment of Units in Conversion Transaction.

(a) *Conversion Rate.* For purposes of the conversion of Units pursuant to a Conversion Transaction or upon the exchange of Units for shares or equity securities of a Company Offeror, each Unit shall be converted at a conversion rate based upon the percentage of the aggregate pre-tax value to be received by each holder of Units being converted that would otherwise have been received if the aggregate equity value of the Company Offeror at the price implied by the Qualified IPO had been distributed in accordance with Article VI as a Distribution following a Liquidity Event.

(b) *Acknowledgment.* If a Qualified IPO is effected, in whole or in part, by means of a public offering of the securities of a Company Offeror that is a Subsidiary of the Company that is a holding company for all or substantially all of the assets of the Company and its other Subsidiaries, each of the Members and the Company hereby acknowledges and agrees that such Qualified IPO shall be effected to the greatest extent practicable in a manner that gives effect to this Section 9.2.

(c) Notwithstanding the foregoing, other than in connection with a Qualified IPO, without the prior written consent of the Fund Investors, the Company (i) shall not effectuate a Conversion Transaction and (ii) shall take any actions, including refraining from making an election to be treated as a corporation, as may be required to ensure that at all times the Company is classified as partnership for United States federal income tax purposes.

9.3 Registration Rights.

(a) *Registration Rights Agreement.* Following a Qualified IPO, the Members (and, if applicable, equityholders of such Members) and the Company Offeror shall enter into a registration rights agreement that shall contain customary registration rights in favor of each Member, including the provisions set forth in Sections 9.3(b) and 9.3(c). All Members (or, as applicable, the equityholders of such Members) shall have customary “piggyback” registration rights, including in any secondary sale effected as part of such Qualified IPO or thereafter, with *pro rata* cutbacks. The registration rights agreement shall provide that each of (i) Viking, so long as the Investor Member Sell-Down Event in respect of Viking has not occurred and (ii) Patient Square, so long as the Investor Member Sell-Down Event in respect of Patient Square has not occurred), shall, in each case, have the right to demand that the Company or applicable Company Offeror register the resale of all or a part of their securities (a “Demand Registration”), subject to customary limitations. From and after a Qualified IPO, and subject to any applicable lock-up period with respect to such Qualified IPO, as described in Section 9.3(b) below, the Company or Company Offeror will provide reasonable and customary assistance to any Member (or, as applicable, equityholder of such Member) seeking to offer and sell its securities in the public market so as to enable such Member (or, as applicable, equityholders of such Member) to sell its securities pursuant to Rule 144 under the Securities Act or any similar rules or regulations hereinafter adopted by the SEC, including reasonably cooperating with such Member (or, as applicable, equityholders of such Member) to facilitate the timely preparation and delivery of certificates representing the securities to be sold and not bearing any Securities Act legend in connection with any such sale.

(b) *Lock-Up*. Each Member (or, as applicable, the equityholders of such Members) shall not Transfer any securities of the Company or a Company Offeror for a period commencing on the date marketing commences with respect to a Qualified IPO and ending not more than one hundred eighty (180) days following the closing of such Qualified IPO. Each Member (or, as applicable, the equityholders of such Members) agrees to execute and deliver such other agreements as may be reasonably requested by the Company or its underwriter which are consistent with the foregoing or which are necessary to give further effect thereto. In addition, if requested by the Company or any representative of the underwriter, each Member shall provide, within ten (10) Business Days of such request, such information as may be required by the Company or such representative in connection with the completion of any public offering of the Company's securities pursuant to a Qualified IPO. The Company may impose stop-transfer instructions with respect to the equity securities subject to the foregoing restriction until the end of the applicable period.

(c) *Underwriter Selection*. The underwriter for any registration statement filed by the Company or Company Offeror in connection with a sale of units or other equity securities thereof shall be selected by the Board.

ARTICLE X EVENTS OF DISSOLUTION

10.1 Dissolution. The Company shall be dissolved upon the occurrence of any of the following events (each an "Event of Dissolution"):

- (a) Subject to Section 4.10, a determination by the Board to dissolve the Company; or
- (b) A judicial dissolution of the Company under Section 18-802 of the Act.

The Members hereby agree that the Company shall not dissolve prior to the occurrence of an Event of Dissolution and that no Member shall seek a dissolution of the Company under Section 18-802 of the Act. No other event, including the retirement, withdrawal, insolvency, liquidation, dissolution, insanity, resignation, expulsion, bankruptcy, death, incapacity, or adjudication of incompetency of a Member, shall cause a dissolution of the Company or cause the existence of the Company to terminate.

**ARTICLE XI
TERMINATION**

11.1 Liquidation. If an Event of Dissolution shall occur, then the Company shall be liquidated and its affairs shall be wound up. All proceeds from such liquidation shall be distributed as set forth below, in accordance with the provisions of Section 18-804 of the Act:

(a) to creditors, including Members who are creditors to the extent permitted by Law, in satisfaction of the Company's liabilities; and

(b) then, to the Members in accordance with Article VI.

11.2 Final Accounting. In the event of the dissolution of the Company, prior to any liquidation, a proper accounting shall be made to the Members from the date of the last previous accounting to the date of dissolution.

11.3 Distribution in Kind. If the Board determines in connection with the liquidation of the Company following an Event of Dissolution that a portion of the Company's assets must be distributed in kind to the Members, then such assets shall be so distributed in kind to the Members in undivided shares therein as tenants in common in the manner specified in Section 6.1.

11.4 Certificate of Cancellation. Upon the completion of the winding up of the Company's affairs and distribution of the Company's assets, the Company shall be terminated and the Members shall cause the Company to execute and file a Certificate of Cancellation in accordance with Section 18-203 of the Act.

**ARTICLE XII
EXCULPATION AND INDEMNIFICATION**

12.1 Exculpation. Notwithstanding any other provisions of this Agreement, to the fullest extent permitted by the Act, none of the Covered Persons shall be liable to the Company or any Member, Director or other Person who is a party to or bound by this Agreement for any Losses (as defined below) arising out of or relating to any act or omission, or any consent or approval given or withheld, in each case, in relation to the management of the Company or otherwise relating to the conduct of the Company's business and affairs; provided that nothing herein shall limit the liability of any Person for any act or omission by such Covered Person that constitutes fraud, a willful breach of applicable Law, willful misconduct, an intentional breach of such Person's obligations under this Agreement (if any) or a bad-faith violation of the implied contractual covenant of good faith and fair dealing (to the extent applicable).

12.2 Indemnification.

(a) To the fullest extent permitted by the Act, the Company shall indemnify and hold harmless each current and former (i) Covered Person and (ii) officer of the Company and its Subsidiaries (collectively, the “Indemnified Persons” and each individually an “Indemnified Person”) from and against any and all losses, claims, demands, liabilities, reasonable out-of-pocket expenses (including attorneys’ fees), judgments, fines, settlements and other amounts (“Losses”) incurred by such Person in connection with any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative in which such Indemnified Person may be involved, or threatened to be involved, as a party, a witness or otherwise, by reason of, or in connection with, any act or omission, or any consent or approval given or withheld, in each case, in relation to the management of the Company or otherwise relating to the conduct of the Company’s business and affairs (“Claims”). Notwithstanding the foregoing, no current or former Indemnified Person shall be entitled to indemnification under this Section 12.2 with respect to: (i) any act or omission by such Indemnified Person that constitutes fraud, a willful breach of applicable Law, willful misconduct, or an intentional breach of this Agreement or a bad faith violation of the implied contractual covenant of good faith and fair dealing (to the extent applicable); or (ii) any Claim initiated by such Indemnified Person unless such Claim (or part thereof) was (A) brought to enforce such Indemnified Person’s rights to indemnification or advancement of expenses hereunder or (B) authorized or consented to by the Board prior to the initiation of such Claim.

(b) Reasonable, documented, out-of-pocket expenses (including attorneys’ fees) incurred by an Indemnified Person in defending any Claim shall be paid by the Company in advance of the final disposition of such Claim upon receipt by the Company of an undertaking by or on behalf of such Indemnified Person to repay the amount advanced if it shall be ultimately determined in a final, nonappealable determination of a court of competent jurisdiction that such Indemnified Person is not entitled to be indemnified by the Company as authorized by Section 12.2(a). If the Company indemnifies any Indemnified Person or former Indemnified Person pursuant to Section 12.2(a), it shall be subrogated to the rights of such Indemnified Person or former Indemnified Person against, and shall be entitled to seek contribution from, any third party, including any insurance company, to recover the amount of such indemnification (or such portion thereof as to which the Company shall be entitled to contribution) after the Indemnified Person or former Indemnified Person shall have been fully and completely indemnified (whether pursuant to this Agreement or otherwise) in respect of the Claim which gave rise to such indemnification. Any such Indemnified Person or former Indemnified Person shall fully cooperate with the Company at the Company’s expense in its efforts to enforce against any such third party the rights to which it is so subrogated.

12.3 Effect of Modification. Any repeal or modification of this Article XII shall not adversely affect any rights of such Indemnified Person pursuant to this Article XII, including the right to indemnification and to the advancement of expenses of an Indemnified Person existing at the time of such repeal or modification with respect to any acts or omissions occurring prior to such repeal or modification.

12.4 Nonexclusivity of Rights. The rights conferred on any Indemnified Person by this Article XII shall not be exclusive of any other rights that such Indemnified Person may have or hereafter acquire under any statute, provision of this Agreement, agreement, vote of members or disinterested directors or otherwise.

**ARTICLE XIII
AMENDMENT TO AGREEMENT**

13.1 Amendments.

(a) Subject Section 13.1(b) and except as otherwise provided in this Agreement, including Section 4.3 and Section 4.10, amendments, supplements or modifications to this Agreement shall be approved by each of (i) a majority of the entire Board, (ii) Viking, so long as the Investor Member Sell-Down Event in respect of Viking has not occurred, and (iii) Patient Square, so long as the Investor Member Sell-Down Event in respect of Patient Square has not occurred, and any such amendment, supplement or modification shall be binding on the parties hereto, including the Company and the Members; provided, that (i) any amendment, supplement or modification of this Agreement in a manner that would have a material disproportionately adverse impact on any right or obligation of any Member, the consent of such Member shall also be required, (ii) in no event shall any Member's Total Funding Commitment be amended, supplemented or modified without the written consent of such Member, and (iii) in no event shall any Member be obligated to make any cash or non-cash contribution to the Company's capital other than as contemplated by Section 5.1(e)(i) (as in effect on the date hereof) without the written consent of such Member.

(b) An amendment shall become effective as of the date specified in the applicable approval or, if none is specified, as of the date of such approval or as otherwise provided in the Act. Notwithstanding the provisions set forth in Section 13.1(a), but subject to Section 4.3 and Section 4.10, the Board may amend this Agreement, including the schedules hereto, without the approval of any Members (i) to reflect the issuance, redemption, repurchase or forfeiture of Class B Units in connection with the Applicable Class B Unit Agreements, (ii) to implement the admission of Substitute Members or Additional Members, (iii) to change the name of the Company and (iv) to implement the provisions set forth in Article IX.

**ARTICLE XIV
GENERAL PROVISIONS**

14.1 Expenses. Except as otherwise expressly provided herein or as contemplated by Section 10.1 of the Transaction Agreement, all costs and expenses, including fees and disbursements of legal counsel, financial advisors and accountants, incurred in connection with this Agreement shall be borne by the party incurring such costs and expenses.

If to a Member, to the address of such Member specified on Schedule A hereto.

Such addresses may be changed, from time to time, by means of a notice given in the manner provided in this Section 14.2.

14.3 Publicity; Confidentiality. Except as may be required by applicable Disclosure Law, none of the parties hereto shall issue a press release or public announcement or otherwise make any disclosure concerning this Agreement or the transactions contemplated hereby or any other information, statements, reports, trade secrets, documents, and other materials concerning the Company, any Member or any of their respective Affiliates that any Member may receive or that may be disclosed, distributed or disseminated (whether in writing, orally, electronically or by other means) by or to such Member or any representative of such Member, or otherwise as a result of such Member's ownership of any Units. Each Member agrees (on behalf of itself and its directors, officers, managers, equityholders, partners, employees, agents and members (collectively, "Representatives")) that it will keep confidential the terms of this Agreement and all information that it receives from the Company in its capacity as a Member (including all confidential or proprietary information concerning the Company and its Subsidiaries and the business of the Company and its Subsidiaries) except that it may disclose such information (a) as may be required in the course of obtaining legal advice or enforcement with respect to the rights and obligations created hereby, (b) to its legal, financial, accounting and other advisors, (c) as may be required by law, regulation, rule, court order, subpoena or other stock exchange or governmental body or in the preparation of tax returns or other governmental or regulatory filings, (d) as and to the extent that such Member's legal counsel determines that such disclosure is required by applicable Law, (e) to the extent required in the good-faith performance of such Member's duties to the Company and its Subsidiaries as an employee thereof, and (f) to the extent reasonably necessary to enforce the terms of this Agreement; provided, however, that each Member may disclose such information to (i) any of its actual and prospective equityholders and lenders, and any equityholder thereof that is an investment fund may disclose such information to its actual and prospective limited partners or other investors (provided in each case that such Persons are subject to reasonable confidentiality obligations with respect to such information), (ii) any Person in connection with financings, acquisitions, divestitures and similar events involving the Company and its Affiliates (provided in each case that such Persons are subject to reasonable confidentiality obligations with respect to such information), (iii) any of its directors, officers, employees or professional advisers to the extent that such disclosure is reasonably necessary in connection with the such Member's investment in the Company for use solely for such purpose and (iv) any Person in connection with such Member's ordinary course internal market, industry and investment analyses, so long as the recipient of such information is subject to a duty of confidentiality to such Member with respect to such information. In the event of any disclosure as permitted above under clauses (a), (b) and (f) hereof to a Member's representatives and advisors, the disclosing party shall direct any Person receiving such information to maintain its confidentiality and shall be responsible for any breach of the confidentiality provisions hereunder by any such Person receiving such information. Notwithstanding anything in this Section 14.3 to the contrary, except in connection with a Change of Control and with the approval of the Board, or except as permitted under clause (e) hereof, no Director or Member shall provide any information that it receives from the Company in its capacity as a Director or Member to any Person (including any officer, director, member, manager, partner, trustee, employee, or agent thereof) that, in the good-faith reasonable judgment of the Board, is an actual or potential competitor of the Company.

14.4 Entire Agreement and Waiver. This Agreement, together with all exhibits and schedules hereto and all other agreements referenced herein and therein, shall constitute the entire agreement between the parties hereto relating to the subject matter hereof and supersedes all prior contracts, agreements, discussions and understandings between them. No provision of this Agreement shall be deemed to modify, amend, waive, rescind or otherwise impact the terms of the Transaction Agreement. Any waiver (express or implied) of any default or breach of this Agreement must be in writing and shall not constitute a waiver of any other or subsequent default or breach.

14.5 Conflict between This Agreement and Class B Unit Agreement. Notwithstanding anything to the contrary in this Agreement, in the event of a conflict between any term or provision contained herein and a term or provision of any Applicable Class B Unit Agreement or the Management Holdco Operating Agreement, the Board acting in good faith shall be entitled to resolve such conflict. Notwithstanding any other provision of this Agreement to the contrary, no Member who holds only Class B Units shall have any right to receive or review a copy of Schedule A or Schedule B to this Agreement (except for information on Schedule A or Schedule B that relates solely to such Member) or obtain other information about the identities of the other Members or the size or nature of their interests in the Company; provided, however, that any Person may view a copy of Schedule A or Schedule B if the Board determines that it is reasonably necessary for such Person to perform his or her duties in connection with the Company.

14.6 Counterparts. This Agreement may be executed in any number of counterparts, each of which, when so executed and delivered, shall be an original, but all of which together shall constitute one agreement binding on the parties hereto. Transmission of an executed counterpart by electronic transmission of this Agreement shall be deemed to constitute due and sufficient delivery of such counterpart, and such signatures shall be deemed original signatures for purposes of the enforcement and construction of this Agreement.

14.7 Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable for any reason, such provision shall be ineffective to the extent of such invalidity or unenforceability; provided, however, that the remaining provisions will continue in full force without being impaired or invalidated in any way unless such invalid or unenforceable provision or clause shall be so significant as to materially affect the Members' expectations regarding this Agreement. Otherwise, the Members agree to replace any invalid or unenforceable provision with a valid provision which most closely approximates the intent and economic effect of the invalid or unenforceable provision.

14.8 Governing Law; Venue; Waiver of Jury Trial.

(a) This Agreement, and all claims, causes of action and disputes (whether in contract or in tort or otherwise, or whether at law (including at common law or by statute) or in equity) that may be based on, arise out of or relate to this Agreement or the negotiation, execution, performance or subject matter hereof, shall be governed by the Laws of the State of Delaware applicable to agreements made and to be performed solely therein, without giving effect to principles of conflicts of law.

(b) The parties hereto irrevocably submit to the jurisdiction of the Court of Chancery of the State of Delaware and any state appellate court therefrom within the State of Delaware (or, if the Court of Chancery of the State of Delaware declines to accept jurisdiction over a particular matter, any federal court within the State of Delaware (and any appellate court therefrom)) (collectively, the "Chosen Courts") in any action or proceeding that arises in respect of the interpretation and enforcement of the provisions of this Agreement and the documents referred to in this Agreement or in respect of the transactions contemplated herein, and hereby waive, and agree not to assert, as a defense in any action, suit or proceeding for interpretation or enforcement hereof or any such document that it is not subject thereto or that such action, suit or proceeding may not be brought or is not maintainable in the Chosen Courts or that venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such Chosen Courts, and the parties hereto irrevocably agree that all claims with respect to such action, suit or proceeding shall be heard and determined exclusively by such Chosen Courts.

(c) EACH PARTY HERETO ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY BE BASED UPON, ARISE OUT OF OR RELATE TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY PROCEEDING DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREIN. EACH PARTY HERETO CERTIFIES AND ACKNOWLEDGES THAT: (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER; (II) SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THE FOREGOING WAIVER; (III) SUCH PARTY MAKES THE FOREGOING WAIVER VOLUNTARILY; AND (IV) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS IN THIS SECTION 14.8.

14.9 Binding Effect. This Agreement shall be binding upon, and inure to the benefit of, the Members.

14.10 Additional Documents and Acts. The Members shall from time to time execute or cause to be executed all other documents or cause to be done all filing, recording, publishing, or other acts as may be necessary or desirable to comply with the requirements for the operation of a limited liability company under the laws of the State of Delaware and all other jurisdictions in which the Company may from time to time conduct business.

14.11 No Third-Party Beneficiary. This Agreement is made solely for the benefit of the parties hereto and no other Person shall have any rights, interest, or claims hereunder or otherwise be entitled to any benefits under or on account of this Agreement as a third-party beneficiary or otherwise, except for the rights of the Member Related Parties pursuant to Section 14.12 or any Indemnified Person pursuant to Section 12.2.

14.12 Nonrecourse. Notwithstanding anything to the contrary in this Agreement, except in the case of fraud, this Agreement may only be enforced against, and any action, dispute, claim, suit or other proceeding for breach of this Agreement may only be made against, the entities that are expressly identified herein as parties and none of the former, current and future Affiliates, directors, officers, managers, employees, advisors, representatives, shareholders, members, managers, partners, successors and assigns of a Member or any Affiliate thereof or any former, current and future Affiliate, director, officer, manager, employee, advisor, representative, shareholder, member, manager, partners, successor and assign of any of the foregoing (collectively, "Member Related Parties") shall have any liability for any liabilities or obligations of the parties hereto for any action, dispute, claim, suit or other proceeding (whether in tort, contract or otherwise) for breach of this Agreement or in respect of any oral representations made or alleged to be made in connection herewith, the Company or any other Member or their respective Affiliates shall have no rights of recovery in respect hereof against any Member Related Party and no personal liability shall attach to any Member Related Party through such Member or otherwise, whether by or through attempted piercing of the corporate veil, by or through an action, dispute, claim, suit or other proceeding (whether in tort, contract or otherwise) by or on behalf of a Member against any Member Related Party, by the enforcement of any judgment, fine or penalty or by virtue of any statute, regulation or other applicable Law, or otherwise. The Company agrees that (i) each of Viking, Patient Square, Sequoia, Frazier, Cormorant and Aisling and their respective Affiliates (each, a "Fund Investor") are professional investment funds, and as such invest in numerous portfolio companies, some of which may be deemed competitive with the Company or its Subsidiaries' businesses, and, to the extent permitted by applicable Law, no Fund Investor shall be liable to the Company or any of its subsidiaries for any claim arising out of, or based upon, the investment by any Fund Investor in any entity competitive with the Company or its Subsidiaries and (ii) to the extent permitted by applicable Law, each Fund Investor is permitted to acquire, own and/or dispose of any debt, equity and/or equity-linked securities or other investment in any competitor of the Company or its Subsidiaries without any liability to the Company or its subsidiaries; *provided* that nothing in the foregoing clauses (i) and (ii) shall relieve any Fund Investor from liability associated with the unauthorized disclosure or use of the Company's confidential information in breach of this Agreement or any other obligation of confidentiality or non-use owed to the Company or any of its Subsidiaries by the Fund Investors.

14.13 Successors and Assigns. This Agreement is personal to the parties hereto and shall not be capable of assignment; it being understood that the foregoing shall not be read to limit any Transfer pursuant to and in accordance with Article VIII. All of the terms and provisions of this Agreement shall inure to the benefit of and be binding upon each of the parties hereto and their respective successors and permitted transferees, if any.

14.14 Specific Performance. Each of the Members acknowledges and agrees that in the event of any breach or threatened breach of this Agreement, the nonbreaching party or parties would be irreparably harmed and could not be made whole by monetary damages. The Members hereby agree that, in addition to any other remedy to which they may be entitled at law or in equity, they shall be entitled to compel specific performance of this Agreement in any action instituted in any court set forth in Section 14.8.

14.15 Representations and Warranties. Each Person that becomes an Additional Member or a holder of Units on or after the date hereof (each a “Warrantor”) makes, as of the date such Warrantor becomes an Additional Member or acquires Units, the representations and warranties to the Company set forth on Schedule D hereto.

14.16 Survival of Representations and Warranties; Termination of Covenants. All representations and warranties contained in this Agreement or made in writing by any party hereto in connection herewith shall survive the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby. In the event any provision of this Agreement is terminated, such termination shall not relieve any party hereto from liability for such party’s prior breach of this Agreement or for failure by such party to perform such party’s obligations hereunder.

14.17 Agent’s Rights.

(a) Notwithstanding anything contained herein to the contrary, BridgeBio or its Affiliates, each in its capacity as a Member of the Company (each in such capacity, the “Pledging Member”), shall be permitted to pledge or hypothecate any or all of its economic ownership of Units, including all rights to receive the Distributions and allocations of income, gain, loss, deduction, credit and similar items to which the Pledging Member would be entitled, to Blue Owl Capital Corporation, as administrative agent (together with its permitted successors and assigns, in such capacity, the “Agent”) under that certain Financing Agreement, dated as of January 17, 2024 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Financing Agreement”), by and among BBIO, BridgeBio, Agent, the lenders from time to time party thereto and the other parties from time to time party thereto, and any transfer of such economic rights pursuant to the Agent’s exercise of remedies in connection with any such pledge or hypothecation shall be permitted under this Agreement with no further action or approval required hereunder. Notwithstanding anything contained herein to the contrary, upon an event of default under the Financing Agreement, the Agent (or its assignee, transferee or designee, as applicable) (i) shall have the right, without further approval of any Member and without becoming a Member, to take economic ownership of the Pledging Member’s Units (the “Foreclosed Units”) and to receive the Distributions and allocations of income, gain, loss, deduction, credit and similar items to which the Pledging Member would be entitled and (ii) shall not have the right to exercise any of the Pledging Member’s voting rights, consent rights, control rights or status rights as a Member. For the avoidance of doubt, upon any such transfer of the economic ownership of Foreclosed Units, the Pledging Member shall cease to have any voting rights, consent rights, control rights or status rights as a Member with respect to the Foreclosed Units.

(b) The parties hereto further agree that so long as any pledge or hypothecation of the Units in favor of the Agent is in effect, (x) the Company shall not elect that the Units become governed by Article 8 of the Uniform Commercial Code as in effect from time to time in the State of Delaware, (y) this Section 14.17 may not be amended or modified, in each case, without the prior written consent of the Agent and (z) the Agent shall be a third party beneficiary of the provisions of this Section 14.17.

(c) The execution and delivery of this Agreement by a Member shall constitute any necessary approval of such Member under the Act to the foregoing provisions of this Section 14.17.
